operation of the prosecution in international criminal trials As the first comprehensive study of an international legal actor whose decisions have widespread political repercussions this book will be essential reading for all with an interest in international criminal justice      **Catalogues of Sales** Sotheby & Co. (London, England),1935      **Whitehall and the Jews, 1933-1948** Louise London,2003-02-27 Whitehall and the Jews is the most comprehensive study to date of the British response to the plight of European Jewry under Nazism It contains the definitive account of immigration controls on the admission of refugee Jews and reveals the doubts and dissent that lay behind British policy British self interest consistently limited humanitarian aid to Jews Refuge was severely restricted during the Holocaust and little attempt made to save lives although individual intervention did prompt some admissions on a purely humanitarian basis After the war the British government delayed announcing whether refugees would obtain permanent residence reflecting the government's aim of avoiding long term responsibility for large numbers of homeless Jews The balance of state self interest against humanitarian concern in refugee policy is an abiding theme of Whitehall and the Jews one of the most important contributions to the understanding of the Holocaust and Britain yet published      God's Solutions for Your Life Charles F. Stanley,2009-03-24 Two books in one volume 1 God has a plan for your life 2 How to let God solve your problems From the back cover In God has a plan for your life Dr Stanley explains that there is no such thing as coincidence luck or good fortune God is sovereign and he has a course that he wants you to follow You can live each day with a sense of hope and assurance that whatever comes your way has passed through God's omnipotent loving hands In How to Let God Solve Your problems Dr Stanley demonstrates how God allows times of trial in order to help you Spiritually Whether your hardship is the result of sin unwise choices or simply the consequence of living in a fallen world God still has a plan for your life He has not forgotten his promises and he will guide you through your difficulty to victory      **Friends and Enemies** Hugh Rethman,2015-06-19 When the Boer Republics invaded Natal in 1899 the invaders could have been driven out with casualties measured in hundreds Instead Britain was to lose nearly 9 000 men killed in action more than 13 000 to disease and a further 75 000 wounded and sick were invalided back to Britain The war ended in 1902 with a very unsatisfactory Peace Treaty At the start of the conflict Britain's Generals were faced with problems new to the military establishment Shows of force did little to intimidate a determined opposition infantry charges against a hidden enemy armed with modern rifles resulted in a futile waste of lives Artillery could now destroy unseen targets at great range Lack of mobility resulted in more than half the army being besieged in Ladysmith bringing with it concomitant civilian involvement Some generals learnt quickly others were slower and yet others still perhaps through pride and stubbornness refused to alter their ways and thus their men paid with their lives The bravery and sacrifice of men during the campaign have been described in many books as have the faults real and imagined of the generals But little attention has been paid to the greatest blunder of all a failure to take proper cognizance of local advice opinion and capability From the beginning locally raised regiments demonstrated how the Boers might be

defeated without incurring heavy casualties and when they were finally given their head they chased the invaders out of Natal while suffering only nominal casualties This deeply researched study of the Boer War includes for the first time the experiences of the inhabitants of Natal soldier and civilian men women and children black and white Diaries and letters vividly portray the actions at Talana Elandslaagte Colenso Acton Homes and Spion Kop as well as the siege of Ladysmith in which 15 000 military personnel and 2 500 residents and refugees were incarcerated for four months slowly but surely dying from starvation and sickness until their relief Before during and after the Boer War many myths were created and facts hidden to suit political ends The result was that lessons which should have been learned were never adequately understood or applied With the West still engaged in foreign wars these old mistakes should be remembered and not repeated Friends and Enemies is the result of years of intensive research undertaken in archives in both South Africa and Britain It offers an important and scholarly resource to students of nineteenth and twentieth century conflict      **Surprise Attack** Ephraim KAM, Ephraim Kam, 2009-06-30 Ephraim Kam observes surprise attack through the eyes of its victim in order to understand the causes of the victim's failure to anticipate the coming of war Emphasizing the psychological aspect of warfare Kam traces the behavior of the victim at various functional levels and from several points of view in order to examine the difficulties and mistakes that permit a nation to be taken by surprise He argues that anticipation and prediction of a coming war are more complicated than any other issue of strategic estimation involving such interdependent factors as analytical contradictions judgemental biases organizational obstacles and political as well as military constraints Surprise Attack The Victim's Perspective offers implications based on the intelligence perspective providing both historical background and scientific analysis that draws from the author's vast experience The book is of utmost value to all those engaged in intelligence work and to those whose operational or political responsibility brings them in touch with intelligence assessments and the need to authenticate and then adopt them or discount them Similarly the book will interest any reader intrigued by decision making processes that influence individuals and nations at war and sometimes even shape national destiny Ehud Barak Former Prime Minister of Israel      *The Comparison Trap* HELEN ROBERTS, 2020-03-19 Too often women hold each other back bad mouthing and making unflattering comparisons Social media give extra opportunities for negative comment Are we trapped in our own battles or entertained by the wars of other women to the detriment of our own freedom and well being What would happen asks Helen Roberts if women ceased to compete and compare What if we settled our conflicts and resolved instead to champion one another To celebrate each other's victories Helen explores the complexities of female relationships in workplaces families and friendship circles using contemporary historical personal and biblical examples She investigates Scripture to see how through the work of the Holy Spirit we can cease the all too frequent wars She helps us recognise our own destructive tendencies and establish healthy habits which will enable women and their relationships to thrive This will help us live more confidently as the daughters the Father intends us to be free from envy or comparison      Sale
