She has a green, flame-like aura around her neck. In the lower left, Snow White, played by Kristen Bell, is shown in her iconic blue and red dress with a yellow skirt, holding a red apple. Good Things Grow Things Good:

Where the Wild Things Grow David Hamilton, 2021-04-29 Nestled by the roadside peeking through the hedgerows hidden in the woods and even in city streets and parks wild food is all around us if you know where to look From woodland mushrooms and riverbank redcurrants to garden weeds and urban cherry blossoms Where the Wild Things Grow takes us on a journey through the forager s landscape Drawing on 25 years of foraging experience David Hamilton show us how and where to hunt for the food that is hidden all around us Along the way he delves into the forgotten histories and science of wild foods and their habitats and reveals his many foraging secrets tips and recipes You ll discover where to find mallows mustards and pennywort as well as sumac figs and mulberries You ll learn how to pick the sweetest berries preserve mushrooms using only a radiator and prepare salads risottos and puddings all with wild food In all weathers landscapes and seasons David shows us that foraging doesn t just introduce us to new tastes and sensations it also brings us closer to the natural world on our doorstep Beautifully illustrated and rich in detail Where the Wild Things Grow is more than a field guide it is a celebration of the wonderful and fragile gifts hidden in our landscape

The Cost of Ambition (Theology for the Life of the World) Miroslav Volf, 2025-05-20 Many people believe that ambition understood as striving to be better than others improves us as individuals and advances our whole society But what if the opposite is true In *The Cost of Ambition* world renowned theologian and award winning author Miroslav Volf argues that striving for superiority actually makes us worse Working his way backward in time Volf explores what three influential thinkers Søren Kierkegaard John Milton and the apostle Paul say about the cost of ambition He also explores what the teachings of Jesus and the stories in Genesis say on the matter Volf explains that striving to be better than others though widely accepted as part of modern life devalues our achievements things that surround us and relationships because it makes them into mere means to an empty goal of being better than someone else He reveals ambition's negative consequences in all domains of life showing that it is at odds with the key convictions of Christian faith After unpacking the toxicity of ambition Volf uses contemporary examples to guide readers to a better goal striving for excellence
