Enduring Legacy:

Enduring Legacy William Henry Kellar, 2014-04-16 At the heart of Houston stands the Texas Medical Center This dense complex of educational clinical and hospital facilities offers state of the art patient care basic science and applied research in more than fifty medicine related institutions Three medical schools four schools of nursing and schools of dentistry public health and pharmacology occupy the thousand acre campus But none of this would exist if not for the generosity and vision of Monroe Dunaway Anderson who in 1936 established the foundation that bears his name The M D Anderson Foundation ultimately became the driving force behind creating and shaping this leading edge medical complex into what it is today

Enduring Legacy The M D Anderson Foundation and the Texas Medical Center provides a unique perspective on the indispensable role the foundation played in the creation of the Texas Medical Center It also offers a case study of how public and private institutions worked together to create this veritable city of health that has since become the largest medical complex in human history

Historian William Henry Kellar caps off a decade of research on institutions and characters associated with the Texas Medical Center He draws on oral histories extensive archival work and a growing secondary literature to provide an absorbing account of this leading institution of modern medicine and the philanthropy that made it possible

The Enduring Legacy Miguel Tinker Salas, 2009-05-11 Oil has played a major role in Venezuela s economy since the first gusher was discovered along Lake Maracaibo in 1922 As Miguel Tinker Salas demonstrates oil has also transformed the country s social cultural and political landscapes In *The Enduring Legacy* Tinker Salas traces the history of the oil industry s rise in Venezuela from the beginning of the twentieth century paying particular attention to the experiences and perceptions of industry employees both foreign and Venezuelan He reveals how class ambitions and corporate interests combined to reshape many Venezuelans ideas of citizenship Middle class Venezuelans embraced the oil industry from the start anticipating that it would transform the country by introducing modern technology sparking economic development and breaking the landed elites stranglehold Eventually Venezuelan employees of the industry found that their benefits including relatively high salaries fueled loyalty to the oil companies That loyalty sometimes trumped allegiance to the nation state North American and British petroleum companies seeking to maintain their stakes in Venezuela promoted the idea that their interests were synonymous with national development They set up oil camps residential communities to house their workers that brought Venezuelan employees together with workers from the United States and Britain and eventually with Chinese West Indian and Mexican migrants as well Through the camps the companies offered not just housing but also schooling leisure activities and acculturation into a structured corporate way of life Tinker Salas contends that these practices shaped the heart and soul of generations of Venezuelans whom the industry provided with access to a middle class lifestyle His interest in how oil suffused the consciousness of Venezuela is personal Tinker Salas was born and raised in one of its oil camps
