Jim Samson

Endurance And Endeavour Russian History 1812 1986:

Endurance and Endeavour John Norton Westwood,1987 *Endurance and Endeavour* John Norton Westwood,1993

Russian Court Chapel Choir Carolyn C. Dunlop,2013-12-19 This detailed account of the Kapella Russian Court Chapel Choir examines the influence it exerted on the development of Russian sacred music The educational importance of the institution has always been overshadowed by the achievements of the St Petersburg Conservatoire Dr Dunlop investigates the consequences of the Kapella s monopoly on music publications The wonderfully rich choral repertoire of the Russian Orthodox Church has until now been unavailable to most English speaking choirs due to the problems of language and accessibility Two volumes of Russian Court Chapel Choir music Galuppi to Vorotnikov and Bakhmetev to Lyapunov are available separately in performing editions They are easily accessible sources of nineteenth century Russian choral pieces by a range of composers in a variety of styles Carolyn Dunlop received a postgraduate degree in Russian language from the University of Strathclyde She was awarded her doctorate in Russian Orthodox Church mu **Mastering**

Twentieth-Century Russian History Norman Lowe,2020-08-29 Mastering Twentieth Century Russian History presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history **Endurance and Endeavour** J. N. Westwood,1987 This acclaimed text relates Russian

tradition and circumstances to the events of history considering both imperial and Soviet Russia in one volume Now fully revised to cover events through mid 1986 the new edition also contains updated maps tables and an entirely new bibliography

The Standard of Living and Revolutions in Imperial Russia, 1700-1917 Boris Mironov,2012-05-31 This is the first full scale anthropometric history of Imperial Russia 1700 1917 It mobilizes an immense volume of archival material to chart the growth weight and other anthropometric indicators of the male and female populations in order to chart how the standard of living in Russia changed over slightly more than two centuries It draws on a wide range of data statistics on agricultural production taxation prices and wages nutrition and demography to draw conclusions on the dynamics in the standard of living over this long period of time The economic social and political interpretation of these findings make it possible to reconsider the prevailing views in the historiography and to offer a new perspective on Imperial Russia School and Society in Tsarist and Soviet Russia Stephen White,Ben Eklof,1993-08-12 **Rethinking the Russo-Japanese War,**

1904-5, 2007-05-17 Despite the growing number of publications on the Russo Japanese War an abundance of questions and issues related to this topic remain unsolved or call for a reexamination This 30 chapter volume the first in the two volume project Rethinking the Russo Japanese War provides a comprehensive reexamination of the origins of the conflict the various dimensions of the nineteen month conflagration the legacy of the war and its place in the history of the twentieth century Such an enterprise is not only timely but unique It has benefited from a multinational team of thirty two scholars from twelve nations representing a broad disciplinary background The majority of them focus on topics never researched before and without exception provide a novel and critical view of the war This reexamination is of course facilitated by a century long perspective as well as an impressive assortment of primary and secondary sources many of them unexplored and in a number of cases unavailable earlier The Western Christian Presence in the Russias and Qājār Persia, c.1760-c.1870 Thomas O'Flynn, 2017-08-28 Winner of The 2018 Saidi Sirjani Book Award In The Western Christian Presence in the Russias and Qājār Persia c 1760 c 1870 Thomas O Flynn vividly paints the life and times of missionary enterprises in early nineteenth century Russia and Persia at a moment of immense change when Tsarist Russia embarked on an expansionist campaign reaching to the Caucasus Simultaneously he charts the relationship between the new Persian dynasty of the Qājārs and missionary activity on the part of European and American missionaries This book reconstructs that world from a predominantly religious perspective It recounts the sustaining ideals as well as the everyday struggles of the western missionaries Protestant Scottish Basel and American Congregationalist and Catholic Jesuit and Vincentian It looks at the reactions of diverse tribal peoples the Tatars of the North Caucasus the Kabardians and Circassians Persia was the ultimate goal of these missionaries which they eventually reached in the 1820s Altogether this study throws light on the troubled course of history in West Asia and provides the background to politico religious conflicts in Chechnya and Persia that persist to the present day **Napoleonic Europe** Clive Emsley, 2014-09-19 The impact of Napoleon on France and on Europe was immediate and enduring He dominated his age as his armies dominated the continent and no European country was untouched or unchanged by the events of these turbulent years Keeping one's bearings geographically militarily politically and chronologically in the prevailing turmoil is no easy matter even for the specialist and Clive Emsley's concise but authoritative guide to the Napoleonic age will be a boon to students scholars and general readers alike *The Late Romantic Era* Jim Samson, 1992-01-10 The Late Romantic Era treats the period bounded by the 1848 revolutions and the outbreak of World War I It examines several musical dimensions of the bourgeois cultural ascendancy of the second half of the 19th century the growth of independent institutions of music making the consolidation of a standard classical repertory and the emergence of increasingly specific repertories of popular music professional and amateur Single chapters on particular countries or regions are framed by pairs of chapters on Vienna Paris and the German cities In an opening chapter Dr Samson places the later geographical surveys within a thematic context which embraces social and economic change political ideology and the

