New Approaches to Drug Policies Jonathan D. Rosen, Marten W. Brien, 2015-07-27 The US led war on drugs has failed drugs remain purer cheaper and more readily available than ever Extreme levels of violence have also grown as drug traffickers and organized criminals compete for control of territory This book points towards a number of crucial challenges policy solutions and alternatives to the current drug strategies

Human Rights and Drug Control Saul Takahashi, 2016-08-11 It has become almost accepted knowledge within international policy circles that efforts against drug trafficking and drug abuse violate human rights and that the entire international drug control regime needs to be changed or even discarded altogether to adopt a more rights respecting approach Though this view has been promoted by many prominent figures and organisations the author of this book uses his expertise in both human rights and drug control to show that the arguments advanced in this area do not stand close scrutiny The arguments are in fact based on selective and questionable interpretations of international human rights standards and on a general notion more and more clearly stated that there is a human right to take drugs and that any effort to combat drug abuse by definition violates this right There is no such right in international law and the author objects to the misuse of human rights language as a marketing tool to bring about a back door legalisation of drugs Human rights issues must be addressed but that in no way means that the international drug control regime must be discarded or that efforts against drugs must be stopped

Gierach, 2023-11-21 What's been missing the past 30 years that prevented voters and leaders from hearing or acting upon the Gierach call and the Civil Society call for legalized controlled and regulated drugs and drug markets Why the public repulsion from the Silver Bullet Solution to the many tentacled drug prohibition monster Have you lost a child to fentanyl or heroin overdose Are you worried about losing a loved one to drug addiction or drug accident Is your neighborhood threatened by violent crime and gangs Is it safe for your child to get to school go to the park or play outside Do you live in a safe suburban neighborhood but yet feel like you need a firearm to be safe in your own home car or traveling on a big city expressway Do you believe the World War on Drugs 62 years old has been a dismal failure and ongoing drug
