Engendering Origins Critical Feminist

Eileen O'Neill

Engendering Origins Critical Feminist:

Engendering Origins Bat-Ami Bar On, 1994-01-01 This book introduces feminist voices into the study of Platonic and Aristotelian texts that modern Western philosophy has treated as foundational The book concerns the extent to which Platonic and Aristotelian texts are un redeemably sexist masculinist or phallogentric *Feminist Reflections on the History of Philosophy* Lilli Alanen, Charlotte Witt, 2006-01-17 Feminist work in the history of philosophy has come of age as an innovative field in the history of philosophy This volume marks that accomplishment with original essays by leading feminist scholars who ask basic questions What is distinctive of feminist work in the history of philosophy Is there a method that is distinctive of feminist historical work How can women philosophers be meaningfully included in the history of the discipline Who counts as a philosopher This collection is a unique collaboration among philosophers from North America and the Nordic Countries including papers written from both analytic and continental philosophical perspectives and discussing both ancient and modern philosophers *Feminist Reflections on the History of Philosophy* will be of interest to historians of philosophy feminist theorists women s studies faculty and students and humanists interested in canon formation and transformation *Women's Political and Social Thought* Hilda L. Smith, Berenice A. Carroll, 2000 a wide array of time periods cultures and formats Library Journal The first collection of source readings of women s important writings in political and social theory from ancient times to the twentieth century From Sappho of Lesbos to Mary Wollstonecraft and from Jane Addams to Simone Weil these works fill a major gap in materials available for teaching the history of political thought and opens paths for exploring the rich and diverse contributions of women as creators of theory *Disappearing Ink* Eileen O'Neill, 2025-03-07 When Eileen O'Neill 1953-2017 published her ground breaking essay *Disappearing Ink* Early Modern Women Philosophers and the History of Philosophy in 1998 women philosophers were virtually absent from encyclopedias of philosophy and the numerous histories and anthologies of early modern thought This essay would come to have an enormous impact signaling the beginning of the movement to introduce early modern women philosophers into the canon In its densely packed 46 pages *Disappearing Ink* presented the names major works and principal theses of literally dozens of forgotten women whose works were published during the early modern period and who had engaged in correspondence with central male figures but whose names and works had since been erased *Disappearing Ink* reprints this now canonical piece together with subsequent essays some widely read some harder to locate and one on Cartesianism and the Gendered Mind written in 2013 and published here for the first time The essays in Part I develop O'Neill's views on feminist history of philosophy articulating an account of feminist historiography that is inclusive yet at the same time textually nuanced The essays in Part II provide in depth treatment of individual figures and themes These essays discuss the views of early modern women philosophers such as Mary Astell Margaret Cavendish and Mme de Lambert alongside those of Descartes Leibniz Poullain de la Barre and the Scholastics engaging with questions of mind body interaction occasional causation physical influx pan

organicism and whether the Cartesian mind is gendered The sole essay in Part III departs from the historical orientation of Parts I and II This essay informed by O'Neill's deep knowledge of art history is an illuminating study of agency in representations of women in feminist erotic art of the 1980s Combined these works trace the complete arc of O'Neill's thought from painstaking studies of individual themes and figures to a sweeping vision of how feminism should inform our approach to the history of early modern thought indeed to the history of philosophy more generally More than anyone else O'Neill explained why women were excluded from the canon and showed how they could be incorporated into it **Place,**

Space and Hermeneutics Bruce B. Janz, 2017-03-29 This book analyzes the hermeneutics of place raising questions about central issues such as textuality dialogue and play It discusses the central figures in the development of hermeneutics and place and surveys disciplines and areas in which a hermeneutic approach to place has been fruitful It covers the range of philosophical hermeneutic theory both within philosophy itself as well as from other disciplines In doing so the volume reflects the state of theorization on these issues and also looks forward to the implications and opportunities that exist Philosophical hermeneutics has fundamentally altered philosophy's approach to place Issues such as how we dwell in place how place is imagined created preserved and lost and how philosophy itself exists in place have become central While there is much research applying hermeneutics to place there is little which both reflects on that heritage and critically analyzes a hermeneutic approach to place This book fills that void by offering a sustained analysis of the central elements major figures and disciplinary applications of hermeneutics and place **Feminism and Ancient Philosophy** Julie K. Ward, 2019-07-18

