

ENEMY ON ISLAND. ISSUE IN DOUBT.

THE CAPTURE OF WAKE ISLAND

DECEMBER 1941

BY SHAN COHEN

Enemy On Island Issue In Doubt

AW Chickering

Enemy On Island Issue In Doubt:

Enemy on Island--issue in Doubt Stan Cohen,1983 **Tactical Defeat Or Strategic Victory: The Battle Of Wake Island, 8-23 December 1941** Major Marlyn. R. Pierce,2015-11-06 Given the constrained environment the US Armed Forces operate in would it be possible or even strategically feasible to relieve a cut off force This study investigates this scenario by using the historical example of Wake Island Wake Island is an insignificant strip of coral located in the central Pacific However it gained strategic significance during pre war planning From its location Wake Island could dominate the sea lanes through the central Pacific After the beginning of hostilities in 1941 the Japanese attacked Wake Island by air for three days before attempting an amphibious assault on 11 December Miraculously the defenders repulsed the Japanese The only time during the Pacific War that an invasion attempt was defeated Humiliated by the defeat the Japanese returned on 23 December with a larger force The defenders again put up a stubborn defense but eventually were overwhelmed After the defenders defeated the Japanese on 11 December the Navy s senior leaders were forced to decide on the fate of the men on Wake Island In the final analysis it was determined that the strategic loss of any of three aircraft carriers operating in the Pacific outweighed the tactical gain of relieving the beleaguered island *Final Hours in the Pacific* Donald J. Young,2014-01-10 From December 7 1941 until the Battle of Midway in June 1942 the war with Japan was a losing one It was to be the darkest period of the almost four year war During those days no times were more trying than the final hours for the men trapped on Wake Island Bataan Corregidor Hong Kong and Singapore This book outlining the bitter end to their ordeals covers the crucial days and final hours that led to their surrender a capitulation that would shock the free world *The Defense of Wake. [Illustr.]* Robert D. Heinl,1947 **The Defense of Wake** Robert Debs Heinl,United States. Marine Corps,1947 *Given Up for Dead* Bill Sloan,2008-01-29 A gripping narrative of unprecedented valor and personal courage here is the story of the first American battle of World War II the battle for Wake Island Based on firsthand accounts from long lost survivors who have emerged to tell about it this stirring tale of the Alamo of the Pacific will reverberate for generations to come On December 8 1941 just five hours after the bombing of Pearl Harbor Japanese planes attacked a remote U S outpost in the westernmost reaches of the Pacific It was the beginning of an incredible sixteen day fight for Wake Island a tiny but strategically valuable dot in the ocean Unprepared for the stunning assault the small battalion was dangerously outnumbered and outgunned But they compensated with a surplus of bravery and perseverance waging an extraordinary battle against all odds When it was over a few hundred American Marines sailors and soldiers along with a small army of heroic civilian laborers had repulsed enemy forces several thousand strong but it was still not enough Among the Marines was twenty year old PFC Wiley Sloman By Christmas Day he lay semiconscious in the sand struck by enemy fire Another day would pass before he was found stripped of his rifle and his uniform Shocked to realize he hadn t awakened to victory Sloman wondered Had he been given up for dead and had the Marines simply given up In this riveting account veteran journalist Bill

Sloan re creates this history making battle the crushing surrender and the stories of the uncommonly gutsy men who fought it From the civilians who served as gunmen medics and even preachers to the daily grind of life on an isolated island literally at the ends of the earth to the agony of POW camps here we meet our heroes and confront the enemy face to face bayonet to bayonet

American Military Leaders John C. Fredriksen,1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index

A Magnificent Fight: Marines in the Battle for Wake Island Robert Cressman,2019-01-24 The Japanese bombing of Wake Island began a mere few hours after the attack on Pearl Harbor on December 8 1941 Thirty six Japanese aircraft blasted the atoll s US base and destroyed eight of twelve aircraft For fifteen days American troops suffered endless bombardments until the second major Japanese offensive was launched on 23rd December The battle took place on and around the atoll and its minor islets by the air land and naval forces of the Japanese Empire against those of the United States with Marines playing a prominent role on both sides Against overwhelming forces the Marines and other troops that were stationed on the island fought valiantly but after forty nine men had lost their lives in the fight the remaining American men and civilians were captured by the Japanese

