Endtime Notes On The Apocalypse:

Apocalypse Revisited: A Critical Study on End Times Melis Mulazimoglu Erkal, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 Mankind's fascination with the Apocalypse is not new Starting from the Hindu notions of Kali Yuga to 2012 Phenomenon Apocalypse has been a part of our lives in the form of a cultural formation natural threat fictional entity ideological construct political fear or catastrophic end Apocalyptic discourses underline how one culture perceives and reflects pain trauma loss and fear as well as indicating the ability to face and get ready for disaster This inter disciplinary and academic study aims to discuss the end of the world in multiple contexts where the popularity of apocalypse always reigns In the scope of this work readers will see the multi dimensional nature of the Apocalypse referring more to progress rather than end or beginning an in between situation a becoming a formation local yet global phenomenon a product of fantasy plus a constructed reality both an object of consumption and life consuming mechanism an ideological presence in the absence of larger meta narratives Visions of the End Times Laura Duhan-Kaplan, Anne-Marie Ellithorpe, Harry O. Maier, 2022-11-11 Global challenges fill the news today It's not always easy to balance fear with hope That's why this book points to resources for optimism and action A diverse group of scholars draw on Jewish Christian Islamic and Mori traditions to describe challenges and hopes They recognize the ruptures of militarism trauma colonialism religious nationalism climate change and more But they also describe the healing power of communal action spiritual practices biblical literature and the arts *After the end* David L. Pike, 2024-04-09 After the End argues that the cultural imaginaries and practices of the Cold War continue to deeply shape the present in profound but largely unnoticed ways across the global North and in the global South The argument draws examples from literature and literary criticism film music the historical and social scientific record and past and present physical sites to consider the bunker as a material form an image and as a fantasy that took shape in the global North in the 1960s and that spread globally into the twenty first century After the End reminds us not only that most of the world's peoples have lived with or died from apocalyptic conditions for centuries but that the Cold War imaginaries that grew from and fed those conditions continue to survive as well *The End Times, Again?* Martyn Whittock, 2021-10-15 From the Middle Eastern politics of Donald Trump to the UK's 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in

danger of repeating them Jesus Whittock argues taught a different way

Rapture, Revelation, and the End Times

Bruce David Forbes, Jeanne Halgren Kilde, 2004-06-12 An objective look at the Left Behind series the significance of the Biblical references in the books and what they can tell us about apocalyptic Christian fiction in general

Jihadist

Preachers of the End Times Ostransky Bronislav Ostransky, 2019-08-28 Focusing on apocalyptic manifestations found in ISIS propaganda this book situates the group's agenda in the broader framework of contemporary Muslim thought and explains key topics in millennial thinking within the spiritual context of modern Islamic apocalypticism Based on the group's primary sources as well as medieval Muslim apocalyptic literature and its modern interpretations the book analyses the ways ISIS presents its message concerning the Last Days as a meaningful inventive and frightening expression of collectively shared expectations relating to the supposedly approaching the End Times

***A Brief History of End Time* Paula**

Clifford, 2016-11-15 With subjects ranging from William Blacke to Nostradamus this book considers all things apocalyptic and asks the question of why the end of time has captured the human imagination in so many ways

Feeling the Future at

Christian End-Time Performances Jill C. Stevenson, 2022-02-01 The End is always near The Apocalypse has sparked imaginations for millennia while in more recent times highly publicized predictions have thrust End Time theology briefly into the spotlight In the 21st century fictional depictions of various apocalyptic scenarios are found in an endless stream of films TV shows and novels while real world media coverage of global issues including climate change and the migrant crisis often features an apocalyptic tone Feeling the Future at Christian End Time Performances explores this prevalent human desire to envision the End by analyzing how various live End Time performances allow people to live in and through future time The book's main focus is contemporary Christian End Time performances and how they theatrically construct encounters with future time not just images or ideas of a future but viscerally and immediately real experiences of future time Author Jill Stevenson's examples are Hell Houses and Judgement Houses Rapture House a similarly styled walk through drama in North Carolina Hell's Gates an outdoor reality drama in Dawsonville Georgia Ark Encounter a full size recreation of Noah's Ark and Tribulation Trail an immersive thirteen scene drama ministry based on the Book of Revelation The book's coda considers similarities between these Christian performances and secular survivalist prepper events especially with respect to constructions of and language about time In doing so the author situates these performances within a larger tradition that challenges traditional secular sacred distinctions and illuminates how the End Times has been employed in our current social and political moment

End Time Delusions

Steve Wohlberg, 2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth's nations attack Israel at Armageddon Best selling books like Left Behind and popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ's return

Yet when it comes to what the majority thinks will happen during Earth's last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy End Time Delusions exposes massive errors now flooding through media and in much of today's sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity's most illustrious scholars it lets the Bible speak for itself about the past present and future

