END TIME EVENTS Akinbowale Isaac Adewumi, 2023-03-22 The future prophecies of what is about to happen the destiny of human souls and the end of the entire created order are made known to us in both the Old and New Testaments of the Holy Bible Fulfilled biblical prophecies of the past give us a glimpse into the bleak future History and contemporary occurrences are testaments to the unfailing precision of Bible prophecies over time Generally the Bible has many references pointing to the end times but only God knows the time specificity of when these foreboding events will roll out It only serves as a warning to all inhabitants of the earth that the end is imminent We need to prepare to meet the Lord to avoid inescapable dangers associated with the end times as espoused by eschatology which has drawn much attention in the Christian faith because God loves to reveal His plans to His prophets beforehand In our generation and civilization God s prophetic clock is ticking with accurate timelines to set the stage for the apocalyptic panoramic events that will characterize the end time events as to the milestones of human existence and its cataclysmic dimensions Opinions may vary theologies may conflict and schools of thought may differ relatively even as radio carbon dating falls into the error of anachronism but the Scripture has proved to be inerrant reliable and a fail safe about eschatology and the vicissitudes of life Armed with this binocular of God s divine calendar author Akinbowale Adewumi systematically chronicles the enigmatic events of the immediate and distant future through the last days to the end of time with convincing clarity in this book Summarily he attempts to help readers strategically place themselves in a vantage position in the race of life and eternity Unequivocally Jesus gave hints on deceivers and false Christs the noise of wars nation rising against nation and kingdom against kingdom intense persecution of brethren climatic changes earthquakes in diverse places environmental hazards famines and troubles pestilences love of God waxing cold in many believers lawlessness injustice the trial of faith tribulation hatred maliciousness betrayal untold suffering an abomination of desolation the emergence of a recessive world economy carelessness and the need for all to watch Obviously almost all events across the world no doubt have continued to confirm that the world is running its full course to drop its worn out garment of the rebellious act unrighteousness disobedience and sin against God Hence nobody can claim ignorance of the recent happening across the globe all confirming earlier predictions and prophecies from the prophets that the second coming of our Lord Jesus Christ is at hand The Bible lifts the curtains and gives us a picture of some of the fearful events that will happen after the saints of God have been raptured caught up or taken

home to be with the Lord actually Although many church assemblies or religious circles may give different interpretations to events of the end times the fact remains that no true believer should go through the agony of events in the end time The gory experiences untold sufferings and fierce judgments are better imagined The reign of the antichrist will reach its height at this time and he will mobilize the world to fight against our Lord and Saviour Jesus Christ and the saints Nevertheless God in His infinite power will pour out His fierce judgment upon the people on the face of the earth during that time There will be no hidden place for sinners backsliders religious infidels proselytes atheists and all who reject the gospel of salvation that the Lord brought for all men The suffering and anguish will be too much to the point that men will still blaspheme God rather than repent It would be too late to repent at this time because the Holy Ghost that could bring conviction upon people would have been withdrawn

Answers to Confounding Teachings of End-Time Events W. Winters, 2024-11-07 How many different views of the end time Bible passages have you heard Are the gospel accounts about the end times only talking about Jesus s second coming or do they include information on the rapture What exactly happens when the rapture takes place What happens to Fido my cat in the rapture event What kind of body does my dad in heaven have right now if he doesn t get one until the rapture Just how many resurrections are there How can I know I ll be going up in the rapture to be with Jesus And then there s the Ezekiel 38 and 39 war the Gog Magog war How many different views have you sat through for that one How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog Magog wars And what about Psalms 83 is it a war or a prayer Are you tired of the unanswered questions or being told we can never know for sure Then stop and read this book Allow the words to with prayer through the power of the Holy Spirit walk you through the Scriptures to provide real answers to all the different prophetic teachings You don t have to be confounded about these end time questions anymore I hope you re as blessed by God reading this book as much as I was by writing it See you in the clouds soon

