Hancock, 2012-07 In 2011 the LSU Tigers were one of the best teams in all of college football capturing the program s 11th SEC championship and earning a spot in the BCS title game against the Alabama Crimson Tide capturing the hearts of people in and around Baton Rouge and New Orleans However a cast of characters as well as a memorable friendship tied around the 2011 LSU season are all part of Say Goodnight Cassie The magical and unsung story of LSU s Perfect Regular Season Written by LSU fan and college football writer Ryne E Hancock the story of the 2011 LSU season is told through the eyes of the fans and the media members who covered the team as well as focuses on themes of friendships and faith wrapped around a season like no other **Sanctioned Savagery** Michael Oriard, 2025-09-09 American football was a violent sport from its beginning as a college game in the 1870s and 1880s in part because learning how to deal with the pain and violence to take it made men out of college boys Michael Oriard former NFL linebacker and professor emeritus of English shows us that this fundamental belief persisted for more than a century until signs of chronic traumatic encephalopathy CTE were found in Pittsburgh Steelers center Mike Webster s brain Suddenly the cost of taking it could mean long term damage not just to the body but also to the brain Without anyone knowing it that risk had soared since the 1950s and 1960s when the hardshell plastic helmet became the primary weapon for

blocking and tackling as taught by a new generation of college coaches led by the University of Alabama's Bear Bryant. In this cultural history of football at nearly all levels high school college and pro Oriard traces the perennial tension between health and culture regarding football as reflected in what the public read in newspapers magazines and online. Through examining how we once felt and how we now feel about the game Oriard challenges us to grapple with the possibility that football might be too violent in an intolerable way.

Five Laterals and a Trombone Tyler Bridges, 2022-11-15 In conjunction with the 40th anniversary of The Play a thrilling and nuanced chronicle of college football's most unforgettable ending. The wildest finish ever to a college football game occurred when five laterals on the final kickoff ended with a sprint through the opposing team's marching band prematurely in celebration on the field for the winning touchdown. It was 21 seconds of action so unfathomable it has become known simply as The Play. Five Laterals and a Trombone captures the madcap story as it developed in November 1982 tracing the ups and downs mood swings and hijinks surrounding the 85th Big Game between the University of California at Berkeley and Stanford University. Journalist Tyler Bridges has deftly reconstructed the pivotal moments and resulting lore thanks to hundreds of interviews with all the key figures on both sides of the rivalry including players coaches referees and stadium personnel. Among the memorable characters are Stanford star quarterback John Elway Cal linebacker Ron Rivera the final lateral receiver Kevin Moen and the immortalized Cardinal trombone player Gary Tyrrell. The Play was not televised live. There was no instant replay let alone a viral video. In 1982 Steve Wozniak and Steve Jobs who had founded Apple Computer Company in a garage only 10 miles from the Stanford campus were just developing the first personal computers. It took hours for news of the rivalry game's outcome to spread across the country yet football fans would remain enthralled by the bizarre sequence for decades to come. Readers will be transported onto the field and inside the huddle in this definitive history of college football's ultimate oddity.

Game of My Life San Francisco 49ers Dennis Georgatos, 2013-09-01 Some of the games described in this unique book involve championships while others seem ordinary save for extraordinary personal meaning. In each case it is the legendary 49ers player who singles out the game the moment in time that to him is the most defining of his professional football career. Each player has his own unique story but together they weave a tapestry of pro football and 49ers history in San Francisco. In Game of My Life San Francisco 49ers Roger Craig Steve Young and Jerry Rice recount their respective Super Bowl experiences. John Brodie Garrison Hearst R C Owens and Frank Gore are just a few of the players past and present who also offer their firsthand accounts. The book provides an in-depth look into the men and games that helped develop the five-time champions into becoming one of the most successful teams in NFL history.
