Kathleen Glenn,2017-09-25 Women s Narrative and Film in 20th Century Spain examines the development of the feminine cultural tradition in spain and how this tradition reshaped and defined a Spanish national identity Each chapter focuses on representation of autobiography alienation and exile marginality race eroticism political activism and feminism within the ever changing nationalisms in different regions of Spain The book describes how concepts of gender and difference shaped the individual collective and national identities of Spanish women and significantly modified the meaning and representation of female sexuality    Escribiendo historias Juan José Hoyos,2003 Periodismo y narraci n La inmersi n Problemas del arte y el oficio de narrar Las formas narrativas en el periodismo La formaci n del narrador      **Escribir la catalanidad** Stewart King,2005 This study explores the interaction of language culture and identity in contemporary Catalonia and rejects the exclusion of Castilian as a language capable of expressing Catalan ness This study charting the construction of a Catalan identity from the nineteenth century cultural renaissance until the present day explores the interaction of language culture and identity in contemporary Catalonia Drawing on postcolonial and multicultural literary theories it argues that Castilian and Catalan language narratives are expressions of the same culture Through detailed analyses of texts by Terenci Moix Francisco Candel Ignasi Riera Montserrat Roig Juan Mars Ramon Pallic and Manuel V zquez Montalb n among others the author demonstrates that such writers share similar preoccupations and points of view and also engage in a complex literary and cultural dialogue that cuts across the established linguistic divisions that characterise cultural politics in Catalonia The Catalan literary establishment s exclusion of Castilian as a language capable of expressing Catalan ness ischallenged and the author proposes redefining traditional understandings of Catalan literature to take into account texts produced by all members of Catalan society Stewart King is a lecturer in Hispanic Studies at Monash University Australia

Josefina Aldecoa were clearly aligned with the Republic whereas others including Mercedes Salisachs and Liberata Masoliver sympathized with the Nationalists Most however are situated in a more ambiguous political space although the ethics and character portraits that emerge in their works might suggest Republican sympathies Taken together the essays are an important contribution to scholarship on literature inspired by this pivotal point in Spanish history