An important volume connecting classical studies with feminism Feminism and Ancient Philosophy provides an even handed assessment of the ancient philosophers' discussions of women and explains which ancient views can be fruitful for feminist theorizing today The papers in this anthology range from classical Greek philosophy through the Hellenistic period with the predominance of essays focusing on topics such as the relation of reason and the emotions the nature of emotions and desire and related issues in moral psychology The volume contains some new ground breaking essays on Plato Aristotle and the Stoics as well as previously published pieces by established scholars like Martha Nussbaum and Julia Annas It promises to be of interest to an interdisciplinary audience including those working in classics ancient philosophy and feminist theory *An*

Aristotelian Feminism Sarah Borden Sharkey, 2016-08-01 This book articulates the theoretical outlines of a feminism developed from Aristotle's metaphysics making a new contribution to feminist theory Readers will discover why Aristotle was not a feminist and how he might have become one through an investigation of Aristotle and Aristotelian tradition The author shows how Aristotle's metaphysics can be used to articulate a particularly subtle and theoretically powerful understanding of gender that may offer a highly useful tool for distinctively feminist arguments This work builds on Martha Nussbaum's capabilities approach in a more explicitly and thoroughly hylomorphist way The author shows how Aristotle's hylomorphic model developed to run between the extremes of Platonic dualism and Democritean atomism can similarly be used today to

articulate a view of gender that takes bodily differences seriously without reducing gender to biological determinations Although written for theorists this scholarly yet accessible book can be used to address more practical issues and the final chapter explores women in universities as one example This book will appeal to both feminists with limited familiarity with Aristotle's philosophy and scholars of Aristotle with limited familiarity with feminism **Animalia Americana** Colleen Glenney Boggs, 2013-01-08 Consulting a diverse archive of literary texts Colleen Glenney Boggs places animal representation at the centre of the making of the liberal American subject **Czech Women Philosophers and Scientists** Zdeňka Jastrzemska, Dagmar Pichová, Jan Zouhar, 2020-11-11 This book examines the most important Czech women philosophers and scientists It highlights the lives and achievements of a group that has often not received the recognition they deserve Chapters provide a systematic description and critical evaluation of the impact these women had on the history of philosophy and science After an opening chapter on the status of women philosophers and scientists in the period before 1820 the book explores the role women played in the 19th century rise of Czech culture Czech National Revival The following chapter then introduces the situation of Czech women philosophers and scientists in the 20th century The authors base the material on analysis of key works and the characteristics of contemporary debates in which these women participated The volume describes the complex conditions of women in Czech history in relation to the position of learned women in other European countries The authors also emphasize their link to the historical background This encompassing coverage helps provide readers with a richer understanding of these important women and the period in which they lived Academicians and the general public alike will also learn about the political and social limitations these women faced and the influence of historical conditions on their work *Plato's 'Laws'* Christopher Bobonich, 2010-11-11 Long understudied Plato's *Laws* has been the object of renewed attention in the past decade and is now considered to be his major work of political philosophy besides the *Republic* In his last dialogue Plato returns to the project of describing the foundation of a just city and sketches in considerable detail its constitution laws and other social institutions Written by leading Platonists the essays in this volume cover a wide range of topics central for understanding the *Laws* such as the aim of the *Laws* as a whole the ethical psychology of the *Laws* especially its views of pleasure and non rational motivations and whether and if so how the strict law code of the *Laws* can encourage genuine virtue They make an important contribution to ongoing debates and will open up fresh lines of inquiry for further research *Otherwise Than the Binary* Jessica Elbert Decker, Danielle A. Layne, Monica Vilhauer, 2022-07-01 *Otherwise Than the Binary* approaches canonical texts and concepts in Ancient Greek philosophy and culture that have traditionally been understood as examples of binary thinking particularly concerning sexual difference In contrast to such patriarchal logic the essays within this volume explore how many of these seemingly strict binaries in ancient culture and thought were far more permeable and philosophically nuanced Each contribution asks if there are ways of thinking of antiquity differently namely to examine canonical works through a lens that expounds and even celebrates

philosophies of difference so as to discover instances where authors of antiquity valorize and uphold the necessity of what has been seen as feminine foreign and or irrational As contemporary thinkers turn toward new ways of reading antiquity these selected studies will inspire other readings of ancient texts through new feminist methodologies and critical vantage points When examining the philosophers and notable figures of antiquity alongside their overt patriarchal and masculinist agendas readers are invited to rethink their current biases while also questioning how particular ideas and texts are received and read

