Enemy Of Love:

'Love Your Enemies' John Piper,1979 **Love Your Enemies** Lisa Sowle Cahill,1994 The author examines the theological bases of just war theory and pacifism especially in the light of the concept of God as that motif illuminates Christian discipleship Differences between the theory of just war and the practice of pacifism are highlighted in the overview of the history of Christian thought on the subject and the inclusiveness of the ideal of the kingdom for pacifism is emphasized

Enemies and How to Love Them Gerard Vanderhaar,2013-09-01 This compassionate book describes the making of enemies in our personal social and national lives It goes on to outline a nonviolent approach to resolving enmity wherever it arises It taps the rich resources of Jesus two thousand year old formula Love your enemies with the help of our contemporary understanding of Gandhian active nonviolence The author offers a life changing habit breaking approach of understanding focusing and negotiating as a positive alternative to the usual flight or fight response to enemies The book sketches an informative portrait of the Soviet Union that includes insights into its communist ideology its political structures and the practice of religion in the country The book stresses that the USSR is a nation of real people who are interesting sometimes colorful yet always struggling Barth on the Descent into Hell David Lauber,2017-09-29 The Christian confession that Jesus Christ descended into hell has been variously misunderstood or simply neglected by the Church and dogmatic theology This work is a significant retort to dogmatic forgetfulness and ecclesial misunderstanding It succeeds in doing so by offering a close reading and critical analysis of Karl Barth s treatment of the descent into hell and its relation to his extraordinary theology of the atonement The reach of David Lauber s work is extended by placing Barth in conversation with Hans Urs von Balthasar s innovative theology of Holy Saturday In revealing and unexpected ways this book casts light upon the ecumenical breadth of Barth s theology It is a valuable interpretation of significant facets of Barth s doctrine of God reflection upon the passion of Jesus Christ and ethics In addition Lauber offers a constructive theological proposal for how the descent into hell affects the theological interpretation of Scripture the trinitarian being and activity of God and the non violent and authentic shape of Christian life and witness before our enemies *Love of Enemies* William Klassen,2002-05-22 Love of enemies search for peace In the current international political atmosphere where hope is in short supply these days within and outside the church William Klassen these twin themes hardly seem compatible Klassen maintains however that the two are not only consistent but also have coexisted from ancient times to the present due in large part to the Jesus movement Examining the Hellenistic and Hebrew backgrounds of the two themes Klassen illuminates old familiar texts as well as some that have been previously ignored He shows how people today can strive for peace both by following the examples of the twentieth century figures before them and be returning as warriors of peace to long neglected biblical resources

Judaism Is About Love Shai Held,2024-03-26 A profound startling new understanding of Jewish life illuminating the forgotten heart of Jewish theology and practice love A dramatic misinterpretation of the Jewish tradition has shaped the

history of the West Christianity is the religion of love and Judaism the religion of law In the face of centuries of this widespread misrepresentation Rabbi Shai Held one of the most important Jewish thinkers in America today recovers the heart of the Jewish tradition offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity Blending intellectual rigor a respect for tradition and the practices of a living Judaism and a commitment to the full equality of all people Held seeks to reclaim Judaism as it authentically is He shows that love is foundational and constitutive of true Jewish faith animating the singular Jewish perspective on injustice and protest grace family life responsibilities to our neighbors and even our enemies and chosenness Ambitious and revelatory Judaism Is About Love illuminates the true essence of Judaism an act of restoration from within *Compassionate Love and Ebony Grace* Kortright Davis,2012-03-22 Why is the Golden Rule so central in almost every culture and religion What is it that drives human beings to do good to others Are altruism compassion and forgiveness natural forms of human behavior or do they have to be learned and practiced in the neural context of our primal instincts for survival and self defense These are some of the questions that lie behind the study of Compassionate Love amongst people of color Davis explores the patterns and contours of other love which he defines as a selfless regard for the well being of others He also examines the basis for distinctive modes of compassionate behavior enriched by ebony grace a theological attribution for people of African descent This text focuses especially on the historical cultural and religious heritage that inspires and empowers such attitudes in spite of constant encounters with systemic negation social alienation and unrelenting racism How is it that Black families in the home school and church still support sustain and succeed in the practice of unyielding love in compassion That is the magic and mystery within contemporary Black cultural norms and moral values This text is a powerful attempt to contribute to the debate on Christian altruism **Choosing Stillness, Knowing Love** Christine Dixon,2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time Enemy of Love Virginia Coffman,1991 **Traditional Christian Ethics** David W. Schertz, 2023-06-27 Luke is a gospel of joy amazement and warmth From the jubilant birth narrative and Magnificat at the beginning to the wonder of the ascension at the end Luke offers a matchless portrait of Jesus Christ of Nazareth and those who followed him In the 36th volume in the Believers Church Bible Commentary series New Testament scholar Mary H Schertz helps readers inhabit the pages of the third gospel replete with parables and paradoxes and ministries of mercy In vibrant writing and with careful exegesis Schertz invites readers to investigate for themselves the surprise light and awe of

