Endless Brutality War Crimes In Chechnya:

Endless Brutality Physicians for Human Rights (U.S.),2001 Terror in Chechnya Emma Gilligan,2013-12-01 A riveting history of Russia's crimes in Chechnya Terror in Chechnya is the definitive account of Russian war crimes in Chechnya Emma Gilligan provides a comprehensive history of the second Chechen conflict of 1999 to 2005 revealing one of the most appalling human rights catastrophes of the modern era one that has yet to be fully acknowledged by the international community Drawing upon eyewitness testimony and interviews with refugees and key political and humanitarian figures Gilligan tells for the first time the full story of the Russian military's systematic use of torture disappearances executions and other punitive tactics against the Chechen population In Terror in Chechnya Gilligan challenges Russian claims that civilian casualties in Chechnya were an unavoidable consequence of civil war She argues that racism and nationalism were substantial factors in Russia's second war against the Chechens and the resulting refugee crisis She does not ignore the war crimes committed by Chechen separatists and pro Moscow forces Gilligan traces the radicalization of Chechen fighters and sheds light on the Dubrovka and Beslan hostage crises demonstrating how they undermined the separatist movement and in turn contributed to racial hatred against Chechens in Moscow A haunting testament of modern day crimes against humanity Terror in Chechnya also looks at the international response to the conflict focusing on Europe's humanitarian and human rights efforts inside Chechnya

War crimes and politics of terror in Chechnya 1994-2004 Laurence Binet,2016-06-02 The War crimes and politics of terror in Chechnya 1994 2004 case study describes the constraints questions and dilemmas experienced by MSF while speaking out during the two Russian Chechen wars and the following years of normalization Was speaking out the right thing to do with regard to Russia a power with a veto at the UN Security Council and a tradition of propaganda control of the public arena Was it realistic to rely on raising the awareness of other UN member states via their public's opinion In a context of terror when dealing with a regime in denial of the reality of a conflict was it useful and was it up to MSF to call for having this situation qualified as war Should MSF take into account the possibility of a causal link between instances of its public speaking out and the security incidents involving its staff When one of its staff members was taken hostage should MSF speak out in the media to create visibility that affords him/her some protection or conversely remain as discrete as possible so as to avoid a rise in his/her market value Should MSF publically point out responsibilities negligence or even complicity of the government on which soil the kidnapping had occurred thereby taking active steps to secure the hostage's release or should it refrain from such a discourse so as to avoid the opposite effect Should MSF continue to publically denounce the violence inflicted on people in the region at the risk of radicalising those parties to the conflict responsible for the kidnapping and place the hostage's life in danger *Who is Responsible?* Stanislav Mihajlovič Dmitrievskij,Oksana Anatol'evna Čelyševa,Bogdan Isaevič Gvareli,2009

A Small Corner of Hell Anna Politkovskaya,2008-11-15 Chechnya a 6 000 square mile corner of the northern Caucasus

has struggled under Russian domination for centuries The region declared its independence in 1991 leading to a brutal war Russian withdrawal and subsequent governance by bandits and warlords A series of apartment building attacks in Moscow in 1999 allegedly orchestrated by a rebel faction reignited the war which continues to rage today Russia has gone to great lengths to keep journalists from reporting on the conflict consequently few people outside the region understand its scale and the atrocities described by eyewitnesses as comparable to those discovered in Bosnia committed there Anna Politkovskaya a correspondent for the liberal Moscow newspaper Novaya gazeta was the only journalist to have constant access to the region Her international stature and reputation for honesty among the Chechens allowed her to continue to report to the world the brutal tactics of Russia's leaders used to quell the uprisings A Small Corner of Hell Dispatches from Chechnya is her second book on this bloody and prolonged war More than a collection of articles and columns A Small Corner of Hell offers a rare insider's view of life in Chechnya over the past years Centered on stories of those caught literally in the crossfire of the conflict her book recounts the horrors of living in the midst of the war examines how the war has affected Russian society and takes a hard look at how people on both sides are profiting from it from the guards who accept bribes from Chechens out after curfew to the United Nations Politkovskaya's unflinching honesty and her courage in speaking truth to power combine here to produce a powerful account of what is acknowledged as one of the most dangerous and least understood conflicts on the planet Anna Politkovskaya was assassinated in Moscow on October 7 2006 The murder of the journalist Anna Politkovskaya leaves a terrible silence in Russia and an information void about a dark realm that we need to know more about No one else reported as she did on the Russian north Caucasus and the abuse of human rights there Her reports made for difficult reading and Politkovskaya only got where she did by being one of life's difficult people Thomas de Waal Guardian

Subjugate Or Exterminate! Akhmed Zakaev, 2018 Foreword by Luke Harding Subjugate or Exterminate is an authoritative first hand account of the Russo Chechen conflict by a Chechen leader who played a central role in all the main events Akhmed Zakaev rose rapidly from an actor of Shakespearean roles to Commander of the Western Group for the Defense of Ichkeria and later served as Deputy Prime Minister of Chechnya and in exile as Prime Minister of the Chechen Republic of Ichkeria ChRI It describes how the Kremlin set about discrediting and destroying a democratic government by interacting with criminal gangs and fomenting Islamist forces to split the Chechen independence movement in a perverse reversal of the War on Terror Akhmed Zakaev's memoir begins with a historical survey of the fraught relations between the Chechens and the Russian Empire and Soviet Union up to the collapse of the USSR The advent of Gorbachev's Perestroika raised hopes that independence might enable Chechnya to end centuries of oppression and exploitation Russia's first war against Chechnya 1994 1996 initially conceived by the military as a way of disguising the large scale theft and embezzlement of funds from illegal sales of Soviet armaments during the withdrawal from East Germany ended in humiliating defeat for Russia Thereafter Russia set about subverting the democratically elected government of the Chechen Republic of Ichkeria by

instigating the gruesome murder of Western humanitarian aid workers and business partners and by financing criminal gangs and anti democratic Islamist groups that the ChRI police were unable to subdue Interference by nationals of countries in the Middle East caused further disruption In August 1999 Russia launched a brutal second war in Chechnya on grounds widely believed to be fabricated and characterized by widespread war crimes The West did not intervene This is an eyewitness account of the dangers faced by the Chechen leaders as they tried to resist and negotiate with a treacherous opponent It ends in the year 2000 with Vladimir Putin s election as Russia s president **Russia/Chechnya ,2001**
