Teaching-Learning Contemporary Physics Beata Jarosievitz, Csaba Sükösd, 2021-09-15 This book presents research contributions focussing on the introduction of contemporary physics topics mainly but not exclusively quantum physics into high school curricula Despite the important advances and discoveries in quantum physics and relativity which have revolutionized our views of nature and our everyday lives the presence of these topics in high school physics education is still lacking In this book physics education researchers report on the teaching and learning of quantum physics from different perspectives and discuss the design and use of different pedagogical approaches and educational pathways There is still much debate as to what content is appropriate at high school level as well what pedagogical approaches and strategies should be adopted to support student learning Currently there is a greater focus on how to teach modern physics at the high school level rather than classical physics However teachers still lack experience and availability of appropriate teaching and learning materials to support the coherent integration of Quantum Physics in high school curricula All of the 19 papers presented in this book discuss innovative approaches for enhancing physics education in schools

Finding You Maureen Child, 2015-08-25 New York Times bestselling author Maureen Child welcomes you back to Chandler California where there's always an extra place at the Candellano family table and where Mama Candellano is ready to offer lots of unsolicited advice especially in matters of the heart If you haven't already met the Candellano family here's an introduction Angela the matriarch Tony the oldest son and town sheriff Nick and Paul the twin brothers with completely different personalities and Carla the beautiful daughter whom Mama is still trying to fix up And though Mama's brood is all grown up they still gather every Sunday around her kitchen table where anyone who falls for a Candellano had better be prepared to share laughter love and the best lasagna in town Carla Candellano has faced a tragedy she'd like to put behind her but no one has been able to penetrate the wall she has built around herself until she meets six year old Reese

Wyatt Reese hasn't spoken since her mother died last year and it's friendship at first sight for Carla and little Reese. But it's the girl's worried father Jackson who arouses Carla's curiosity and passion in ways she never imagined. **Still Standing** Stephen Leather, 2023-01-05. The SAS are used to deaths during combat; it goes with the turf. But when one of their own is said to have committed suicide in Thailand, red flags are raised. Pete Green wasn't the sort of soldier who would ever take his own life, and no one is more sure of that than his twin brother Davie. Davie is determined to fly to the Land of Smiles to find out what really happened to his twin brother. But if he is going to find out the truth, he'll need help: the sort of help only SAS Sergeant Matt Standing can provide. But soon after they arrive, they come under attack, leaving Standing to investigate on his own. There are clearly people who want to shut down all enquiries, and Standing knows he will have to use all his SAS jungle skills to survive. This will be the toughest of assignments, but nothing will come between him and the truth. Timeless Advice Michael Zibrun, 2017-12-15. Life ain't the practice rounds; it's the real thing, so we've gotta be ready. Today's world assaults us all in so many ways, yet the simple advice we remember hearing around the dining room table can prepare us for what's out there. All you gotta do is just remember how it was and smile. Timeless Advice can help people from all walks of life who wrestle with the daily distractions of life, and it offers words, thoughts, lifelines, and humor to keep it all in perspective. In his unique homespun style, author Michael Zibrun guides us through the distractions by reminding us to deepen our faith and draw closer to God. With simplicity, wit, and humor, Michael reveals thought-provoking daily lessons that are based in the Bible, God's personal guidebook for all of us. In truth, everything is small stuff except our faith. So if we focus on our faith, persevere, and trust unconditionally in God, we will be ready to get through life's tough patches and stay positive that great things will happen. **Counselling Skills for Social Workers** Hilda Loughran, 2018-11-20. Counselling skills are very powerful. Really listening and providing compassionate empathy without judging is a core part of social work practice with service users. This book provides a theoretically informed understanding of the core skills required to provide counselling interventions that work. It provides detailed discussion of three core skills which are identified as talking and responding, listening and observing, and thinking. Over 11 chapters, these core skills are described in terms of what they mean, how they can be learned and developed, how they can be used and misused, and most importantly, how specific skills can be employed in a coherent and evidence-informed counselling approach. Loughran also looks in detail at the skills required to deliver interventions consistent with three approaches: Motivational Interviewing, Solution Focused Work, and Group work. Illustrative case examples and exercises offer further opportunities for reflection and exploration of self-awareness, as well as for practising and enhancing skills development, thus making the book required reading for all social work students, professionals looking to develop their counselling skills, and those working in the helping professions more generally. Terms such as social worker, therapist, and counsellor will be included as they inform counselling skills in social work. Finding You/Knowing You Maureen Child, 2010-04-01.
