Oblivion: The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution Aleksandar Ostojic, 2019-08-08 End of Oblivion The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution is an informal overview of the current state of humanity and the world and delves into how our perceptions of reality have been drastically distorted to the point where the majority of the population cannot perceive distortion any longer Deceit is present in every area of our lives but beneath these secular manifestations deeper metaphysical undercurrents are interlacing with our spiritual evolutionary direction Armed with a wealth of factual evidence as well as personal observations the author puts forth a compelling explanation as to who is really behind this great deceit and offers choices on how to break free for those curious enough to ponder It is time to remove our blindfolds to consciously choose our path and to reclaim the true purpose of our being our spiritual evolution The book reflects on the Law of One material **The End Times in Chronological Order** Ron

Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy to understand yet detailed chronology and explanation of end times events The chapters are arranged around the major end times themes the rapture the tribulation the millennial kingdom and the eternal state Each chapter begins with a list of the specific events it covers making this an extremely user friendly chronological guide to end times biblical prophecy Rhodes allows for various interpretations among Christians Yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many Bible scholars As readers discover that they really can understand Bible prophecy they will come to love and trust the Scriptures like never before **The Sign of the End of the Age** Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lords clear

road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near Spiritual Warfare in the End Times Ron Rhodes, 2020-11-24 Understand the Battle Before You Enter It When you think about the end times you ve probably already considered the rapture the tribulation and the Antichrist But are you prepared for the spiritual warfare that is already escalating around us as we draw closer to the final days Now more than ever it is essential to equip yourself with God s truth so you can stand against the encroaching darkness In Spiritual Warfare in the End Times bestselling prophecy author Ron Rhodes powerfully exposes Satan s most destructive and effective tools of spiritual injury and the means of rendering them ineffective Ron will help you understand the identity tactics and dominion of Satan and the spiritual armor God has given you for protection the pivotal roles the Holy Spirit and the Word of God play in your spiritual victory the sheep Christians who keep close to the Shepherd Jesus are safest from the predatory wolf Satan Though Satan will always want to diminish your capacity to serve in God s kingdom God promises you ll never fight him alone Spiritual Warfare in the End Times will provide you with all you need for victory both now and in the future

Deception in War Jon Latimer,2003-04-29 From the Trojan Horse to Gulf War subterfuge this far reaching military history examines the importance and ingenuity of wartime deception campaigns The art of military deception is as old as the art of war This fascinating account of the practice draws on conflicts from around the world and across millennia The examples stretch from the very beginnings of recorded military history Pharaoh Ramses II s campaign against the Hittites in 1294 B C to modern times when technology has placed a stunning array of devices into the arsenals of military commanders Military historians often underestimate the importance of deception in warfare This book is the first to fully describe its value Jon Latimer demonstrates how simple tricks have been devastatingly effective He also explores how technology has increased the range and subtlety of what is possible including bogus radio traffic virtual images even false smells *Deception in War* includes examples from land sea and air to show how great commanders have always had as Winston Churchill put it that indispensable element of legerdemain an original and sinister touch which leaves the enemy puzzled as well as beaten

End Time Delusions Steve Wohlberg,2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth s nations attack Israel at Armageddon Best selling books like *Left Behind* and

popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ s return Yet when it comes to what the majority thinks will happen during Earth s last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy End Time Delusions exposes massive errors now flooding through media and in much of today s sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity s most illustrious scholars it lets the Bible speak for itself about the past present and future

