A Public and Political Christ Bart B. Bruehler, 2011-08-05 Was Jesus a public figure A political figure Yes according to Luke s gospel Jesus was a Christ who was both public and political Recent developments in the theory and practice of the study of space have provided tools to classify ancient social spatial spheres with greater nuance and depth A broad survey of literary and archaeological resources in the ancient world as well as an in depth look at Plutarch s Political Precepts and Philostratus s Life of Apollonius reveals that the familiar dichotomy of public and private does not suffice to describe the Hellenistic Roman milieu that shaped the author and audience of the third gospel This study employs social spatial analysis to explore how Luke uses the power of place to portray Jesus frequently engaging the unofficial public sphere and local politics specifically in 18 35 19 43 the public healing of the blind beggar the unexpected impact of Zacchaeus s hospitality the political implications of the parable of the king and his subjects and the publicity and politics of Jesus entry into Jerusalem The result is an illuminating look at the overall spatial character of Luke s gospel the

Broadhead, 2018-03-22 This book honors the extraordinary contribution of Elizabeth Struthers Malbon to biblical studies In the opening chapter Werner Kelber places Malbon's work within the larger context of critical reflection from antiquity to the modern era on the role and function of discourse Kelber locates Malbon's approach squarely within the framework of modernity and concludes that her supremely creative achievement has been the employment of modern narrative critical tools with a view toward uncovering the fecundity of the gospel of Mark Drawing from and conversing with Professor Malbon's extensive publications each of the five sections engages a theme from her works focusing particularly on the Gospel of Mark This tribute includes meaning as narrative issues in methodology studies in characterization narrative readings of specific texts and aesthetic and political readings Contributors include Werner H Kelber R Alan Culpepper Kelly R Iverson Mikeal C Parsons David Barr David J A Clines Robert C Tannehill J Cheryl Exum Heidi Hornik and Richard Walsh **Atheism, Morality, and the Kingdom of God** David K. Clark, 2018-11-27 This treatise explores both the beguiling fancy that without God moral virtue is not possible and the dream that human fulfillment awaits the faithful in an afterlife Kingdom It shows that Jesus Parables of the Kingdom of God once stripped of their deceptive theological overlay reveal an account of real time flourishing that is secular constituted by virtue and incompatible with the life of faith total dedication to a deity Part I establishes that morality and human virtue are indeed fully independent of God's very existence while Parts II and III isolate the prized hermeneutical principle whereby the authentic words of Jesus are set in relief What emerges is Jesus' own urgent testimony of a this world kingdom which is the good life for humans the summum bonum This vision anchored in the very tradition of which Jesus was both participant and critic reveals human fulfillment as an achievement which is possible only here and now should we muster the courage to live it **Railway Signal**, 1887

Representative Short Story Cycles of the Twentieth Century Forrest L. Ingram, 2012-05-02 No detailed description available for Representative Short Story Cycles of the Twentieth Century [The Radical Invitation of Jesus](#) Duncan S. Ferguson, 2019-07-02 The book addresses the way we are able to understand the radical invitation of Jesus The invitation is to those who heard Jesus in the first century the intervening centuries and those in the twenty first century urging them to turn away from a life that is self centered and to seek a life that is God centered accepting the reign of God in one's life rather than wealth pleasure power and fame Jesus says that we are to seek first the kingdom of God and all of our basic needs will be met being transformed and finding meaning and purpose in our lives The invitation is radical in that it calls on us to give up the accepted norms and values of our culture and world and give ourselves to a life of integrity and truthfulness love and compassion and justice and peace We are invited to find our true identity to be filled with and transformed by the God of love and to become one who is filled with grace and truth as Jesus was *The International Standard Bible Encyclopedia* Geoffrey William Bromiley, 1979 The International Standard Bible Encyclopedia combines the defining function
