Gabriel Gabriel of Lebanon, 2018-03-08 God is everywhere He has chosen to reveal Himself in our modern age when humanity's faith in His love seems to be disappearing from the world He sent His archangel Gabriel the protector of children and the keeper of knowledge to remind us the God is with all of us within each of us and evidence for his existence is all around us The Way of Gabriel is his revelation through me a sinner servant and mere mortal as a conduit who heard His calling and I could not ignore He calls to each of us to close our mouths so we may finally hear All who have ears to hear should hear The Way of Gabriel is a spiritual journey that takes the reader who can be from across different faiths and experiences from a place of darkness uncertainty and the perception of being lost to a place as a New Child of God In today's global torment of ever increasing chaos as well as the growing trend away from God's Word The Way of Gabriel is a revelation to all mankind to remind us that we are all God's Children and that God is within all of us for we are not simply animals living for the moment who have lost all faith in something bigger than ourselves This is for those who have lost their way who long for spiritual and philosophical enlightenment as God as their center who yearn to recapture their faith in the Lord God that He and His Word guide our path in a world steeped in noise and tumult The Way is for those who seek the Quiet of the Lord in the Light Mind and want to protect themselves from all that distracts them from hearing the Word within ourselves Many paths lead to the Way but the Way is the path to the Lord and the Way wakes the beautiful more beautiful
