Endangered Extinct Animals:

Threatened, Endangered, and Extinct Species Wendell Rhodes, 2016-12-15 We share the planet with millions of plants and animals. Sometimes human behavior can harm them. This title introduces readers to the plants and animals that are now classified as threatened, endangered, and extinct. Readers will learn about the threats and dangers these species face or once faced and the consequences that follow. Important concepts such as conservation and protection are explored in this title, which will help readers understand people's role in helping threatened and endangered species. Age appropriate text and colorful photographs make this high interest topic accessible for young readers. **Animals on the Verge of Extinction**

Karen O'Connor, 2013-08-01 In this book, readers discover what people and governments are doing to protect endangered species and their habitats. **The Endangered Species Problem** Daniel R. Faust, 2021-07-15 In 2018, three species of birds went extinct. These species are gone forever, and many more species of plants and animals are in danger of going extinct every year. Scientists estimate that almost half of the species on Earth could be extinct by 2050. This volume looks at the issue of endangered species and the impact that human activity has on the many plants and animals that share our planet. Colorful photographs, primary sources, and helpful graphics illustrate the conservation efforts made by scientists and lawmakers around the world. This book will encourage your young readers to take an active role in solving this problem. **Endangered**

Animals Ben Hoare, Tom Jackson, 2010-09 Bestselling reference for today's internet generation. Endangered Animals now available in ebook PDF format. There are thousands of endangered animals across the world, and not only in far away climates; some are in our own backyard. Endangered Animals covers them all, from snow leopards to golden toads, detailing why they are dying out and what we can do to save them. They'll discover more by browsing the dedicated Eyewitness website. Then use the giant pull-out wallchart to decorate their room. Great for projects or just for fun, make sure your child learns everything they need to know about endangered animals. **DK Eyewitness Books: Endangered Animals** Ben

Hoare, 2010-08-16 Eyewitness Endangered Animals takes a look at creatures around the world that are currently threatened with extinction, along with the ways that we can help them survive. Endangered and Extinct Animals of the Forest Michael Bright, 2001 Briefly describes a variety of animals, including lemurs, apes, and monkeys, parrots, and elephants, which are endangered or already extinct as a result of man's destruction of their forest habitats or man's poaching and hunting.

Animals Lost and Found Jason Bittel, 2022-09-13 A beautiful ebook of extinct and endangered creatures with information on when, why, how, and what we can do about it. This beautifully illustrated ebook will shine a spotlight on animals throughout history and in the present: animals lost to extinction, animals we thought we'd lost but have found, and animals that are the focus of conservation efforts all over the world. *Animals Lost and Found* gives information about extinction events and the different possible causes of extinction, natural as well as human-made, and discusses how it may relate to the world today in an easily understood way. The ebook also includes information on all the incredible work that is happening around the world.
