but true stories and more than thirty photographs *One on One* John Feinstein, 2011-12-05 John Feinstein's illuminating recollections from two decades of interviews with sports legends John Feinstein's career is a sports fan's dream a lifetime of encounters with the great figures in sports not just on the field but in the locker room and behind the scenes with legends like Bob Knight Dean Smith Mike Krzyzewski Jack Nicklaus Tiger Woods and John McEnroe Since his days as a young Washington Post journalist Feinstein has written twenty-eight books and countless magazine articles and newspaper columns covering college basketball golf tennis baseball and very nearly every sport in between He has told us of victory and defeat of athletes and coaches we love and love to hate But some of his best stories have been left untold until now *One on One* is an incredible portal into the sports we love from the box scores and the pageantry of game night and into the hard work and intensity that turn players and coaches into legends *Slow Motion* Andie Miller, 2010 *Slow Motion* is a collection of non-fiction stories essays and interviews about walking The collection has been written over a period of six years and so the book has become something of a documentary project witnessing transformation in South Africa through the eyes of pedestrians across the economic racial and age spectrum The book could be described as documenting recent history Though it inevitably looks at the issue of crime and how we have moved from a race-based to a class-based society and pedestrians of all colours continue to be marginalised and thought of as second-class citizens in an increasingly autocratic society it is essentially an optimistic book It tells the stories of South Africans and visitors who have chosen to reclaim the streets from predators and traffic While the focus is primarily on Johannesburg several of the stories are about Cape Town contrasting the experience of walking in these two cities Other international cities such as Los Angeles Paris London and Mumbai are also visited along the way The style of the book is such that while it can be opened anywhere and each story can be read and enjoyed on its own a bedside table book the stories are interlinked as people's paths inevitably cross There is a bigger story at play as well The band of pedestrians includes writers artists political activists disabled people dogs and their owners Walk for Life members Jews on the Sabbath domestic workers refugees babies learning to walk and even a golfer and a caddy The purpose of the book is both to entertain and inform readers Publisher's website **50 of the Best Strolls, Walks, and Hikes Around Carson City** Mike White, 2020-06-17 One of the area's foremost experts on the outdoors Mike White author of *50 of the Best Strolls Walks and Hikes Around Reno* returns with a new guidebook dedicated to Carson City and its surrounding areas in northern Nevada With over three hundred days of sunshine a year this capital city's parks trails lakes and soaring peaks provide the perfect attractions for residents and visitors alike This guide provides readers with the most precise information for a wide range of detailed paths and trails throughout the greater Carson City region and includes interesting sidebars about human and natural history for each trip From Virginia City and the Carson River on the east to the Sierra Nevada mountains to the west this comprehensive guidebook offers the most complete guide for walkers joggers and hikers Whether you are looking for a short and easy stroll on a city path or an extended hike along the Tahoe Rim Trail this is
