End Of State Political Thriller Left Behind 1:

The "Katrina Effect" William M. Taylor, Michael P. Levine, Oenone Rooksby, Joely-Kym Sobott, 2015-08-27 On August 29th 2005 the headwaters of Hurricane Katrina's storm surge arrived at New Orleans the levees broke and the city was inundated Perhaps no other disaster of the 21st century has so captured the global media's attention and featured in the imagination of disaster like Katrina The Katrina Effect charts the important ethical territory that underscores thinking about disaster and the built environment globally Given the unfolding of recent events disasters are acquiring original and complex meanings This is partly because of the global expansion and technological interaction of urban societies in which the multiple and varied impacts of disasters are recognized These meanings pose significant new problems for civil society what becomes of public accountability egalitarianism and other democratic ideals in the face of catastrophe This collection of critical essays assesses the storm's global impact on overlapping urban social and political imaginaries Given the coincidence and perfect storm of environmental geo political and economic challenges facing liberal democratic societies communities will come under increasing strain to preserve and restore social fabric while affording all citizens equal opportunity in determining the forms that future cities and communities will take Today 21st century economic neo liberalism global warming or recent theories of urban vulnerability and resilience provide key new contexts for understanding the meaning and legacy of Katrina

Religion, Politics, and American Identity David S. Gutterman, Andrew R. Murphy, 2008-03-01 Scholarship on the role of religion in American public life has taken on a new urgency in the increasingly contentious wake of the attacks of September 11 2001 This volume brings together an impressive group of scholars to build on past work and broaden the scope of this crucial inquiry in two respects by exploring aspects of the religion politics nexus in the United States that have been neglected in the past and by examining traditional questions concerning the religious tincture of American political discourse in provocative new ways Essays include examinations of religious rhetoric in American political and cultural discourse after September 11th the impact of religious ideas on environmental ethics religion and American law beyond the First Amendment religious responses to questions of gay and lesbian rights the Church of Jesus Christ of Latter Day Saints and issues of free speech and public space in Utah and the role of religious institutions and ideas on the political priorities of African American and Latino communities In addition Religion Politics and American Identity includes introductory and concluding essays by leading scholars in the field of religion and politics that assess present and future directions for study

The Publishers Weekly, 2006 **Parallel Lines** Guy Westwell, 2014-10-21 Parallel Lines describes how post 9 11 cinema from Spike Lee's 25th Hour 2002 to Kathryn Bigelow's Zero Dark Thirty 2012 relates to different and competing versions of US national identity in the aftermath of the September 11th terrorist attacks The book combines readings of individual films World Trade Center United 93 Fahrenheit 9 11 Loose Change and cycles of films depicting revenge conspiracy torture and war with extended commentary on recurring themes including the relationship between the US and

the rest of the world narratives of therapeutic recovery questions of ethical obligation The volume argues that post 9 11 cinema is varied and dynamic registering shock and upheaval in the immediate aftermath of the attacks displaying capacity for critique following the Abu Ghraib prisoner abuse scandal mid decade and seeking to reestablish consensus during Obama's troubled second term of office
