## **Good Man In Society Active Contemplation Essays In Honor Of Gerhart Niemeyer:**

*The Good Man in Society* John A. Gueguen, Michael Daniel Henry, James M. Rhodes, 1989      **Teaching in an Age of Ideology** John von Heyking, Lee Trepanier, 2013 This volume explores the role of some of the most prominent twentieth century philosophers and political thinkers as teachers It examines how these teachers conveyed truth to their students against the ideological influences found in the university and society Philosophers from Edmund Husserl and Hannah Arendt to political thinkers like Eric Voegelin and Leo Strauss and their students such as Ellis Sandoz Stanley Rosen and Harvey Mansfield are in this volume as teachers who analyze denounce and attempt to transcend ideology for a more authentic way of thinking What the reader will discover is that teaching is not merely a matter of holding concepts together but a way of existing or living in the world The thinkers in this volume represent this form of teaching as the philosophical search for truth in a world deformed by ideology      Leo Strauss and His Legacy John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo      **Kierkegaard Bibliography** Peter Šajda, Jon Bartley Stewart, 2016      **Volume 19, Tome II: Kierkegaard Bibliography** Peter Šajda, Jon Stewart, 2017-03-16 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies      **Russell Kirk** Bradley J. Birzer, 2015-11-09 Emerging from two decades of the Great Depression and the New Deal and facing the rise of radical ideologies abroad the American Right seemed beaten broken and adrift in the early 1950s Although conservative luminaries such as T S Eliot William F Buckley Jr Leo Strauss and Eric Voegelin all published important works at this time none of their writings would match the influence of Russell Kirk s 1953 masterpiece *The Conservative Mind* This seminal book became the intellectual touchstone for a reinvigorated movement and began a sea change in Americans attitudes toward traditionalism In *Russell Kirk* Bradley J Birzer investigates the life and work of the man known as the founder of postwar conservatism in America Drawing on papers and diaries that have only recently become available to the public

Birzer presents a thorough exploration of Kirk's intellectual roots and development. The first to examine the theorist's prolific writings on literature and culture, this magisterial study illuminates Kirk's lasting influence on figures such as T. S. Eliot, William F. Buckley Jr. and Senator Barry Goldwater, who persuaded a reluctant Kirk to participate in his campaign for the presidency in 1964. While several books examine the evolution of postwar conservatism and libertarianism, surprisingly few works explore Kirk's life and thought in detail. This engaging biography not only offers a fresh and thorough assessment of one of America's most influential thinkers but also reasserts his humane vision in an increasingly inhumane time.

**Dostoevsky Studies**, 1993     *The Political Science Review*, 1988     The University Bookman, a Quarterly Review, 1985     *Bulletin of the John Rylands University Library of Manchester*, John Rylands University Library of Manchester, 1994

*Willa Cather and Six Writers from the Great War* James J. Kirschke, 1991 In *Willa Cather and Six Writers from the Great War* James Kirschke traces Willa Cather's inspiration for the character Tom Outland in her 1925 novel *The Professor's House*. Outland is a brilliant young man from the Southwest who dies as a soldier in the Great War. Most authorities on Willa Cather's work presume that inspiration for Outland arose from a trip Cather made to Southern Colorado in the summer of 1915. James Kirschke shows that some of the young poets of World War I may be a part of that inspiration. This book is therefore also an introduction to six young Tom Outlands who died during WWI: Charles Sorley, Arthur Graeme West, Edwin Vaughan, Edward Wyndham Tennant, Alan Seeger, and Victor Chapman. The book also includes studies on the diary as an art form of her trip to Mesa Verde in Colorado and her connection to Victor Chapman's *Letters from France* and Alan Seeger's family. Co-published with the Intercollegiate Studies Institute.

**A Defender of Southern Conservatism** Clyde Norman Wilson, 1999 Prolific writer and revered teacher M. E. Bradford holds a unique place in American scholarship. During a distinguished career which came to an early end with his untimely death in 1993, Bradford breathed new life into the southern conservative traditions of his predecessors, the Vanderbilt Agrarians, and Richard M. Weaver. Trained as a literary scholar, Bradford made substantial contributions to the study of southern literature but he also wrote and worked in American history and political thought. *A Defender of Southern Conservatism: M. E. Bradford and His Achievements* is the first full evaluation of this southern intellectual's career. Examining his contributions to literary criticism, southern and American constitutional history, rhetoric, and even his controversial writings on Abraham Lincoln, these distinguished academics afford an evaluation of this unique and important thinker.

**The British National Bibliography** Arthur James Wells, 1968     Freedom in the Modern World Michael D. Torre, 1989 These essays examine the full range of human freedom, both freedom of choice and political freedom. Much of the discussion centres on *The Idea of Freedom* by Adler, and the volume concludes with two essays in metaphysics.

**Eric Voegelin** Geoffrey L. Price, 1994     **Sozialutopien der Neuzeit** Andreas Heyer, 2008     **Subject Guide to Books in Print**, 1993     **Paperbound Books in Print**, 1992     Religion Index Two, 1992     **Forthcoming Books** Rose Army, 1989-05
