On The Passion of the Christ Paula Fredriksen,2006-02-14 These essays are well informed interesting and written in an accessible style The perspectives represented raise unexpected and important issues eliciting the reader s engagement and creating an absorbing conversation Margaret R Miles author of Seeing and Believing Religion and Values in the Movies

The Blackwell Companion to Jesus Delbert Burkett,2013-11-11 The Blackwell Companion to Jesus features a comprehensive collection of essays that explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day Considers portrayals of Jesus in the New Testament and beyond Jesus in non Christian religions philosophical and historic perspectives modern manifestations and representations in Christian art novels and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non Christian perspectives on Jesus including those from ethnic and sexual groups as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy

Queering Christianity Robert E. Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices

Buddhism, Christianity and the Question of Creation Perry Schmidt-Leukel,2006 Is the world created by a divine creator Or is it the constant product of karmic forces Exploring the

aspects of Buddhist objections against the idea of a divine creator and Christian possibilities to meet the Buddhist critique this work asks for the potential truth on both sides and suggests a surprising way of overcoming the barrier **Where We Dwell in Common** Gerard Mannion, 2016-04-29 An ecumenical and interfaith gathering Where We Dwell in Common Pathways for Dialogue in the 21st Century took place in Assisi in April 2012 This volume presents highlights from this historic gathering and invites readers to become involved as the conversation continues **Radical Philosophy of Life** Ernst Baasland, 2021-01-13 The Sermon on the Mount never ceases to challenge readers in every generation New methods and new insights into new surroundings have to be applied to the most influential speech ever given In this study Ernst Baasland takes a fresh look at the history of research done on it both on its broad influence and on the variety of interpretations The historical questions are seen from new perspectives Is orality the key to a better understanding To what extent can we reconstruct a pre text and the question of authenticity be answered These questions are seen through historiographical lenses The author argues in favour of a universal addressee and maintains that the speech contains radical philosophical thinking The first audience consisted of Jews and the religiously based understanding of life is conceived within Judaism However its ethics of wisdom is developed in a Hellenistic setting and provides a radical philosophy of life

Prisoners of Shangri-La Donald S. Lopez Jr., 2012-12-31 Prisoners of Shangri La is a provocative analysis of the romance of Tibet a romance that even as it is invoked by Tibetan lamas living in exile ultimately imprisons those who seek the goal of Tibetan independence from Chinese occupation Lopez lifts the veil on America s romantic vision of Tibet to reveal a country and a spiritual history more complex and less ideal than popular perceptions allow Lively and engaging Lopez s book raises important questions about how Eastern religions are often co opted assimilated and misunderstood by Western culture Publishers Weekly Proceeding with care and precision Lopez reveals the extent to which scholars have behaved like intellectual colonialists Someone had to burst the bubble of pop Tibetology and few could have done it as resoundingly as Lopez Booklist Fascinating A provocative exploration Lopez conveys the full dizziness of the Western encounter with Tibet and Tibetan Buddhism Fred Pheil Tricycle The Buddhist Review A timely and courageous exploration Lopez s book will sharpen the terms of the debate over what the Tibetans and their observers can or should be doing about the place and the idea of Tibet And that alone is what will give us all back our Shambhala Jonathan Spence Lingua Franca Book Review Lopez s most important theme is that we should be wary of the idea that Tibet has what the West lacks that if we were only to look there we would find the answers to our problems Lopez s book shows that on the contrary when the West has looked at Tibet all that it has seen is a distorted reflection of itself Ben Jackson Times Higher Education Supplement *The Oxford Handbook of Religious Diversity* Chad V. Meister, 2010-10-01 There exists today a rich and abounding diversity of religions in the world a diversity with respect to both belief and practice But it is a diversity that poses many challenges and raises many questions most especially in a pluralistic milieu How do we engage in effective dialogue with religious others What should

public education reflect in a religiously pluralistic context What role might the diversity of religions play in developing a global ethic How do the various religious traditions deal with the plurality of religious belief and practice What role does gender play in such discourse The Oxford Handbook of Religious Diversity is a volume of thirty three original chapters that cover numerous issues in religious diversity and draw readers into the heart of the current dialogue It is divided into three parts Contours of Religious Diversity Key Issues Relevant to Religious Diversity and Differing Perspectives on Religious Diversity Chapters in the first part trace the general features of religious diversity discussions from four different fields history religious studies philosophy and sociology Part two explores key theological philosophical sociological and public policy issues relevant to religious diversity The third and final part provides differing analyses of religious diversity from multi faith gender and global points of view An indispensable guide for scholars and students the Handbook makes a state of the art contribution to the field with essays crafted by experts representing a wide variety of religious and philosophical perspectives

