MouraProjeto, 2021-12-15 Este livro trata das crises contemporâneas da democracia tendo como ponto de partida problemas

que assolam democracias em países na América do Sul na África e no Sul da Europa Os textos do volume dialogam com as

recentes teorias que entendem a crise da democracia como processos de erosão das instituições de valores democráticos e da

confiança ou de expansão da racionalidade neoliberal que estreita o espaço da política e mina relações igualitárias Os textos

identificam potencialidades e limites das teorias que circulam globalmente contribuindo para a compreensão dos processos

de desdemocratização em curso nos países da terceira onda Sugerem também temas que requerem atenção às interações entre

crise neoliberalismo e protestos impactos da crise política e da crise sanitária sobre a participação o papel das instituições

judiciais Há ainda análises sobre impactos da internet sobre a democracia reflexões sobre a reconstrução de políticas de bem

estar social e as particularidades de como cidadãos entendem o autoritarismo no Brasil contemporâneo **Environmentally**

**Monitoring Report 2009** World Bank, 2009-04-27 A Development Emergency the title of this year's Global Monitoring

Report the sixth in an annual series could not be more apt The global economic crisis the most severe since the Great

Depression is rapidly turning into a human and development crisis No region is immune The poor countries are especially

vulnerable as they have the least cushion to withstand events The crisis coming on the heels of the food and fuel crises poses

serious threats to their hard won gains in boosting economic growth and reducing poverty It is pushing millions back into poverty and putting at risk the very survival of many The prospect of reaching the Millennium Development Goals MDGs by 2015 already a cause for serious concern now looks even more distant A global crisis requires a global response The crisis began in the financial markets of developed countries so the first order of business must be to stabilize these markets and counter the recession that the financial turmoil has triggered At the same time strong and urgent actions are needed to counter the impact of the crisis on developing countries and help them restore strong growth while protecting the poor Global Monitoring Report 2009 prepared jointly by the staff of the World Bank and the International Monetary Fund provides a development perspective on the global economic crisis It assesses the impact on developing countries their growth poverty reduction and other MDGs And it sets out priorities for policy response both by developing countries themselves and by the international community The report also focuses on the ways in which the private sector can be better mobilized in support of development goals especially in the aftermath of the crisis

**Gender and Peacebuilding** Claire Duncanson, 2016-03-11 Gender and Peacebuilding offers a comprehensive and up to date analysis of how and why gender matters in contemporary peace operations It draws on a wide range of examples from across the world to offer a nuanced account of the UNs attempts to mainstream gender into peace operations via Security Council Resolution 1325 and assesses the successes and failures of this effort to enhance the participation and protection of women and girls in peacebuilding operations In presenting this mixed picture of progress and ongoing challenges the book argues for bold steps forward that will enable peacebuilding to contest the current neoliberal order address structural inequalities and bring about feminist visions of peace and security It is only by focusing attention on the economic empowerment of women and its ability to temper the dangers of neo liberalism in post conflict contexts that feminists can hope to achieve these aims Timely critical and engaged this book provides an invaluable guide to the issues for students of peace and conflict studies and sets the agenda for future scholarship and advocacy