climate of ideas *Revolution and Reform in Russia and Iran* Ghoncheh Tazmini, 2012-03-30 The Russian Revolutions of 1917 and the Iranian Revolution of 1979 are two examples of dramatic sudden and extraordinary political upheaval that significantly altered the nature of the state and society in the modern age Here Ghoncheh Tazmini provides an unprecedented comparative study of these two major revolutions of the twentieth century which although removed from each other both spatially and temporally have striking similarities Examining the roots events and impact of these two defining upheavals Tazmini analyses how they resemble each other stressing the continuity of the dilemma of modernisation for the Romanov Pahlavi Communist and Islamist rulers alike This book is a significant contribution to both historical and contemporary debates concerning Russian and Iranian politics and to the discourse on the origins and consequences of modernisation and revolution themselves **The Politics of Unfree Labour in Russia** Mary Buckley, 2018-01-11 Discusses human trafficking out of the Russian Federation since the collapse of the Soviet state and labour migration into and within Russia **Reckoning with Rebellion** Aaron Sheehan-Dean, 2020-04-29 An innovative global history of the American Civil War Reckoning with Rebellion compares and contrasts the American experience with other civil and national conflicts that happened at nearly the same time the Indian Rebellion of 1857 the Polish Insurrection of 1863 and China's Taiping Rebellion Aaron Sheehan Dean identifies surprising new connections between these historical moments across three continents Sheehan Dean shows that insurgents around the globe often relied on irregular warfare and were labeled as criminals mutineers or rebels by the dominant powers He traces commonalities between the United States British Russian and Chinese empires all large and ambitious states willing to use violence to maintain their authority These powers were also able to control how these conflicts were described affecting the way foreigners perceived them and whether they decided to intercede While the stories of these conflicts are now told separately Sheehan Dean argues the participants understood them in relation to each other When Union officials condemned secession they pointed to the violence unleashed by the Indian Rebellion When Confederates denounced Abraham Lincoln as a tyrant they did so by comparing him to Tsar Alexander II Sheehan Dean demonstrates that the causes and issues of the Civil War were also global problems revealing the important paradigms at work in the age of nineteenth century nation building A volume in the series Frontiers of the American South edited by William A Link [A Companion to Greek Warfare](#) Waldemar Heckel, F. S. Naiden, E. Edward Garvin, John Vanderspoel, 2021-06-16 Provides a broad and deep exploration of ancient Greek and Macedonian warfare A Companion to Greek Warfare is an authoritative survey of all major areas in the field of Greek and Macedonian military history covering diverse operational economic social psychological and cultural aspects of ancient warfare Bringing together essays by both international authorities and young scholars this edited volume exposes readers to alternative views and original interpretations in a host of old and new topics Wide in scope the book presents thematically organized chapters that explore the nature of Greek warfare military training discipline and organization the economics pathology and psychology of war and

