

What can you screen and treat with the Nutri-Energetics Systems - Professional?

- Peter Fraser's research at Nutri-Energetics Systems has enabled the HBF to be divided into its constituent sub-field systems. The NES-Pro is the only system able to assess each sub-field in turn, providing an amazing amount of information in a scan which takes only a matter of seconds to perform.
- The NES-Pro scan shows detailed results in 5 main report screens:
 - ❖ **Big Fields** – Shows the body's alignment with the Earth's main energy fields (gravity, magnetic polar and equatorial). Misalignment with these fields restricts the body's ability to maintain optimal health.
 - ❖ **Energetic Drivers** - Reports on the integrity of the individual sub-fields which energise and regulate each organ system.
 - ❖ **Energetic Integrators** – These energetic pathways are related to meridian theory, allowing the flow of information between systems and around the body.
