

A close-up, high-angle shot of a wooden desk. In the upper left, a pair of gold-rimmed glasses rests on a dark brown leather-bound book. To the right of the book is a white electronic calculator. In the upper right corner, a black fountain pen with gold accents is partially visible. The central focus is a white document with the words "child support" on the top line and "payments" on the bottom line, separated by a horizontal line. The text is in a bold, black, sans-serif font. In the bottom right corner, a portion of a US Federal Reserve note is visible, showing the words "FEDERAL" and "RESERVE" along with some numerical digits.

Enforcing Child Support Jeannine L. English, 1997-04-01 Reviews California's Child Support Enforcement Program including findings and recommendations in 5 areas defining vision child support must be an inescapable obligation on the part of non custodial parents creating accountability weak system of gathering and reporting performance data by the counties maximizing collections and the division of labor between the State and counties system must encourage continuous improvement realistic automation and fair process protect the rights and provide accurate information to all parents and welfare reform must meet the needs of poor families **Enforcing Child Support** Commission on California State Government Organization and Economy, 1997 **New Legacy System** Daniel W. Hancock, 2009-12 Calif's budget crisis has made plain that scarce revenues will put a premium on managing public resources better than ever if state gov't is to meet its obligations and realize its vision for serving its people The best mgmt practices rely on sound info tech IT systems that can deliver up to date data about operations to decision makers who can act upon them to improve programs and services In the last 8 years Calif has made great strides in delivering critical IT tools to its managers Yet Calif is still far behind other states that are using data to drive performance due to fear of another big system failure This report argues that it is time to push past those fears so that Calif leaders can change the culture of gov't by building the state's IT capacity Illus *A Guide for Judges in Child Support Enforcement* Michael R.
