

The background of the book cover is a religious painting. On the left, a large crowd of people is gathered, with a central figure wearing a red robe and a halo, possibly Jesus, gesturing towards them. In the background, a large, ornate building with a dome is visible. On the right, another crowd of people is shown, with a figure in a red robe and halo, possibly Jesus, standing among them. The overall style is reminiscent of a religious fresco or tapestry.

*The Gospels in Our Image* David Curzon, 1995      *Teaching the Bible through Popular Culture and the Arts* Mark Roncace, Patrick Gray, 2012-11-01 This resource enables biblical studies instructors to facilitate engaging classroom experiences by drawing on the arts and popular culture It offers brief overviews of hundreds of easily accessible examples of art film literature music and other media and outlines strategies for incorporating them effectively and concisely in the classroom Although designed primarily for college and seminary courses on the Bible the ideas can easily be adapted for classes such as Theology and Literature or Religion and Art as well as for nonacademic settings This compilation is an invaluable resource for anyone who teaches the Bible      **The Encyclopedia of Christian Literature** George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles      Gospel as Work of Art David Brown, 2024-03-07 A lushly illustrated magisterial exploration of the imaginative truth of the gospel In the modern academy truth and imagination are thought to be mutually exclusive But what if truth can spring from other fonts like art literature and invention The legacy of the Enlightenment favors historical and empirical inquiry above all other methods for searching for truth But this assumption constrains our theological explorations Though the historicity of Jesus s life death and resurrection is important it is not the only thing that matters For instance is John s Gospel any less true than the Synoptics just because it s less historically accurate David Brown challenges us to expand our understanding of the gospel past source criticism and historical Jesus studies to include works of imagination Reading Scripture in tandem with works of art throughout the centuries Brown reenvisions the gospel as an open text Scholars of theology and biblical studies freed from literalism will find new avenues of revelation in *Gospel as Work of Art* This volume includes over one hundred color illustrations      Gospel Midrashim Ken Bazyn, 2013-06-21 Steeped in the great tradition of Christian poetry Bazyn offers a series of startling and highly personal interactions with the Four Gospels to break open Jesus teachings and symbolic acts for our everyday lives His vivid allusive poems with references to literature theology spirituality liturgy ethics history saints lives and legend are loosely arranged around episodes in Christ s exceptional life as the Nativity

the coming of the Magi the parables the raising of Lazarus the transfiguration the crucifixion the resurrection the ascension Some pieces are meant to be serious and reflective others light and satirical some are modern and concrete others abstract and universal some are hortatory others didactic a few confessional a few incandescent celebrations Like David s Psalter they represent the kaleidoscope of moods symptomatic of our humanity Via fetching images Bazyn seeks to entangle you in the reality which is Christ that true artesian well for our confused and wandering souls Drawing on the best of Orthodox Catholic and Protestant thought this is a genuine gift to the global church Wide ranging in its uses it sits at the boundary of literature and spirituality Furthermore it includes footnotes to scriptures and a Scripture index to enhance your meditation

**When Jesus Came to Harvard** Harvey Cox,2004 Examines the stories of Jesus from a modern perspective to demonstrate how his parables and teachings can bridge the gap between the ancient and modern world to serve as contemporary guidelines for leading a moral life

The Columbia Granger's Index to Poetry in Anthologies Tessa Kale,2007 For over a hundred years The Columbia Granger s Index to Poetry in Anthologies has been the preeminent index for answers to questions about the world of poetry identifying the author of a poem or the anthologies in which it can be found when only a title first line or last line is known This latest edition a must have for libraries brings its index up to date as of May 31 2006 This latest version features 85 000 classic and contemporary poems by 12 000 poets Also included are works in translation and for the first time poetry in Spanish Vietnamese and French The subject organization of the poems is especially useful Hundreds of new subjects have been added indexing poems on highly relevant topics such as Osama bin Laden the war in Iraq Dick Cheney the Internet and Rosa Parks as well as timeless subjects like the Bill of Rights unspoken love faith and inspiration Our impressive team of consultants includes J D McClatchy Harvey Shapiro and former poet laureate Mark Strand From The Norton Anthology of Poetry 2005 edition to Poetry after 9 11 and Garrison Keillor s Good Poems this new edition puts readers in touch with the best of the latest anthologies and the lasting favorites

*The Feminine Spirit* Lynne Bundesen,2007-03-30 Using a variety of analytical and descriptive tools this nondenominational innovative and solid approach to the Bible goes deeply into biblical text to uncover new insights about who God is It provides a fresh and insightful way for women to read the Bible outside the patriarchal framework that has predominated going beyond stereotypes and male centered traditional teachings to illuminate how women can better relate both to the Bible and to God

