Decoding the Antichrist and the End Times Mark Biltz, 2019 Will the real Antichrist please stand up For the last two thousand years people have been anxiously trying to analyze who the Antichrist might be and when he might be revealed Many people have made preposterous claims and of course they have been wrong If you're not careful you can get caught up in the debate and spend so much time arguing with other Christians over the details that you don't accomplish anything for the kingdom To make matters worse we now live in an era when for the first time we have the possibility of an artificial intelligence Antichrist a human computer hybrid that will demand to be worshipped Have you ever wondered if it's OK to have Alexa Siri and other forms of artificial intelligence in your home We know that the Bible says great deception is coming so what is a concerned believer to do Author and minister Mark Biltz wants you to understand the methods of the Antichrist so you won't be deceived This book will help you know the big picture of what has happened historically what is unfolding this very moment and what the future holds concerning the Antichrist based on the unfolding purposes of God **Echoes from Egypt; Or, The Type of Antichrist** William John Groves (M.A.), 1857 *The Antichrist and the Second Coming* Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i.e. past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11:7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67-70 cf Dan 9:26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17:8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph.D. in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years