Journey To The End Times Dr. Marius Nel, 2014-06-30 Journey to the end times takes you from the beginning of the story through to the end times The adventure starts in heaven runs through the course of the history of the world to the current formation of the new world order and the driving force behind all of the events over time We also cover the powers behind this journey of the world This book is not your typical end of world writing following the books of Daniel and Revelation rather it is a book that covers the path and essence of the journey to the end of the world The real players the real goal and why it is going to happen the way it is going to happen Lucifer rose up against God We can track his path and influence throughout history and see the culmination of this goal in today s world We consider the new world order not in the light of current literature but in the power behind these We always hear it is the world bankers the Illuminati the Free Masons but who controls them and why

Chronicles of the End Times Mark Davidson, 2018-10-05 Mark Davidson author of Daniel Revisited has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiastics Lost centuries ago it was rediscovered by seminary

scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In Daniel Revisited Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in Chronicles of the End Times chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What s the purpose of Daniel s Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy *Restoring the Vision of the End-times Church* Vern L. Kuenzi, 2000 A visionary look at the victorious End Times Church and their attempt to walk as Jesus walked Theology Charting the End Times Tim LaHaye, Thomas Ice, 2001-09-01 Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace The result of decades of careful research and Bible study the charts and well written explanatory text provide a fascinating picture of the times ahead Charting the End Times includes A foldout portraying God s complete plan for the ages More than 50 full color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end times questions Providing a wealth of information this book is certain to become a popular study tool for understanding God s unfolding plan **Last Days Survival Guide** Rick Renner, 2020-08-18 God Wants You Prepared for These Perilous Times The Holy Spirit warned that perilous times would come in the very last of the last days We re in that time frame right now and it is imperative that we know how to survive victoriously Scripture prophesies that spiritual tempests will spread across the world The Religious Right Glenn H. Utter, John Woodrow Storey, 2007 Timely and unbiased this edition updates and expands its examination of the religious right and its influence on our government citizens society and politics From the fight to outlaw the teaching of Darwin s theory of evolution to the struggle to outlaw abortion the religious right is continually exerting an influence on public policy **End Time Delusions** Steve Wohlberg, 2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth s nations attack Israel at Armageddon Best selling books like Left Behind and popular

apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ s return Yet when it comes to what the majority thinks will happen during Earth s last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy End Time Delusions exposes massive errors now flooding through media and in much of today s sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity s most illustrious scholars it lets the Bible speak for itself about the past present and future

The Non-Prophet's Guide to the End Times Todd Hampson,2018-10-02 I Believe Jesus Will Return What More Do I Need to Know Do you tend to avoid studying books of the Bible like Revelation and Ezekiel Does it feel like words such as rapture and apocalypse fly right over your head It s common to dismiss these and other topics related to Bible prophecy as irrelevant and well too complicated But God s Word says Blessed is the one who reads aloud the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1 3 Prepare to be blessed in an entertaining and meaningful way The Non Prophet s Guide to the End Times combines engaging illustrations with down to earth explanations to help you navigate the ins and outs of Bible prophecy There s no better time to grasp God s plans for the future and for you than this very moment

Road Signs to the End Times Bruce Warnock, *Understanding the End Times* Rich Chasse,2022-09-02 People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation The topic can be disturbing For some people it can even be scary There s a lot of misinformation out there There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear taking advantage of many as a result To understand how to approach the study of End Times events we need to ask an important question Are current events pointing to a soon return of Jesus How we answer this question will influence how we view the rest of prophecy It s important to understand what goes into answering this question correctly When you turn on the news and watch events unfold do you sense the tension When you flip through your social media or the internet and look at all the things that are happening does it cause you heartburn or maybe heartache Would you say we are in a unique time in world history So how do you answer the question We ll answer that and more in *Understanding the End Times Are Current Events Pointing to a Soon Return of Jesus*