depictions of war in Greek art and literature Entire chapters deal with neglected topics such as espionage propaganda war crimes emotional trauma the role of women in warfare Greeks in foreign service and the armies and methods of the Greeks and the Macedonians opponents Presenting a uniquely wide range of topics and contexts this volume Features contributions from ancient historians and scholars including archaeologists naval historians and other specialists Offers broad chronological and geographical coverage including the Bronze Age and early Greek wars the Persian Wars the campaigns of Alexander and the wars in Sicily Edited by internationally recognized experts in early Greek prosopography warfare and military history Macedonian warfare and military history Greek law and customs and the history of scholarship in the field of Greek warfare Part of the acclaimed Blackwell Companions to the Ancient World series A Companion to Greek Warfare is an important resource for instructors students and scholars in all fields of ancient Greek history particularly military history and the perfect addition to the library of any general reader with interest in ancient military history *Late Antiquity on the Eve of Islam* Averil Cameron, 2017-05-15 This volume reflects the huge upsurge of interest in the Near East and early Islam currently taking place among historians of late antiquity At the same time Islamicists and Qur'anic scholars are also increasingly seeking to place the life of Muhammad and the Qur'an in a late antique background Averil Cameron herself one of the leading scholars of late antiquity and Byzantium has chosen eleven key articles that together give a rounded picture of the most important trends in late antique scholarship over the last decades and provide a coherent context for the emergence of the new religion A substantial introduction with a detailed bibliography surveys the present state of the field as well as discussing some recent themes in Qur'anic and early Islamic scholarship from the point of view of a late antique historian The volume also provides an invaluable introduction to recent scholarship making clear the ferment of religious change that was taking place across the Near East before during and after the lifetime of Muhammad It will be essential reading for Islamicists and late antique students and scholars alike **US Foreign Policy in World History** David Ryan, 2014-04-23 US Foreign Policy in World History is a survey of US foreign relations and its perceived crusade to spread liberty and democracy in the two hundred years since the American Revolution David Ryan undertakes a systematic and material analysis of US foreign policy whilst also explaining the policymakers grand ideas ideologies and constructs that have shaped US diplomacy US Foreign Policy explores these arguments by taking a thematic approach structured around central episodes and ideas in the history of US foreign relations and policy making including The Monroe Doctrine its philosophical goals and impact Imperialism and expansionism Decolonization and self determination the Cold War Third World development the Soviet evil empire the Sandinistas and the rogue regime of Saddam Hussein the place of goal for economic integration within foreign affairs *Russia's Turn to the East* Helge Blakkisrud, Elana Wilson Rowe, 2017-12-29 This book is open access under a CC BY license This book explores if and how Russian policies towards the Far East region of the country and East Asia more broadly have changed since the onset of the Ukraine crisis and Russia's annexation of Crimea Following the 2014

annexation and the subsequent enactment of a sanctions regime against the country the Kremlin has emphasized the eastern vector in its external relations But to what extent has Russia's pivot to the East intensified or changed in nature domestically and internationally since the onset of the current crisis in relations with the West Rather than taking the declared pivot as a fact and exploring the consequences of it the contributors to this volume explore whether a pivot has indeed happened or if what we see today is the continuation of longer duration trends concerns and ambitions

Barricades and Borders Robert Gildea, 2003-03-06 This is a comprehensive survey of European history from the coup d'etat of Napoleon Bonaparte in France to the assassination of the Archduke Ferdinand at Sarajevo which led to the First World War It concentrates on the twin themes of revolution and nationalism which often combined in the early part of the century but which increasingly became rival creeds Going beyond traditional political and diplomatic history the book incorporates the results of recent research on population movements the expansion of markets the accumulation of capital social mobility education changing patterns of leisure religious practices and intellectual and artistic developments The work falls into three chronological sections The first starting in 1800 rather than the more usual 1815 follows the build up of the revolutionary currents which were eventually going to erupt in the Year of Revolutions 1848 The second from 1850 to 1880 deals with the golden age of capitalism the successful culmination of struggles for national unification and the threat of anarchism The concluding chapters look at the social and political stresses caused by socialism and national minorities at new attempts by government to order society imperial rivalry and the descent into a war which was to mark the end of nineteenth century Europe For this third edition Dr Gildea has substantially revised the text and maps and completely updated the bibliography Newly added introductory sections guide the reader through the wealth of material in each chapter The new edition also includes for the first time a full Chronology of the period a list of leading state ministers and family trees for all the major dynasties

Writing Russia Melissa-Ellen Dowling, 2021-07-18 Writing Russia offers the first systematic analysis of Anglophone national histories of Russia By deconstructing preeminent historical works on the history of Russia this book provides insight into the hidden ideological underpinnings of the texts and their representations of Russia in the West It demonstrates that historians employ a range of literary techniques to smooth over contradictions in their narratives of Russia generating a seemingly cohesive depiction of Russia as a liminal Other nation This is a process that this book theorises as discordus representing an original conceptual framework for examining national history texts It identifies patterns in the language and emplotment of Anglophone Russian histories across several defining historical epochs from the Mongol conquests to the Putin presidency revealing the extent to which historians wield the narrative power to make or break nations Postmodern in approach the work pushes the boundaries of historiography and calls into question the nature of history

Whispering the Secrets of Language: An Emotional Journey through **Endurance And Endeavour Russian History 1812 1986**

In a digitally-driven earth wherever monitors reign supreme and immediate connection drowns out the subtleties of language, the profound techniques and psychological subtleties hidden within phrases frequently get unheard. However, situated within the pages of **Endurance And Endeavour Russian History 1812 1986** a charming fictional prize pulsing with natural emotions, lies an exceptional quest waiting to be undertaken.