The Gospel of Buddha According to Old Records Paul Carus, 2004 The Gospel of Buddha the classic text on Buddhism that first introduced many Westerners to Buddha and his teachings was first published in 1894 and immediately became a worldwide bestseller Author Paul Carus 1852-1919 collected many accounts of Buddha's life teachings and death and fashioned a coherent and gripping narrative It was easily understood and popular with Americans because it resembled a Christian gospel Martin Verhoeven's detailed introduction describes the circumstances surrounding Carus's achievement and the book's relation to other strands of Buddhist teaching This edition also includes 25 newly rediscovered paintings by the renowned Buddhist artist Yamada

The Jesus Sayings Rex Weyler, 2009 Is it possible to reconcile Jesus the Prince of Peace with religious violence From the Inquisition to the burning of women healers to modern pedophilia scandals spiritual leaders and followers are deeply divided about how to reconcile the teachings of Jesus with the atrocities of church history How did his message get misinterpreted and what relevance does that message have in the 21st century Here critically acclaimed author and social historian Rex Weyler explores the mystery surrounding the historical Jesus whose voice and words have been distorted by centuries of revision By examining the research of international Bible scholars and some 200 ancient sources including the recently discovered Gospels of Thomas and Mary Weyler recreates the life of Jesus and his legacy from the Roman Empire to the present day

Combining popular history with modern scholarship *The Jesus Sayings* is a revelatory and highly readable work that entertains, inspires, and enlightens. Hinduism, TM, and Hare Krishna J. Isamu Yamamoto, 2016-09-06 In the sixties Transcendental Meditation, a Hindu-based movement, became fashionable as a way to therapy and psychological well-being, especially after being endorsed by the Beatles and the Beach Boys. Its influence waned ironically after the courts decided that TM was a religion rather than a form of therapy, as TM had claimed. But its popularity helped open the doors to a wider acceptance of Eastern philosophy and religions in mainstream America. Another Americanized form of Hinduism is Hare Krishna. This volume and the volume on Buddhism in this series together present a comprehensive overview of Eastern religions, their views, and their impact on contemporary North America. Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. All books but the summary volume *Truth and Error* contain five sections: A concise introduction to the group being surveyed; An overview of the group's theology in its own words; Tips for witnessing effectively to members of the group; A bibliography with sources for further study; A comparison chart that shows the essential differences between biblical Christianity and the group. *Truth and Error*, the last book in the series, consists of parallel doctrinal charts compiled from all the other volumes. Three distinctives make this series especially useful to readers: Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details; Information is presented in a clear, easy-to-follow outline form with menu-bar running heads. This format greatly assists the reader in quickly locating topics and details of interest. Each book meets the needs and skill levels of both nontechnical and technical readers, providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text. The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood. *Finding Salvation in Christ* Christopher D. Denny, Christopher McMahon, 2011-05-01 *Finding Salvation in Christ* brings together some of the most important figures in contemporary theology to honor the work of William Loewe, systematic theologian and specialist in the theology of Bernard Lonergan, SJ. For over three decades, Loewe's writings have sought to make classic christological and soteriological doctrines comprehensible to a Catholic Church that is working to integrate individual subjectivity, communal living, and historical consciousness in the wake of the Second Vatican Council. Essays included in this volume assess Loewe's reinterpretation of patristic and medieval Christology from Irenaeus to Anselm of Canterbury and explain the significance of the theology of Lonergan and Loewe for the fields of soteriology, economics, family life, and interreligious theology. While some recent postliberal theologies have polarized the church's relationship with contemporary culture by minimizing similarities between Christianity and other worldviews, the contributors in this volume continue Lonergan's project of integrating the

findings of various intellectual disciplines with Christian theology and use Loewe's historical and systematic work as a guide in that endeavor. While Lonergan's transcendental Thomism has been criticized by both traditionalists and revisionists, essays in this collection apply Loewe's theological methodology in a variety of ways to demonstrate that time-honored doctrines about Christ can be transplanted into new cultural contexts and gain intelligibility and credibility in this process. Having lived and labored through the far-reaching changes in Catholic thought introduced in recent decades, Loewe's career provides a model for theologians attempting to build bridges between the past and the present and between the church and the world.