Lazar (Abashidze), Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> The train is our life lived in artificial conditions devoid of any living breath and true joy fenced off by various kinds of soft and hard partitions and double frames from the world of God We look at this world through glass admire its beauty but we preferred it to cramped plastic cabins foam rubber beds suitcases bales shaking to the silly grumbling of the radio And so just as for the completeness of reality a flat picture lacked spatial depth and this space itself would lack the passage of time so for all this world around us with all its beauty and wealth with all our many deeds searches in it requires one more dimension one direction movement one more essential depth this is the entry into the spiritual world the approach to God the union with Him by grace Without this deepening or rather elevation in the degrees of spirituality our life remains the same flat bright picture without space for life one dream Without this ascent into another world our being is just a frozen dead space devoid of life like a motionless sculpture again one illusion again just a landscape running through the glass at which we gaze with boredom from the cramped compartment of a passenger carriage A Christian does not quickly and easily achieve true love for God Here is what Saint Bishop Ignatius says about this Quite often we begin to serve God by means of such a method that is contrary to the ordinance of God forbidden by God which brings harm to our souls not good So some having read in the Holy Scriptures that love is the highest of virtues that it is God they begin and intensify immediately to develop in their hearts the feeling of love by them to dissolve their prayers divine contemplation all their actions God turns away from this unclean sacrifice It requires love from a person but true spiritual holy love not dreamy carnal defiled by pride and voluptuousness It is impossible to love God otherwise than with a heart purified and sanctified by Divine grace Love for God is a gift from God it is poured into the souls of God s true servants by the action of the Holy Spirit On the contrary that love which belongs to our natural properties is in sinful damage that encompasses the entire human race the entire being of every person all the properties of every person A Prayer to St Bishop Ignatius O Lord Grant us to see our sins so that our mind drawn fully to the attention of our own faults ceases to see the

faults of our neighbors and would thus see all our neighbors as good Grant us to behold in the light of Thy Grace the various ailments living in us which destroy the spiritual movements in the heart and introduce into it blood and carnal movements hostile to the Kingdom of God Grant us the great gift of repentance preceded and born of the great gift of the seeing of our sins Protect us with these great gifts from the abysses of self delusion which opens in the soul from its unnoticed and incomprehensible sinfulness and is born of the action of voluptuousness and vanity the soul does not notice and does not understand Preserve us with these great gifts on our way to You and grant us to reach You who calls on sinners who are aware of being such and rejects those who recognize themselves as righteous may we forever praise Thee in eternal bliss the One True God the Redeemer of the captives the Savior of those perished Amen *What God Is Now Telling His Prophets About the End Times* Apostle Frederick E. Franklin, 2013-03-12 This is our second book When we wrote our first book concerning the end times we were living in Montgomery Alabama of the United States Since we wrote the first book we have moved with our three children Elijah Jeremiah Ezekiel Daniel Isaiah and Rebekah Anna Franklin Even before we finished writing the first book God told us that we would write this book also A certain saint preacher and prophet came to us with a message from God He prophesied many things that God would use us to do Part of the prophecy was that we would write another book He visited us with this prophecy in the second half of the year 1994 This was a surprising prophecy to us We thought that the first book would be the only one we would write We had given all we had to give in this book On February 1 1995 while in prayer between 5 00 a m and 6 00 a m God spoke to us directly and said that we would write another book This was a very special week for us The day before January 31 1995 our oldest son Elijah Jeremiah Ezekiel Franklin had his fifth birthday On February 2 1995 he was filled with the Holy Ghost evidenced by speaking in other tongues and baptized in the name of Jesus This was a burden lifting experience for us We had been praying every day since before he was born for him to be born again and now finally it had happened God had told us a few days before of some great work in the ministry that he would use us for A day after Elijah was filled with the Holy Ghost he prophesied of the very thing God had told us a few days earlier We had not told him neither could he have known what God had told us As we have said this is the second book we have written Both of these books are related to the end times We write this book as a kind of companion book to the first book Our first book has as its title Proof That Your Leaders Have Deceived You And The End Times This our second book unlocks many mysteries concerning the end times which God revealed to us After you read this book the scriptures concerning the end times will no longer be hard to understand In fact the Book of Revelation and other end time prophecy scriptures will be some of the easiest scriptures to understand in the Holy Bible What we provide you in this book is not something concerning the end times that is theorized and taught by man as others have written but we provide you revelation and understanding from the throne of God In fact others dont make this claim but we proclaim that the words we write are from God If any words that are spoken are written be contrary to what we write they are lies We have received

from God and we have received again from God for confirmation Our words line up with Gods words in the Holy Bible and they must otherwise they also would be lies WILL YOU BELIEVE Regrettably the answer is NO of most of you in the United States However the answer is YES for a certain number in the United States We thank God Also the answer is YES for great multitudes in many places other than in the United States We rejoice Without God providing us this revelation and wisdom we neither would know and could write anything So we appropriately write this book for the Lord God Almighty JESUS praise glory honor tribute thanks worship will pleasure and for the salvation of souls T.S.Eliot: Four Quartets Bernard Bergonzi, This is a Bloomsbury Academic title For our full Academic Catalogue please visit <https://www.bloomsbury.com/uk/academic>
