become an unwitting accomplice in a horrific crime against nature But there is a path to redemption for Ian Redemption is enabled by the good His name is Eli and he s comin Although at least three different police departments formally investigated several of the five deaths including search warrants and interrogations no charges were ever levied against Bill They were all perfect crimes But Bill grossly underestimated how the good and bad can team up to dispatch evil Bill Kills is about warm and cold blooded murder It s also about the chance clash between two unlikely geniuses One is Bill and the other is an underachieving malcontent who happens to have a good friend The book is about love hate revenge and redemption