Marines In World War II - Marines At Midway [Illustrated Edition] Lieutenant Colonel R.D. Heintz Jr. USMC,2014-08-15 The story of the Marines during the pivotal campaign of the Pacific that culminated at the Battle of Midway Contains 25 photos and 3 maps and charts The name Midway means much to Marines At the very outset of war when Midway s sole garrison consisted of a Fleet Marine Force defense battalion stationed there in advance of hostilities the Japanese found that here as at Wake Marines were ready Subsequently in the battle of Midway the heroism of Marine fighter and dive bomber pilots who attacked effectively and unhesitatingly against tremendous odds demonstrated once again that courage and discipline are among the high traditions of our Corps There is another lesson to be derived from the Marine story of Midway however and that is the unity of the Fleet Marine Force as a completely integrated air ground team This too is traditional but it has never been better demonstrated than by the integration of Marine artillery and infantry who secured the base with Marine air which struck the first blow at the Japanese carriers from that base While Marine fighters were slashing at enemy air Marine artillerymen were shooting the Japanese planes down and Marine dive bombers were harrying the enemy fleet This coordinated interaction by land and sea and air embodied the time tried and proven doctrines of the Marine Corps in one of its primary fields that of the defense of advanced

bases To all students of this subject I commend the story of Marines at Midway C B Cates Commandant of the Marine Corps

A Magnificent Fight Robert J. Cressman,1996-11 **Preparing for Victory** David J Ulbrich,2011-04-15 Preparing for Victory explains how and why Commandant Thomas Holcomb successfully supervised the dramatic expansion of the Marine Corps from 18 000 officers and men in 1936 to 385 000 in 1943 Not only did Holcomb leave the Corps much larger but he also helped establish it as the United States premier amphibious assault force and a major contributor to victory over Japan Despite Holcomb s successes he has been ignored or given short shrift in most histories of the Marine Corps No book length study of his commandancy exists until now Drawing on a wide range of printed and archival sources my book contends that Holcomb expertly guided the Corps preparations for war during the last years of the Great Depression and then provided his Leathernecks with astute direction during the first harrowing twenty five months of World War II When measured with principles of organization theory and leadership studies Holcomb s abilities and achievements match those of such outstanding American military managers as Dwight D Eisenhower Chester W Nimitz and George C Marshall Like these unassuming yet efficient officers Holcomb shied away from the limelight and therefore never garnered the attention that Chesty Puller or Howlin Mad Smith have This book fills a void and tells the story of one of the key leaders in World War II More than any other marine Holcomb molded his Corps into the modern force in readiness that would eventually help fight the Cold War and the Global War on Terror **Wake Island 1941** Jim Moran,2011-09-20 An illustrated examination of the daring last stand by a collection of marines sailors and other service personnel on Wake Island in World War II one of the legendary stories of American military history On the same day that the Japanese attacked Pearl Harbor they also launched air attacks on Wake Island an American marine and naval base in the Pacific Three days later a Japanese invasion force stormed the island but were bloodily repulsed by the scratch force of marines sailors and even service personnel who defended it Despite US attempts to relieve the island the Japanese launched a much greater invasion a few weeks later and despite gallant resistance eventually caused the US Forces to surrender This book tells the complete story of the vicious fighting on Wake Island featuring full color maps and archive photography **Hard Corps** ,2004-11-10 The Marine Corps reputation as the world s premier fighting force was forged on many battlefields by a succession of extraordinary men Here are their stories The battles Belleau Wood Samar Makin Iwo Jima Hue City and Operation Iraqi Freedom The Marines O Bannon Daly Basilone Puller Boyington and Chontosh and much more If anyone ever asks what makes Marines special give them a copy of this book Last Stand Bryan Perrett,2012-10-11 What do soldiers do when all is lost They keep fighting In this best selling anthology Bryan Perrett provides gripping accounts of close quarter battles and hard fought victory against all the odds His journey from Napoleonic Europe through to the Korean War highlights thirteen episodes of incredible bravery and sacrifice in unbelievable actions The book begins with the gallant fight of Napoleon s Old Guard at Waterloo It examines the famous actions at the Alamo against the Zulus at Rorke s Drift and the Bridge Too Far at Arnhem The

adventure concludes with the desperate last stand of the Gloucesters at Imjin during the Korean War Last Stand is the breathtaking story of ultimate sacrifice and glorious victory **Professional Journal of the United States Army** ,1999

History of United States Naval Operations in World War II: The rising sun in the Pacific, 1931-April 1942 Samuel Eliot Morison,2001 Volume III The Rising Sun in the Pacific 1931 April 1942 chronicles the difficult early months of the campaign in the Pacific detailing the navy s reverses at Wake Island in the Philippines and along the Malay Barrier Pearl Harbor to Guadalcanal Frank Olney Hough,Verle E. Ludwig,Henry I. Shaw,1958 *A Magnificent Fight* Robert Cressman,1992

1942 Winston Groom,2006-04-03 To the generation of Americans who lived through it the Second World War was the defining event of the twentieth century and the defining events of that war were played out in the year 1942 Publisher website September 2007 Military Review ,2000
