Engaging Alex Single In The City:

ENGAGING ALEX Kristin Gabriel, 2014-02-15 One year after being left at the altar Paige Hanover has a new wardrobe a new apartment and a new attitude She s going to take another chance on love but the last man she expects to want that chance is her long lost fianc Alex Mack He s claiming that it was all a mistake that he never stopped loving her But Paige isn t about to be fooled again Armed with the man magnet skirt she intends to break his heart this time Only she doesn t know that the skirt s powerful attraction can work both ways *Same Sex Intimacies* Catherine Donovan, Brian Heaphy, Jeffrey Weeks, 2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other *Same Sex Intimacies* gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies *Legacy of Lies* JoAnn Ross, 2013-01-29 From a childhood nurtured by unconditional family love to her stunning triumph as one of Hollywood s leading fashion designers Alexandra Lyons has always been spirited and independent But everything she believes about herself is thrown into question when she meets Eleanor Lord The powerful matriarch is convinced that Alexandra is Anna Lord her long lost granddaughter and heir to a family dynasty Has Alexandra s life been a lie Is she really Anna Lord or the victim of an even darker hoax The truth lies buried in the past in a dark explosion of jealousy betrayal and murder and remains as deadly now as it was nearly thirty years ago **The Not-So-Secret Diary of a City Girl** Allie Spencer, 2012-12-06 Can Laura prevent the bank and her love life from crashing and burning Banking analyst Laura McGregor s electronic diary is full of things which definitely shouldn t be made public musings on her lacklustre relationship with trader boyfriend Tom disturbing irregularities in new boss Will s trading accounts and the small matter of her attraction to gorgeous journalist Alex So when the diary is accidentally uploaded on to the internet in blog form by clueless younger sister Mel suddenly not only Laura but her bank too is facing meltdown and even worse Laura suspects Alex of using it as a scoop Fighting to convince the world s media to believe her over Alex is one thing but can Laura win the battle with her heart **Churches and Charity in the Immigrant City** Alex Stepick, Terry Rey, Sarah J. Mahler, 2009 In addition to being a religious country over ninety percent of Americans believe in God the United States is also home to more immigrants than ever before *Churches and Charity in the Immigrant City* focuses on the intersection of religion and civic engagement among Miami s immigrant and minority groups The contributors

examine the role of religious organizations in developing social relationships and how these relationships affect the broader civic world Essays for example consider the role of leadership in the promotion and creation of civic social capital in a Haitian Catholic church transnational ties between Cuban Catholics in Miami and Havana and several African American congregations that serve as key comparisons of civic engagement among minorities This book is important not only for its theoretical contributions to the sociology of religion but also because it gives us a unique glimpse into immigrants civic and religious lives in urban America **Who's who in New York City and State** Lewis Randolph Hamersly, John W.

Leonard, William Frederick Mohr, Herman Warren Knox, Frank R.
