This Book Is Feminist Jamia Wilson, 2021-06-29 A vibrantly illustrated introduction to intersectional feminism for next generation changemakers, this book is a must-read guide for young people seeking to understand the world around them. Wilson's optimistic view of feminism is based on the tenet of liberation for all, placing marginalized communities front and center. A foundational work. NEW YORK TIMES What have you been taught about who has power and who makes the rules? Have you ever been lost for words at an old-school family friend's kind but sexist comments? Do you agree with equality and strive for justice but want to learn more? Then read on. In this new feminist classic, the focus is intersectional from the beginning, not just as an add-on. Using the framework of personal is political, Jamia Wilson, former director of the Feminist Press, analyses her own experiences before expanding outwards and drawing on stats as well as quotes from feminist firebrands and activists to inspire and encourage. Bold illustrations underpin this title, and each chapter ends with a Call To Action box to encourage readers to reflect on and embrace their own interpretation of feminism and to acknowledge the connection between race, class, gender, disability, and economic justice. Expand what feminism means to you, your community, and society by examining these 15 themes: Feminism, Identity, Justice, Education, Money, Power, Health, wellness, freedom, relationships, media, safety, activism, and movements, innovation. An interactive exploration of what feminism means to you. You will close the book with an understanding that history and culture play a role in shaping systems of power and of what we can do with our strengths, community, and values to help change course when needed. You won't have read a feminist tome like this before. Also available in the Empower the Future series.

This Book is Anti-Racist a powerful guide to how to incorporate anti-racist action into your life. Other inspiring books authored by Jamia Wilson are *Young, Gifted and Black*, *Step Into Your Power*, and *Big Ideas for Young Thinkers*.

Practical General Practice E-Book Adam Staten, Paul Staten, 2019-06-10 *Practical General Practice* is a highly practical manual specifically designed for use during the consultation process.