Buddhism For Dummies Jonathan Landaw, Stephan Bodian, Gudrun Bühnemann, 2019-08-01 Your hands-on guide to this widely practiced and ancient religion. Buddhism, one of the world's most widely practiced religions, is a fascinating yet complex eastern religion that is rapidly spreading throughout western civilization. What does it mean to be a Buddhist? What are the fundamental beliefs and history behind this religion? *Buddhism For Dummies* explores these questions and more in this updated guide to Buddhist culture. You'll gain an understanding of the origins of this ancient practice and how they're currently applied to everyday life. Whether you're a searcher of truth, a student of religions, or just curious about what makes Buddhism such a widely practiced religion, this guide is for you. In plain English, it defines the important terms, explains the key concepts, and explores in depth a wide range of fascinating topics. New and expanded coverage on all the schools of Buddhism, including Theravada, Tibetan, and Mahayana. The continuing relevance of the Dalai Lama. Updated coverage on daily observances, celebrations, styles, practices, meditation, and more. Continuing the *Dummies* tradition of making the world's religions engaging and accessible to everyone. *Buddhism For Dummies* is your essential guide to this fascinating religion. P.S. If you think this book seems familiar, you're probably right. The *Dummies* team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of *Buddhism For Dummies*. 9781118023792. Buddhist Inclusivism Kristin Beise Kiblinger, 2017-07-05 Although Christians have well-developed responses to other religions, the counterpart scholarship from Buddhists has thus far lagged behind. Breaking new ground, this book analyzes the currently favored position towards religious others, inclusivism, in Buddhist traditions. Kristin Beise Kiblinger presents examples of inclusivism from a wide range of Buddhist contexts and periods, from Pali texts to the Dalai Lama's recent works. After constructing and defending a preferred alternative form of Buddhist inclusivism, she evaluates the thought of particular contemporary Buddhists such as Thich Nhat Hanh and Masao Abe in light of her ideal position. This book offers a more systematic treatment of Buddhist inclusivism than has yet been provided either by scholars or by Buddhist leaders.

The Secret Message of Jesus Brian D. McLaren, 2007-04-01 When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy*, he ignited a firestorm of praise and condemnation that continues to spread across the religious

landscape To some religious conservatives McLaren is a dangerous rebel without a doctrinally correct cause Some fundamentalist websites have even claimed he s in league with the devil and have consigned him to flames To others though Brian is a fresh voice a welcome antidote to the staleness superficiality and negativity of the religious status quo A wide array of people from Evangelical Catholic and Mainline Protestant backgrounds claim that through his books they have begun to rediscover the faith they d lost or rejected And around the world many readers say that he has helped them find for the first time in their lives a faith that makes sense and rings true For many he articulates the promise of what is being called emerging Christianity In *The Secret Message of Jesus* you ll find what s at the center of Brian s critique of conventional Christianity and what s at the heart of his expanding vision In the process you ll meet a Jesus who may be altogether new to you a Jesus who is Not the crusading conqueror of religious broadcasting Not the religious mascot of partisan religion Not heaven s ticket checker whose words have been commandeered by the church to include and exclude judge and stigmatize pacify and domesticate McLaren invites you to discover afresh the transforming message of Jesus an open invitation to radical change an enlightening revelation that exposes sham and ignites hope an epic story that is good news for everyone whatever their gender race class politics or religion Pastor and best selling author McLaren revisits the gospel material from a fresh and at times radical perspective He does an excellent job of capturing Jesus quiet revolutionary style Publishers Weekly starred review Here McLaren shares his own ferocious journey in pondering the teachings and actions of Jesus It is McLaren s lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history Donald Miller Author of *Blue Like Jazz* In this critical book Brian challenges us to ask what it would mean to truly live the message of Jesus today and thus to risk turning everything upside down Jim Wallis Author of *God s Politics* and editor of *Sojourners* Compelling crucial and liberating a book for those who seek to experience the blessed heat of Christianity at its source Anne Rice Author of *Christ the Lord Out of Egypt*
