Peabody Institute. Library, 1889 From Over the Border Vernon Monroe McCombs, 1925 Refusing the Favor Deena J. Gonzalez, 2001-05-03 Refusing the Favor tells the little known story of the Spanish Mexican women who saw their homeland become part of New Mexico A corrective to traditional narratives of the period it carefully and lucidly documents the effects of colonization looking closely at how the women lived both before and after the United States took control of the region Focusing on Santa Fe which was long one of the largest cities west of the Mississippi Deena Gonz lez demonstrates that women's responses to the conquest were remarkably diverse and that their efforts to preserve their culture were complex and long lasting Drawing on a range of sources from newspapers to wills deeds and court records Gonz lez shows that the change to U S territorial status did little to enrich or empower the Spanish Mexican inhabitants The vast majority in fact found themselves quickly impoverished and this trend toward low paid labor particularly for women continues even today Gonz lez both examines the long term consequences of colonization and draws illuminating parallels with the experiences of other minorities Refusing the Favor also describes how and why Spanish Mexican women have remained invisible in the histories of the region for so long It avoids casting the story as simply bad Euro American migrants and good local people by emphasizing the concrete details of how women lived It covers every aspect of their experience from their roles as businesswomen to the effects of intermarriage and it provides an essential key to the history of New Mexico Anyone with an interest in Western history gender studies Chicano a studies or the history of borderlands and colonization will find the book an invaluable resource and guide **Bibliotheca Americana, 1893** Clarke, firm, booksellers, Cincinnati, 1893 **Sea la Luz** Juan Francisco Martínez, 2006 Mexican Protestantism was born in the encounter between Mexican Catholics and Anglo American Protestants after the United States ventured into the Southwest and wrested territory from Mexico in the early nineteenth century In Sea la Luz Juan Francisco Martinez traces the birth and initial development of this ethno religious community brought through the westward expansion of the United States Using the records of Protestant missionaries he uncovers the story of Mexican converts and the churches they developed Those same records reveal Protestant attitudes toward the war with Mexico the conquest of the Southwest and the Mexican population that became U S citizens with the signing of the Treaty of Guadalupe Hidalgo 1848 **BOOK JACKET** **Política** Felipe Gonzales, 2016 Pol tica offers a stunning revisionist understanding of the early political incorporation of Mexican origin peoples into the U S body politic in the nineteenth century Historical sociologist Phillip B Gonzales reexamines the fundamental issue in New Mexico's history namely the dramatic shift in national identities initiated by Nuevomexicanos when their province became ruled by the United States Gonzales provides an insightful rigorous and controversial interpretation of how Nuevomexicano political competition

was woven into the Democratic and Republican two party system that emerged in the United States between the 1850s and 1912 when New Mexico became a state Drawing on newly discovered archival and primary sources he explores how Nuevomexicanos relied on a long tradition of political engagement and a preexisting republican disposition and practice to elaborate a dual party political system mirroring the contours of U S national politics Pol tica is a tour de force of political history in the nineteenth century U S Mexico borderlands that reinterprets colonization reconstructs Euro American and Nuevomexicano relations and recasts the prevailing historical narrative of territorial expansion and incorporation in North American imperial history Gonzales provides critical insights into several discrete historical processes such as U S racialization and citizenship integration and marginalization accommodation and resistance internal colonialism and the long struggle for political inclusion in the borderlands shedding light on debates taking place today over Latinos and U S citizenship
