El Hermano Sandino:

Sandino's Communism Donald C. Hodges, 2014-02-01 Drawing on previously unknown or unassimilated sources Donald C Hodges here presents an entirely new interpretation of the politics and philosophy of Augusto C Sandino the intellectual progenitor of Nicaragua's Sandinista revolution The first part of the book investigates the political sources of Sandino's thought in the works of Babeuf Buonarroti Blanqui Proudhon Bakunin Most Malatesta Kropotkin Ricardo Flores Magón and Lenin a mixed legacy of pre Marxist and non Marxist authoritarian and libertarian communists The second half of the study scrutinizes the philosophy of nature and history that Sandino made his own Hodges delves deeply into this philosophy as the supreme and final expression of Sandino's communism and traces its sources in the Gnostic and millenarian occult undergrounds This results in a rich study of the ways in which Sandino's revolutionary communism and communist spirituality intersect a spiritual politics that Hodges presents as more realistic than the communism of Karl Marx While accepting the current wisdom that Sandino was a Nicaraguan liberal and social reformer Hodges also makes a persuasive case that Sandino was first and foremost a communist although neither of the Marxist nor anarchist variety He argues that Sandino's eclectic communist spirituality was more of an asset than a liability for understanding the human condition and that his spiritual politics promises to be more relevant than Marxism Leninism for the twenty first century Indeed Hodges believes that Sandino's holistic communism embraces both deep ecology and feminist spirituality a finding that is sure to generate lively and productive debate

Sandino's Nation Stephen Henighan, 2014-04-01 Ernesto Cardenal and Sergio Ramírez are two of the most influential Latin American intellectuals of the late twentieth and early twenty first centuries Addressing Nicaragua's struggle for self definition from divergent ethnic religious generational political and class backgrounds they constructed distinct yet compatible visions of national history anchored in a reappraisal of the early twentieth century insurgent leader Augusto César Sandino During the Sandinista Revolution of 1979-90 Cardenal appointed Nicaragua's minister of culture became one of the most provocative and internationally recognized figures of liberation theology while Ramírez a member of the revolutionary junta and later elected vice president of Nicaragua emerged as an authoritative figure for third world nationalism But before all else the two were groundbreaking creative writers Through a close reading of the works by Nicaragua's best known and most prolific modern authors Sandino's Nation studies the construction of Nicaraguan national identity during three distinct periods of the country's recent history before during and after the 1979-90 revolution Stephen Henighan offers rigorous textual analyses of poems memoirs essays and novels interwoven with a sharply narrated history of Nicaragua The only comprehensive study of the careers of Cardenal and Ramírez Sandino's Nation is essential to understanding transformations to both Nicaragua and the role of the writer in Latin America

Nicaraguan poetry was essential to the victory of the Nicaraguan Revolution write John Beverley and Marc Zimmerman In our own postmodern North American culture we are long past thinking of literature as mattering much at all in the real world so how could this be This study sets out to answer that question by showing how literature has been an agent of the revolutionary process in Nicaragua El Salvador and Guatemala The book begins by discussing theory about the relationship between literature ideology and politics and charts the development of a regional system of political poetry beginning in the late nineteenth century and culminating in late twentieth century writers In this context Ernesto Cardenal of Nicaragua Roque Dalton of El Salvador and Otto Ren Castillo of Guatemala are among the poets who receive detailed attention El verdadero Sandino Anastasio Somoza,1976 **La Noticia ilustrada** ,1928 **América Latina y Estados Unidos** James D.
