**Eschatology and Ecology** Paul Hang-Sik Cho, 2011-05-01 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the otherworldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge

**When Time Shall Be No More** Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When

Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture *Blue Moon Red Blood-2012 End Times* Joy Rocco, 2011-08-15 Skip Wentworth using primitive instinct and tortuous CIA training circles the planet in a heart pounding search for ruthless terrorists plotting to destroy America and Israel on the date the Maya predict the world will end December 21 2012 Their plan is to use equipment designed by the US and skimmed from the manufacturer s assembly line Adding to his torment his new bride is taken hostage by the mad enemy determined to avenge their God Allah The accomplished bloodhound tracks them in a frantic race to beat the countdown to annihilation saving his wife the nation and possibly the world from the maniacal conspiracy to initiate Armageddon **God's Love in the End Times** Warren R. Angel, 2008-07 This book discusses false ideas about God s love especially among Christians and clarifies biblical ideas notably that God will never stop loving anyone that God s sovereignty is subject to his love and that no believer will be left behind at Christ s return Enables every believer to say no matter what their situation in life I know God loves me *End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World* Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5 *Nuclear Fear* Spencer R. WEART, Spencer R Weart, 2009-06-30 Our thinking is inhabited by images images of sometimes curious and overwhelming power The mushroom cloud weird rays that can transform the flesh the twilight world following a nuclear war the white city of the future the brilliant but mad scientist who plots to destroy the world all these images and more relate to nuclear energy but that is not their only common bond Decades before the first atom bomb exploded a web of symbols with surprising linkages was fully formed in the public mind The strange kinship of these symbols can be traced back not only to medieval symbolism but still deeper into experiences common to all of us This is

a disturbing book it shows that much of what we believe about nuclear energy is not based on facts but on a complex tangle of imagery suffused with emotions and rooted in the distant past Nuclear Fear is the first work to explore all the symbolism attached to nuclear bombs and to civilian nuclear energy as well employing the powerful tools of history as well as findings from psychology sociology and even anthropology The story runs from the turn of the century to the present day following the scientists and journalists the filmmakers and novelists the officials and politicians of many nations who shaped the way people think about nuclear devices The author a historian who also holds a Ph D in physics has been able to separate genuine scientific knowledge about nuclear energy and radiation from the luxuriant mythology that obscures them In revealing the history of nuclear imagery Weart conveys the hopeful message that once we understand how this imagery has secretly influenced history and our own thinking we can move on to a clearer view of the choices that confront our civilization

THE EXCITING TRUTH ABOUT THE END-TIMES B. Vincent Shelton,2014-10-29 The prophets of old warned that certain key end time prophecies wouldn t be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John s vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you **Apocalypse Revisited: A Critical Study on End Times** Melis Mulazimoglu Erkal,2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 Mankind s fascination with the Apocalypse is not new Starting from the Hindu notions of Kali Yuga to 2012 Phenomenon Apocalypse has been a part of our lives in the form of a cultural formation natural threat fictional entity ideological construct political fear or catastrophic end Apocalyptic discourses underline how one culture perceives and reflects pain trauma loss and fear as well as indicating the ability to face and get ready for disaster This inter disciplinary and academic study aims to discuss the end of the world in multiple contexts where the popularity of apocalypse always reigns In the scope of this work readers will see the multi dimensional nature of the Apocalypse referring more to progress rather than

end or beginning an in between situation a becoming a formation local yet global phenomenon a product of fantasy plus a constructed reality both an object of consumption and life consuming mechanism an ideological presence in the absence of larger meta narratives
