Eisenhower And The Management Of Prosperity Studies In Government And Public

Mike Jess

Eisenhower And The Management Of Prosperity Studies In Government And Public:

Eisenhower and the Management of Prosperity John W. Sloan, 1991 Three years out of eight President Eisenhower achieved a balanced budget

Public Budgeting and Finance, Fourth Edition, Robert T. Golembiewski, 1997-06-09 This incomparable Fourth Edition of a standard reference text has been thoroughly updated and enlarged offering comprehensive coverage of the field in a single source and incorporating entirely new as well as time tested material

A Companion to Dwight D. Eisenhower Chester J. Pach, 2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

Spaceflight and the Myth of Presidential Leadership Roger D. Launius, Howard E. McCurdy, 1997 Setting the tone for the collection NASA chief historian Roger D Launius and Howard McCurdy maintain that the nation s presidency had become imperial by the mid 1970s and that supporters of the space program had grown to find relief in such a presidency which they believed could help them obtain greater political support and funding Subsequent chapters explore the roles and political leadership vis vis government policy of presidents Eisenhower Kennedy Johnson Nixon Ford Carter and Reagan

The Politics of Major Policy Reform in Postwar America Jeffery A. Jenkins, Sidney M. Milkis, 2014-10-31 The Politics of Major Policy Reform in Postwar America examines the politics of recent landmark policy in areas such as homeland security civil rights health care immigration and trade and it does so within a broad theoretical and historical context By considering the politics of major programmatic reforms in the United States since the Second World War specifically courses of action aimed at dealing with perceived public problems a group of distinguished scholars sheds light not only on significant efforts to ameliorate widely recognized ills in domestic and foreign affairs but also on systemic developments in American politics and government In sum this volume provides a comprehensive understanding of how major policy breakthroughs are achieved stifled or compromised in a political system conventionally understood as resistant to major change

Eisenhower P G. Boyle, 2015-11-17 Eisenhower is the president who established America as a superpower He had already launched his reputation as the leading US military figure in the Second World War and then as supreme commander of the land forces of the newly created NATO This book looks at how Eisenhower held power in the political field and to what extent his political career was a success This text is ideal for undergraduate courses in 20th

Century American History and American Studies **Book Review Digest** ,1992 *The Power Problem* Christopher A. Preble,2011-05-15 Numerous polls show that Americans want to reduce our military presence abroad allowing our allies and other nations to assume greater responsibility both for their own defense and for enforcing security in their respective regions In *The Power Problem* Christopher A Preble explores the aims costs and limitations of the use of this nation s military power throughout he makes the case that the majority of Americans are right and the foreign policy experts who disdain the public s perspective are wrong Preble is a keen and skeptical observer of recent U S foreign policy experiences which have been marked by the promiscuous use of armed intervention He documents how the possession of vast military strength runs contrary to the original intent of the Founders and has as they feared shifted the balance of power away from individual citizens and toward the central government and from the legislative and judicial branches of government to the executive In Preble s estimate if policymakers in Washington have at their disposal immense military might they will constantly be tempted to overreach and to redefine ever more broadly the national interest Preble holds that the core national interest preserving American security is easily defined and largely immutable Possessing vast military power in order to further other objectives is he asserts illicit and to be resisted Preble views military power as purely instrumental if it advances U S security then it is fulfilling its essential role If it does not if it undermines our security imposes unnecessary costs and forces all Americans to incur additional risks then our military power is a problem one that only we can solve As it stands today Washington s eagerness to maintain and use an enormous and expensive military is corrosive to contemporary American democracy **Beyond the Broker State** Jonathan J. Bean,2002-03-01 Focusing on anti chain store legislation beginning in the 1930s and on the establishment of federal small business agencies in the 1940s and 1950s Jonathan Bean analyzes public policy toward small business *Beyond the Broker State* challenges the long accepted definition of politics as the interplay of organized interest groups mediated by a broker state *Taxation and Resentment* Andrea Louise Campbell,2025-06-10 Why Americans favor progressive taxation in principle but not in practice Most Americans support progressive taxation in principle and want the rich to pay more But the specific tax policies that most favor are more regressive than progressive What is behind such a disconnect In this book Andrea Louise Campbell examines public opinion on taxation exploring why what Americans favor in principle differs from what they accept in practice Campbell shows that since the federal income tax began a century ago the rich have fought for lower taxes through reduced rates and a complicated system of tax breaks The resulting complexity leaves the public confused about who benefits from the convoluted tax code and leads to tax preferences that are driven by factors other than principles or interests Campbell argues that tax attitudes vary little by income or by party as some Democrats more Republicans and even more independents want most taxes decreased Instead white opinion on nearly every tax is racialized Many do not realize the rich benefit the most from tax breaks attitudes toward which are racialized too And among Black and Hispanic Americans long subject to government coercion greater support for

government spending is not matched by greater support for taxation Everyone has a reason to dislike taxes which helps antitax Republicans win votes and helps the rich in their long campaign to get their own taxes reduced and undermine progressivity

The Papers of Dwight David Eisenhower Louis Galambos, Daun Van Ee, 2003-04-30 The final set of volumes Vol 18 21 sold separately of The Papers of Dwight David Eisenhower contain 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 Completing a monumental project that began with publication of The War Years in 1970 this final set of volumes of The Papers of Dwight David Eisenhower contains 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 In these years Eisenhower worked hard to hold the focus of American national politics on the two major objectives he had set for his presidency in 1952 to sustain the policy of containment without precipitating a war with the Soviet Union and to reduce the role of the federal government in U S domestic affairs In both cases events at home and abroad intruded diverting attention to immediate problems endangering the peace and forcing the White House to devote most of its leadership to the crises of the day As president during this tense period Eisenhower maintained an extensive and revealing correspondence with prominent individuals as well as with personal friends These letters together with the occasional entries made in his diary shed considerable light upon the major national concerns of the 1950s The volumes also include private and secret correspondence previously unavailable to scholars Some of these items have been only recently declassified and many appear here in print for the first time Taken as a whole the Eisenhower papers from 1957 61 provide firm documentary evidence of the manner in which Eisenhower dealt with the complex internal and external problems faced by all of our modern political leaders

The Eisenhower Years Michael S. Mayer, 2009 The 34th U S president to hold office Dwight D Eisenhower won America over with his irresistible I like Ike slogan Bringing to the presidency his prestige as a commanding general during World War II he worked incessantly during his two terms to ease the tensions of the cold war Pursuing the moderate policies of Modern Republicanism he left a legacy of a stronger and more powerful nation From his crucial role in support of Brown v Board of Education to the National Defense Education Act The Eisenhower Years provides a well balanced study of these politically charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration

A Practical Introduction to Homeland Security and Emergency Management Bruce Oliver Newsome, Jack A. Jarmon, 2015-09-24 A Practical Introduction to Homeland Security and Emergency Management From Home to Abroad serves as an extremely versatile useful and timely addition to the homeland security field Jason Levy Virginia Commonwealth University A Practical Introduction to Homeland Security and Emergency Management From Home to Abroad offers a comprehensive overview of the homeland security field examining topics such as

counter terrorism border and infrastructure security and emergency management Authors Bruce Newsome and Jack Jarmon take a holistic look at the issues and risks their solutions controls and countermeasures and their political and policy implications They also demonstrate through cases and vignettes how various authorities policymakers and practitioners seek to improve homeland security The authors evaluate the current practices and policies of homeland security and emergency management and provide readers with the analytical framework and skills necessary to improve these practices and policies
