

In 1968 PAUL R. EHRLICH published **THE POPULATION BOMB**—warning us that without Zero Population Growth there would be no progress in the struggle for clean air, pure water, adequate food untainted by pesticide poisoning, and life in decent, uncrowded shelters.

And within a few short years America reached the seemingly impossible goal of the two-child family.

Now **THE END OF AFFLUENCE** is at hand, with rising prices and food and energy scarcities. EHRLICH predicts a growing defection from the American Way Of Consumption—a movement whose leadership will not come from our established institutions, business corporations or government, but from ourselves.

# THE END OF AFFLUENCE

contains a broad range of money-saving options—in home heating, dietary planning and mass rational transportation—that will help you adapt to the era of limited resources.

One price only

THE END OF AFFLUENCE PAUL R. EHRLICH

# End Of Affluence A Blueprint For Your Future