The Columbia Granger's Index to Poetry in Anthologies ,2007

*A Light Blazes in the Darkness* Theresa Coleman,2005-11-01 This advent devotional book comes from an unusual source a group of women who keep Web Logs discerning women clergywomen and their friends who call themselves the RevGalBlogPals webring <http://revgalblogpals.blogspot.com> The RevGalBlogPals webring is a circle of friends who span across denominations and countries to form an intentional community We laugh pray and grow together as clergy as Christians and as women These are our reflections on the season of Advent and are based loosely on Year B of the Revised Common Lectionary The proceeds for this book will go to hurricane relief efforts along the US gulf coast

Paul

and the Ancient Celebrity Circuit James R. Harrison, 2019-11-18 In this study James R Harrison compares the modern cult of celebrity to the quest for glory in late republican and early imperial society He shows how Paul's ethic of humility based upon the crucified Christ stands out in a world obsessed with mutual comparison boasting and self sufficiency Eustache Deschamps Deborah M. Sinnreich-Levi, Ian S. Laurie, 2004-03-01 Eustache Deschamps studied under the tutelage of Guillaume de Marchault traveled in Syria Palestine and Egypt where he was said to have been made a slave and eventually become recognized as one of the great French medieval poets He was the first writer to dissociate lyric poetry from its musical setting and his witty perceptions comment on nearly all aspects of daily life from women's underwear to gluttonous diners from praise of famous writers to scorn for the unscrupulous of all ranks from the delights of youth to the horrors of war This volume provides facing page dual language translations of Deschamps engaging amusing and accessible poems gleaned from the mountains of verse the poems gleaned from the mountains of verse the most edifying and historically relevant Copious notes glossaries and a full bibliography enhance this elegant translation *Religion and Literature* Robert Detweiler, David Jasper, 2000-01-01 Featuring a selection from over 80 key texts this anthology aims to help the reader to understand the common origins of religious expression and of literature The texts included cover classical literature the Bible English and European classics and contemporary works **Prayer From Alexander To Constantine** Mark Kiley, 2013-11-19 Prayer From Alexander To Constantine presents a diverse selection of prayer chosen by over 40 different historians all specialists in their respective areas of Graeco Roman literature This collaboration gives the book a range and depth that no individual author could hope to rival Each selection includes an introductory essay followed by a new English translation of the prayer accompanied by critical notes and biography In this way the reader is able to gain an insight into the variety of subjects and styles involved in people's communications with their gods in antiquity The volume will be a key text for students engaged in courses which explore the period's history and theologies There is no comparable anthology available in English The volume will also be of value to the general reader interested in the history of this period and anyone interested in the forms of prayer **Paul's World** Stanley E. Porter, 2008-01-31 This volume is concerned with Paul's world The major question to ask is what is that world of Paul In determinable ways Paul's world is everything in the world in which Paul lived and acted and hence virtually everything that Paul did In other words Paul's world can be defined macrocosmically and microcosmically As the term is defined in the various essays in this volume Paul's world includes the surrounding environment in which Paul functioned including its various religious social cultural literary rhetorical linguistic and related phenomena This volume treats some of the most important and germane factors that went into making up the world in which Paul lived and that consequently defined who he was and became *The ESV and the English Bible Legacy* Leland Ryken, 2011-11-02 Modern Bible translations are at a crossroads as multiple translation philosophies argue that Bible translations ought to be done a certain way So who's right And what has been the historic view of English Bible translators

Leland Ryken an expert on the literature of the Bible brings clarity to questions of how modern Bible translations should be viewed in their historical context He begins by tracing the history of English Bible translation from William Tyndale to the King James Bible outlining important distinctions In the view of these historic translators there is a right way and a wrong way to translate the Bible Ryken concludes that essentially literal Bible translations best adhere to the legacy of classic English Bible translation He contends that the English Standard Version is a true heir of this classical stream and concludes with an argument on why the ESV can serve as the translation of choice for Christians in all walks of life This book will be a great resource for Christians who have questions about why we have different Bible translations and how to choose between them

**Disrupted** Julie Anderson Love, 2011-06-15 I should not be writing this I had a malignant brain tumor I had an extremely malignant brain tumor By all medical statistics I should be dead Last time I checked dead people don't write So begins Julie Anderson Love's memoir It is the funny horrifying compelling story of her battle with an extremely malignant brain tumor The good news is she survived the scary news is according to medical statistics and prognoses she wasn't supposed to Her book is not just a How To Be The Patient From Hell although one could read it for that it is the story of a woman of faith who believes in a loving God who faces the possibility of her imminent death As one reader described it This is a fully realized story of faith the dissolution of faith and the redefinition of faith As she battles the tumor and as the reader travels the journey with her she takes God to task Using biblical reflections theological and philosophical deliberations journal writings and sermons she'd written she's been a Presbyterian pastor for over twenty years she ponders the nature of God's power miracles and forgiveness *Disrupted* will make you laugh and cry It will compel you to think deeply about the nature of God the experience of being alive and what it means to forgive Library Journal, 1995 Catholic Identity and the Laity Tim Muldoon, 2009 This work features original essays which explore the role of the laity within the Catholic Church and the nature of Catholic identity *Subject Guide to Books in Print*, 1993