the kingdom of God in which people find healing the marginalized find welcome and the poor find flourishing Schertz traces the motifs of holy warrior and suffering servant that confronted every first century Jew including Jesus and that still shape the church today Through it all Luke demonstrates both the cost of the kingdom and the exuberance of a life lived in loyalty to Jesus and the strength of the Spirit About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Forward Dictionary of Scripture and Ethics Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics *The Sin of White Supremacy* Fletcher Hill, Jeannine , 2017-08-17 How Christian supremacy gave birth to white supremacy The witchcraft of white supremacy When words create worlds The symbolic capital of New Testament love The cruciform Christ Christian love in a weighted world **Extremist for Love** Rufus Burrow Jr. , 2014-01-01 In spite of extensive research and publishing on King insufficient attention has been given to the convergence of ideas and action in his life In an era where people are often sorted into the categories of thinker and doer King stands out a rare mix of the deeply profound thinker and intellect who put the fruit of that reflection into the service of direct social action **Theology for International Law** Esther D. Reed, 2013-09-12 Whilst Christian theology is familiar with questions about the relation of church and state divine and human law little attention has been devoted to questions of international law Esther D Reed offers a systematic engagement with contemporary issues of international law and its relevance for modern theology Reed discusses numerous issue driven topics including challenges to classic just war thinking from so called fourth generation warfare peoples and nationhood within divine providence the ethics of territorial borders and the militarization of human intervention By discussing selected biblical texts Reed helps to move the issues of international law higher up the agenda of Christian theology ethics and moral reasoning *Healing the Heart of the World* Dawson Church, 2010 This book takes the viewpoint that personal health and earth s health are one In this mindset it examines powerful new trends shaping individual wellness and planetary health A wide spectrum of factors are considered as the book includes sections by 40 prominent educators scientists ecologists psychologists doctors entrepreneurs and spiritual leaders Their goal To offer visionary ideas that point the way to a sane hopeful and sustainable future *Freedom All The Way Up* Christian J. Barrigar, 2017-05-19 Freedom All The Way Up proposes four intertwined elements that make up the meaning of life self worth purpose identity and hope Materialism atheism claim the universe has no meaning so there is no larger purposeful story into which we can place ourselves we are left on our own to construct meaning for our lives Barrigar argues though that the universe possess God s meaning and purpose to provide the space and conditions by which to bring about the existence of agape capable beings in agape loving relationships with God and with others In effect the universe is a great freedom system designed by God with

freedom built in all the way up from the Big Bang to the emergence of big brains and free will Barrigar describes the emergence of this system through his novel agape probability account of God s design for the universe which integrates such disciplines as quantum physics statistical mechanics probability theory evolutionary psychology neuroscience and game theory This system sets up the conditions for a fundamental choice between autonomous freedom which focuses principally on self and agapic freedom which focuses principally on God and on others Materialism chooses autonomous freedom but thereby introduces nihilism into each of the elements of meaning In turns out that nihilism is a much greater problem for Materialism than suffering is for Theism In contrast agapic freedom infuses self worth purpose identity and hope with God s agape love dispelling Materialism s inherent nihilism Freedom All The Way Up provides a dramatic new proposal for God and the meaning of life in our scientific and humanist age *Paul's Gospel of Divine Self-Sacrifice* Paul Moser,2022-09-15 This book explains how reparative self sacrificial righteousness is at the heart of Paul s gospel and how divine self sacrifice authenticates that gospel via human reciprocity toward God in reconciliation Paul Moser explores the controversial matters regarding Paul s message in a way that highlights the coherence and profundity of his message
