Good Priests Son:

The Good Priest's Son Reynolds Price, 2006-11-28 The first new fiction from Price in three years is a major novel that examines the profound and unexpected impact of major historical events on ordinary lives **African Catholic Priests** Jordan Nyenyembe, 2011 This is a timely book on the contemporary African priesthood Just as in other parts of the globe the African priesthood currently faces a serious crisis of identity The unfolding crisis puts stress on the clerics and augments the tension with lay people The model of the Church as Family of God opted for by the Church in Africa is a new milestone that puts pressure on Catholic priests to define their role in the new context The identity and image of priests need to be specified as lay ministries render the Church active from the grassroots Reflection about the ministry of the clergy in Africa is urgent and indeed it is an important aspect of enculturation Nyenyembe demonstrates an admirable capacity to situate his rich theological reflections in an African context *My Son, the Priest* Kristin Grady Gilger, 2025-11-11 A beautifully written tale of spiritual growth James Martin SJ author of the New York Times bestsellers *Jesus A Pilgrimage* and *Learning to Pray* Not every Catholic mother wants her son to be a priest The true story of a young man's journey to become a Jesuit priest written by his mother a fallen away Catholic who must come to terms with her son's decision or risk losing him It is an intimate sometimes irreverent and often searing examination of faith family and reconciliation You send your son off to college and you think that in a few years you might get a call and he'll announce that he has someone he's bringing home someone he wants you to meet But then that someone turns out to be a recruiter hawking a lifetime of poverty chastity and obedience What college kid in his right mind would sign up for that The book offers a rare often entertaining glimpse into the highly unusual Jesuit formation process which includes sending would-be priests off on pilgrimages with 35 in their pockets It also takes on tough issues from the church's history of sexual abuse to its treatment of women and asks tough questions Is it possible to be Catholic liberal and a feminist all at the same time What does it mean to call yourself a Catholic **The Manly Priest** Jennifer D. Thibodeaux, 2015-12-08 The *Manly Priest* examines the clerical celibacy movement in medieval England and Normandy which produced a new model of religious masculinity for the priesthood and resulted in social tension and conflict as traditional norms of masculine behavior were radically altered for this group of men **Literary Trails of the North Carolina Piedmont** Georgann Eubanks, 2010-10-15 Read your way across North Carolina's Piedmont in the second of a series of regional guides that bring the state's rich literary history to life for travelers and residents Eighteen tours direct readers to sites that more than two hundred Tar Heel authors have explored in their fiction poetry plays and creative nonfiction Along the way excerpts chosen by author Georgann Eubanks illustrate a writer's connection to a specific place or reveal intriguing local culture insights rarely found in travel guidebooks Featured authors include O Henry Doris Betts Alex Haley Langston Hughes Zora Neale Hurston John Hart Betty Smith Edward R. Murrow Patricia Cornwell Carson McCullers Maya Angelou Lee Smith Reynolds Price and David Sedaris *Literary Trails* is an exciting way to see anew the

The Ecclesiastical Organisation of the Church of the East, 1318-1913 David Wilmschurst, 2000 This careful and scholarly study assembles and discusses the available evidence for the ecclesiastical organisation of the Church of the East the so called Nestorian church in the Middle East between the fourteenth and twentieth centuries The author has built on the work of the late J M Fiey but has covered a wider geographical area and used a much wider range of sources Besides drawing on the memoirs of European and American missionaries and other literary sources the author has consulted a large number of manuscript catalogues many of which are only accessible in Arabic sources and has analysed the evidence of more than 2 500 East Syrian manuscript colophons to establish the dioceses of the Church of the East at different periods to identify its ecclesiastical elites patriarchs bishops priests deacons and scribes and to analyse the rivalry between the church's traditionalist and Catholic wings after the schism of 1552 The study contains a number of detailed maps which localise hundreds of East Syrian villages in Kurdistan and will be an indispensable reference tool for scholars of the Church of the East
