

# The End of Philosophy

The background image is a classical painting of a grand, vaulted hall. The architecture features high arches and statues in niches. In the foreground, several figures in dark, heavy robes are crouching or kneeling on a checkered floor. In the middle ground, a large group of people in various historical or classical attire are gathered, some appearing to be in a state of distress or conflict. At the far end of the hall, a bright light emanates from an opening, where two figures in dark robes are walking away from the viewer towards the light.
