Energies Of Transformation A Guide To The Kundalini Process:

Energies of Transformation Bonnie Greenwell, 2002-01-01 This book is about the subtle energy of the life force the pure consciousness beyond mind and the ecstatic experience of spiritual awakening It also tells of physical collapse psychic chaos and personality upheaval those elements of human transformation that uproot individuals to the core It tells the stories of people both ancient and modern who have discovered and integrated an experience that pushes the edges of their sanity and their divinity And it is a guide for survival and transformation It appears that when people pray meditate or turn inward with great intensity to find God what they may ultimately experience is the sat chit ananda of the ancient Indian scriptures Sat is existence or beingness the substance or essence that is all things Chit is cosmic intelligence or knowledge that fills everything a consciousness without personal identity Ananda is ecstatic bliss Indian pandits identify these three qualities as the essential nature of existence Direct intuition of them becomes possible following the eruption of Kundalini energy which is latent in each of us This book is to help you recognize and support a unique universal and ageless process related to spiritual experience and psychological wholeness and identified in ancient times as Kundalini awakening Energies of Transformation Bonnie Greenwell, 1990

Energies of Transformation Bonnie L. Greenwell, 1995 Transcendent in America Lola Williamson, 2010-01-01 Yoga karma meditation guru these terms once obscure are now a part of the American lexicon Combining Hinduism with Western concepts and values a new hybrid form of religion has developed in the United States over the past century In Transcendent in America Lola Williamson traces the history of various Hindu inspired movements in America and argues that together they constitute a discrete category of religious practice a distinct and identifiable form of new religion Williamson provides an overview of the emergence of these movements through examining exchanges between Indian Hindus and American intellectuals such as Thomas Jefferson and Ralph Waldo Emerson and illuminates how Protestant traditions of inner experience paved the way for Hindu style movements acceptance in the West Williamson focuses on three movements Self Realization Fellowship Transcendental Meditation and Siddha Yoga as representative of the larger phenomenon of Hindu inspired meditation movements She provides a window into the beliefs and practices of followers of these movements by offering concrete examples from their words and experiences that shed light on their world view lifestyle and relationship with their gurus Drawing on scholarly research numerous interviews and decades of personal experience with Hindu style practices Williamson makes a convincing case that Hindu inspired meditation movements are distinct from both immigrant Hinduism and other forms of Asian influenced or New Age groups
