End Time G.A. Matiasz,1996 **Seven Signs of the End Times** Mark Hitchcock,2009-01-21 Americans are watching the news with expectant eyes full of apprehension about what will happen next Is it too early to worry that the times are winding down Mark Hitchcock a Dallas Theological Seminary graduate and recognized expert on end times theology distills the seven essential signs of the end as foretold in the Bible In this fifth book of his authoritative series on biblical prophecy Hitchcock cuts straight to the heart of an urgent topic providing the information people need as they try to evaluate the state of their world **End Time** G.A. Matiasz,2016 End Time Notes on the Apocalypse is a prescient near future thriller Written in a slashing evocative style End Time received rave reviews in underground and small press circles in 1994 Greg Kovinski the novel s protagonist lives in interesting times War and civil war rage across the former Soviet Union and much of the globe The United States is fighting a sophisticated high tech counterinsurgency war in southern Mexico against a popular revolution claiming the tradition of Zapata in order to preserve the North American free trade zone In Alabaster a small town north of San Francisco draft aged Greg and a group of anti war college students gain possession of enough bomb grade riemanium to build a nuclear weapon several times more powerful than the one detonated over Nagasaki As Greg struggles to do the right thing with his deadly power friends turn out to be thieves civil unrest explodes and the City of Oakland rises in revolution to become the 21st century s Paris Commune End Time is a kick ass thriller of the near future political edge fast paced and always surprising This hardball trip to Looking Glass Land is reminiscent of the books of Neil Shulman and Shea Wilson and should find an enthusiastic audience eluki bes shahar author of the Hellflower trilogyA compulsively readable thriller combined with a very smart meditation on the near future of anarchism End Time proves once again that Sci Fi is our only literature of ideas Hakim Bey author of T A Z G A Matiasz has created a charged political and very readable novel in End Time jump cutting P O V from character to character pulling the reader into the plot as each character quick as a Polaroid develops into a fascinating persona Factsheet Five **The End Times, Again?** Martyn Whittock,2021-10-15 From the Middle Eastern politics of Donald Trump to the UK s 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in danger of repeating them Jesus Whittock argues taught a different way End Time G. A. Matiasz,2001-07 Notes on the Apocalypse **Feeling the Future at Christian End-Time Performances** Jill C.

Stevenson,2022-02-01 The End is always near The Apocalypse has sparked imaginations for millennia while in more recent times highly publicized predictions have thrust End Time theology briefly into the spotlight In the 21st century fictional depictions of various apocalyptic scenarios are found in an endless stream of films TV shows and novels while real world media coverage of global issues including climate change and the migrant crisis often features an apocalyptic tone Feeling the Future at Christian End Time Performances explores this prevalent human desire to envision the End by analyzing how various live End Time performances allow people to live in and through future time The book s main focus is contemporary Christian End Time performances and how they theatrically construct encounters with future time not just images or ideas of a future but viscerally and immediately real experiences of future time Author Jill Stevenson s examples are Hell Houses and Judgement Houses Rapture House a similarly styled walk through drama in North Carolina Hell s Gates an outdoor reality drama in Dawsonville Georgia Ark Encounter a full size recreation of Noah s Ark and Tribulation Trail an immersive thirteen scene drama ministry based on the Book of Revelation The book s coda considers similarities between these Christian performances and secular survivalist prepper events especially with respect to constructions of and language about time In doing so the author situates these performances within a larger tradition that challenges traditional secular sacred distinctions and illuminates how the End Times has been employed in our current social and political moment

September Commando ,2001-07-01 The second installment of politically charged satire scrutiny and social commentary from John Yates Stealworks graphics compound Whereas his first anthology of work Stealworks was a retrospective that gathered together in a single archival collection previously published material this latest edition comprises an entirely unpublished selection of incendiary graphics Featuring over 100 of Yates designs September Commando is a visual assault on all things bad From our benevolent leaders on Capitol ist Hill to Twenty First Century Cops from his own apathy embracing de Generation X to the selling of Corporate American ignorance and purchase thereof to the pocket enlightened masses Think of it as Barbara Kruger on a social injustice killing spree The Final Prophecy of Jesus Oral E.

Collins,2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author s conviction that from the standpoint of sound principles of biblical hermeneutics the historicist interpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus Writing Beyond the End Times? / Écrire au-delà de la fin des temps ? Carrière,2019-10-03 This collection of essays examines how the sense of crisis that occasionally seems to overwhelm us directs and transforms Canadian and Quebec writings in English and French and conversely how literature and criticism set out to counterbalance the social economic and ideological insecurities we live in Ce recueil de textes tudie les mani res dont

Political Realism in Apocalyptic Times Alison McQueen,2018 From climate change to nuclear war to the rise of demagogic populists our world is shaped by doomsday expectations In this path breaking book Alison McQueen shows why three of history s greatest political realists feared apocalyptic politics Niccol Machiavelli in the midst of Italy s vicious power struggles Thomas Hobbes during England s bloody civil war and Hans Morgenthau at the dawn of the thermonuclear age all saw the temptation to prophesy the end of days Each engaged in subtle and surprising strategies to oppose apocalypticism from using its own rhetoric to neutralize its worst effects to insisting on a clear eyed tragic acceptance of the human condition Scholarly yet accessible this book is at once an ambitious contribution to the history of political thought and a work that speaks to our times

The End of Money Mark Hitchcock,2013-08-01 Are we headed toward a global economic collapse Financial markets are violently unstable worldwide and the key benchmarks of financial health are rapidly getting worse Christians know the Bible predicts a coming day when one person will take control of the entire global economy But how will that happen We may now have the answers In fact the biblical and technological evidence tells us that a cashless society and one world economy are not only possible but inevitable Bestselling author Mark Hitchcock skillfully brings together current research and Bible prophecy to address these important questions How is the stage being set for economic collapse and a cashless society What technology will make this cashless world possible How will the Antichrist control the world economy What will happen to the people who face all this tumult and chaos An eye opening survey of the ways that future events can impact our lives even today

The Salvation of Israel Jeremy Cohen,2022-08-15 The Salvation of Israel investigates Christianity s eschatological Jew the role and characteristics of the Jews at the end of days in the Christian imagination It explores the depth of Christian ambivalence regarding these Jews from Paul s Epistle to the Romans through late antiquity and the Middle Ages to the Puritans of the seventeenth century Jeremy Cohen contends that few aspects of a religion shed as much light on the character and the self understanding of its adherents as its expectations for the end of time Moreover eschatological beliefs express and mold an outlook toward nonbelievers situating them in an overall scheme of human history and conditioning interaction with them as that history unfolds Cohen s close readings of biblical commentary theological texts and Christian iconography reveal the dual role of the Jews of the last days For rejecting belief and salvation in Jesus Christ they have been linked to the false messiah the Antichrist the agent of Satan and the exemplary embodiment of evil Yet from its inception Christianity has also hinged its hopes for the second coming on the enlightenment and repentance of the Jews for then as Paul prophesized all Israel will be saved In its vast historical scope from the ancient Mediterranean world of early Christianity to seventeenth century England and New England The Salvation of Israel offers a nuanced and insightful assessment of Christian attitudes toward Jews rife with inconsistency and complexity thus contributing significantly to our understanding of Jewish Christian relations
