Arthur Schopenhauer

Enduring Satisfaction A Philosophy Of:

Enduring Satisfaction William P. McEwen, 1949

The Philosophy of Schopenhauer Arthur Schopenhauer, 1928

Vladimir Solov'ev's Justification of the Moral Good Thomas Nemeth, 2015-04-20 This new English translation of Solov v s principal ethical treatise written in his later years presents Solov v s mature views on a host of topics ranging from a critique of individualistic ethical systems to the death penalty the meaning of war animal rights and environmentalism Written for the educated public rather than for a narrow circle of specialists Solov v s work largely avoids technical vocabulary while illustrating his points with references to classical literature from the ancient Greeks to Goethe Although written from a deeply held Christian viewpoint Solov v emphasizes the turn from his earlier position now allegedly developing the independence of moral philosophy from metaphysics and revealed religion Solov v sees the formal universality of the idea of the moral good in all human beings albeit that this idea is bereft of material content This first new English language translation in a century makes a unique contribution to the study of Solov v s thought It uses the text of the second edition published in 1899 as its main text but provides the variations and additions from the earlier versions of each chapter in running notes Other unique features of this translation are that the pagination of the widely available 1914 edition is provided in the text and the sources of Solov v s numerous Biblical quotations and references as well as literary and historical allusions

T. H. Green: Ethics, Metaphysics, and Political Philosophy Maria Dimova-Cookson, William J.

Mander, 2006-06-01 Recent years have seen a growth of interest in the great English idealist thinker T H Green 1836 82 as philosophers have begun to overturn received opinions of his thought and to rediscover his original and important contributions to ethics metaphysics and political philosophy This collection of essays by leading experts all but one published here for the first time introduces and critically examines his ideas both in their context and in their relevance to contemporary debates

An Introduction to Philosophy Paul J. Glenn, Aeterna Press, 2015-03-05

An Introduction to Philosophy ought to live up to its name It should tell the young collegian and the presumably older non collegian who takes it up with serious intent a number of important things It should answer the questions naturally to be expected of the person who wishes to be introduced questions such as these What is philosophy How did it come into existence What interesting things have happened to develop it or to hinder its development Aeterna Press

The Slow Success Revolution Thaddeus

Winslow, 2025-01-22 Embrace a New Era of Achievement What if the secret to true success lies not in the frantic race against time but in embracing a more measured pace In a world obsessed with instant results The Slow Success Revolution Redefining Achievement at Your Own Pace invites you to step back reflect and revolutionize how you define accomplishment Delve deep into the origins of the slow success movement and discover its transformative power Challenges the prevailing myth of instant gratification revealing the hidden costs of the relentless pursuit for speed Learn how genuine success can be redefined on your own terms by embracing your unique path This book offers a refreshing perspective advocating for

Psychology of Charm Joseph Morton,2025-02-10 The Psychology of Charm by Joseph Morton delves into the science of building effective and lasting relationships through charm charisma and social influence Drawing on psychological research and practical strategies Joseph provides techniques for enhancing personal magnetism and making a positive impression in social professional and personal settings He emphasizes the importance of nonverbal communication emotional intelligence and connecting with others on a deeper level By understanding human behavior and leveraging key psychological principles readers are empowered to become more engaging persuasive and socially adept ultimately improving their chances of success in every area of life *Theosophical Forum and the Theosophical Path and Lucifer* ,1951 The Enduring Authority of the Christian Scriptures D. A. Carson,2016-02-29 Valuable insights into key disputed topics from a veritable who s who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come CONTRIBUTORS James Beilby Kirsten Birkett Henri A G Blocher Craig L Blomberg D A Carson Graham A Cole Stephen G Dempster Daniel M Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E Hill Peter F Jensen Robert Kolb Anthony N S Lane Te Li Lau Richard Lints V Philips Long Thomas H McCall Douglas J Moo Andrew David Naselli Harold Netland Osvaldo Padilla Michael C Rea Bradley N Seeman Alex G Smith R Scott Smith Rodney L Stiling Glenn S Sunshine Timothy C Tennent Mark D Thompson Kevin J Vanhoozer Bruce K Waltke Barry G Webb Peter J Williams John D Woodbridge *Walter Kaufmann* Stanley Corngold,2018-12-11 The first complete account of the ideas and writings of a major figure in twentieth century intellectual life Walter Kaufmann 1921 1980 was a charismatic philosopher