Apocalyptic Fever Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more

Apocalyptic Movements in Contemporary Politics C. Aldrovandi, 2014-05-27 This book explores Israeli Religious Zionism and US Christian Zionism by focusing on the Messianic and Millenarian drives at the basis of their political mobilization towards a Jewish colonization of the occupied territories

Media and the Apocalypse Kylo-Patrick R. Hart, Annette Holba, 2009 Responding to a plethora of media representing end times this anthology of essays examines pop culture's fascination with end of the world or apocalyptic narratives Essays discuss films and made for television movies including *Deep Impact* *The Core* and *The Day After Tomorrow* that feature primarily human made catastrophes or natural catastrophes These representations complement the large amount of mediated literature and films on religious perspectives of the apocalypse the *Left Behind* series and other films books that deal with prophecy from the Book of Revelation in the Bible This book will be useful in upper level undergraduate graduate courses addressing mass media film and television studies popular culture rhetorical criticism and special advanced topics In addition the book will be of interest to scholars and students in disciplines including anthropology history psychology sociology and religious studies

End-Time Prophecy Børge Beck, 2023-03-09 Along with a correct understanding of the Bible as the God-breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical

or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God's dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church

The Apocalypse, with Notes and Reflections. By the Rev. Isaac Williams ... New Edition Isaac Williams, 1873 Seven Signs of the End Times Mark Hitchcock, 2009-01-21 Americans are watching the news with expectant eyes full of apprehension about what will happen next Is it too early to worry that the times are winding down Mark Hitchcock a Dallas Theological Seminary graduate and recognized expert on end times theology distills the seven essential signs of the end as foretold in the Bible In this fifth book of his authoritative series on biblical prophecy Hitchcock cuts straight to the heart of an urgent topic providing the information people need as they try to evaluate the state of their world **Beekeeping in the End Times** Larisa Jašarević, 2024-03-05 Every hundred years as the story goes two angels wonder out loud whether the bees are still swarming For as long as the bees are swarming the angels are reassured the world holds together Still the tale suggests the angels live in anxious anticipation of the End Local beekeepers in Bosnia and Herzegovina retell the old tale with growing unease as their honeybees weather the ground effects of climate change Beekeeping in the End Times relates extreme weather events and quieter disasters that have been altering honey ecologies across Bosnia and Herzegovina since 2014 While world wide endangerment of pollinators and bees in particular has been the subject of much global concern effects of climate change on the indispensable honeybees remain understudied Drawing on a five year long study the book suggests that local apiarists field observations resonate with many climate biologists concerns and speculations about the future of plant bee relations on the warming planet Local practice also adds to the record complex and puzzling trends that make honey scarce in otherwise lush biodiverse landscapes To Bosnian Muslims honeybees are more than pollinators They are inspired beings whose honey is another form of divinely revelation To appreciate the meaning of honeybees and to grasp the dire ecological catastrophe underway Jašarević reads contemporary environmental writings and Sufi texts she listens to the seasoned beekeepers and collects local wisdom tales From start to finish Jašarević pores over key Islamic texts the Quran and the Hadith and their popular retellings The Islamic end times lore the book proposes holds surprising lessons on how to live and strive in the not yet stalling the apocalypse **End Times** R. Paul Stevens, 2003-12-30 As R Paul Stevens leads you to examine for yourself what the Bible says about end times you'll learn what you can do now to be ready for the future whatever it holds In this thirteen session LifeGuide Bible Study features additional questions for starting group discussions

and for meeting God in personal reflection together with expanded leader's notes and a Now or Later section in each study

The End Times Controversy Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

Apocalyptic Chic Barbara Brodman, James E. Doan, 2017-10-10 This book deals with legends and images of the apocalypse and post apocalypse in film and graphic arts literature and lore from early to modern times and from peoples and cultures around the world It reflects an increasingly popular leitmotif in literature and visual arts of the 21st century humanity's fear of extinction and its quest for survival in revenant supernatural or living human form It is the logical continuation of a series of collected essays examining the origins and evolution of myths and legends of the supernatural in Western and non Western tradition and popular culture The first two volumes of the series The Universal Vampire Origins and Evolution of a Legend Fairleigh Dickinson University Press 2013 and Images of the Modern Vampire The Hip and the Atavistic Fairleigh Dickinson University Press 2013 focused on the vampire legend The third The Supernatural Revamped From Timeworn Legends to Twenty First Century Chic 2016 focused on a range of supernatural beings in literature film and other forms of popular culture

Miracles, Signs, Symbols and Judgment God's Plan for the End Times David G. Brown, 2012-11-07 Through the unique format of this text David has given the answers to nearly six hundred questions that have plagued many regarding the book of Revelation The product of his work is a book that addresses these concerns and amplifies the need for one to have a personal relationship with God The following is just a sample If Babylon was destroyed by the Persians how can it be destroyed again How important are truth and justice today But what is justice when it comes to God and us Just what does it mean to fear God Exactly who are the beast and false prophet When one thinks of heaven what is the picture that comes to mind How many people can heaven hold If over 2 000 years have passed without Christ's return what assurance is there that He will return