critic translator and poet who fled Nazi Germany at the age of eighteen emigrating alone to the United States He was astonishingly prolific until his untimely death at age fifty nine writing some dozen major books all marked by breathtaking erudition and a provocative essayistic style He single handedly rehabilitated Nietzsche s reputation after World War II and was enormously influential in introducing postwar American readers to existentialism Until now no book has examined his intellectual legacy Stanley Corngold provides the first in depth study of Kaufmann s thought covering all his major works He shows how Kaufmann speaks to many issues that concern us today such as the good of philosophy the effects of religion the persistence of tragedy and the crisis of the humanities in an age of technology Few scholars in modern times can match Kaufmann s range of interests from philosophy and literature to intellectual history and comparative religion from psychology and photography to art and architecture Corngold provides a heartfelt portrait of a man who to an extraordinary extent transfigured his personal experience in the pages of his books This original study both appreciative and critical is the definitive intellectual life of one of the twentieth century s most engaging yet neglected thinkers It will introduce Kaufmann to a new generation of readers and serves as a fitting tribute to a scholar s incomparable libido sciendi or lust for knowledge

Memorial of Samuel Eells Anonymous,2023-09-27 Reprint of the original first published in 1873 **Memorial of**

Samuel Eells ,1873 Ethical Perspectives on Environmental Issues in India George Alfred James,1999 The Essays In This Volume Are Of Interest Not Only To Readers Concerned With Indian Environmental Issues But Also To Persons Concerned With Environmental Issues Around The World The Journal of Philosophy ,1919 Covers topics in philosophy psychology and scientific methods Vols 31 include A Bibliography of philosophy 1933 *Dante Philomythes and Philosopher* Patrick Boyde,1981 This book is devoted to a full and lucid exposition of Boyde s ideas In the first two parts the author presents a systematic account of the universe as Dante accepted it and explains the processes of creation and generation as they operate in the non human parts of the cosmos Dr Boyde then shows how the two processes combine in Dante s theory of human embryology and how this combination affects the issues of love choice and freedom The third and last part of the book consolidates these expository sections with a generous selection of quotations from Dante s authorities and from his own works in prose At the same time the book offers far more than a clear account of Dante s cosmology and anthropology Dr Boyde is interested in Dante s ideas in so far as they inspired and gave shape to the Divine Comedy Furthermore in every chapter he demonstrates how the relevant concepts and habits of thought were transmuted into imagery symbolism and dramatic scenes or simply transformed by the energy and concision of Dante s poetic style *The Living Pulpit, Or Eighteen Sermons by Eminent Living Divines of the Presbyterian Church, with a Biographical Sketch of the Editor* Elijah Wilson,1859

The Journal of Philosophy, Psychology and Scientific Methods ,1919 **The Journal of Philosophy, Psychology, and Scientific Methods** Frederick James Eugene Woodbridge,Wendell T. Bush,1919 **More Than Happiness** Antonia

Macaro,2018-01-04 This groundbreaking study provides a much needed philosophical framework for those practising mindfulness as well as a call to recover the pragmatic and therapeutic dimensions of philosophy Stephen Batchelor author of After Buddhism and Secular Buddhism Modern readers tend to think of Buddhism as spending time alone meditating searching for serenity Stoicism calls to mind repressing our emotions in order to help us soldier on through adversity But how accurate are our popular understandings of these traditions And what can we learn from them without either buying in wholeheartedly to their radical ideals or else transmuting them into simple self improvement regimes that bear little resemblance to their original aims How can we achieve more than happiness In More than Happiness Antonia Macaro delves into both philosophies focusing on the elements that fit with our sceptical age and those which have the potential to make the biggest impact on how we live From accepting that some things are beyond our control to monitoring our emotions for unhealthy reactions to shedding attachment to material things there is much she argues that we can take and much that we do better to leave behind In this synthesis of ancient wisdom Macaro reframes the good life and gets us to see the world as it really is and to question the value of the things we desire The goal is more than happiness living ethically and placing value on the right things in life