Beyond the Binary Saadia Yacoob, 2024-05-07 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more One of the most hotly debated issues in contemporary Muslim ethics is the status of women in Islamic law Whereas Muslim conservatives argue that gender differentiated legal rulings reflect complementary gender roles Muslim feminists argue that Islamic law has subordinated women and is thus in need of reform The shared assumption on both sides however is that gender fundamentally shapes an individual's legal status *Beyond the Binary* explores an expansive cross section of topics in ninth to twelfth century Hanafi legal thought ranging from sexual crimes to consent to marriage to show that early Muslim jurists imagined a world built not on a binary distinction between male and female but on multiple intersecting hierarchies of gender age enslavement lineage class and other social roles Saadia Yacoob offers a restorative reading of Islamic law arguing that its intersectional and relational understanding of legal personhood offers a productive space for Muslim feminists to move beyond critique and instead think with and through the Islamic legal tradition

Beyond the Heteronorm Goutam Majhi, Subhadeep Paul, 2024-03-18 *Beyond the Heteronorm Interrogating Critical Alterities in Global Art and Literature* explores exclusionary practices inspired by the construct of gender and how these conventions often misconstrue and convolute sex gender and sexual orientation The contributors to this collection examine literary and visual representations of critical alterities from around the globe to produce empathic and inclusive analyses of experiences shared between diverse subordinated and minoritized socio cultural entities and collectives Organized into three parts the chapters critique the concepts of personhood performativity and the post binary This edited collection deconstructs gender essentialism and embraces gender inclusivity in both theory and practice

The Gender Vendors A. L. Jones, 2014-08-26 Among numerous ancient Western tropes about gender and procreation the seed and the soil is arguably the oldest most potent and most invisible in its apparent naturalness *The Gender Vendors* denaturalizes this proto theory of procreation and deconstructs its contemporary legacy As metaphor for gender and procreation seed and soil constructs the father as the sole generating parent and the mother as nurturing medium like soil for the man's seed child In other words men give life women merely give birth *The Gender Vendors* examines seed and soil in the context of the psychology of gender honor and chastity codes female genital mutilation the taboo on male femininity femiphobia the fear of being feminine or feminized sexual violence institutionalized abuse the early modern witch hunts the medicalization and criminalization of gender nonconformity

and campaigns against women's rights The examination is structured around particular watersheds in the history of seed and soil for example Genesis ancient Greece early Christianity the medieval Church the early modern European witch hunts and the campaigns of the nineteenth and twentieth centuries against women's suffrage and education The neglected story of seed and soil matters to everyone who cares about gender equality and why it is taking so long to achieve

Religion and Politics in the 21st Century Natalia Vlas, 2013-07-26 Religion and Politics in the 21st Century is composed of a number of articles that were presented during the 2012 international conference on Religion and Politics in the Globalization Era organized by the Centre for Political Analysis in Cluj Napoca Romania With careful attention given to 21st century religious resurgence and its dynamic interactions with political structures and the public sphere the present volume captures a wide variety of perspectives on contemporary religion and politics ranging from theoretical approaches to case studies and from analyzing global facets to exploring local situations Its thematic richness and its careful exploration of not only present realities but also of patterns of past interactions and of possible future directions render this volume a valuable resource for scholars policy makers and the general public as well

Aristotle's Politics Thornton Lockwood, Thanassis Samaras, 2015-10-09 Offering fresh interpretations of Aristotle's key work this collection opens new paths for students and scholars to explore

Plato's Dialectic on Woman Elena Duvergès Blair, 2012 With the birth of the feminist movement classicists philosophers educational experts and psychologists all challenged by the question of whether or not Plato was a feminist began to examine Plato's dialogues in search of his conception of woman The possibility arose of a new focus affecting the view of texts written more than two thousand years in the past And yet in spite of the recent surge of interest on woman in Plato no comprehensive work identifying his position on the subject has yet appeared This book considers not only the totality of Plato's texts on woman and the feminine but also their place within both his philosophy and the historical context in which it developed But this book is not merely a textual study situating the subject of woman philosophically and historically it also uncovers the implications hidden in the texts and the relationships that follow from them It draws an image of the Platonic woman as rich and full as the textual and historical information allows offering new and sometimes unexpected results beyond the topic of woman illuminating aspects of Plato's work that are of relevance to Platonic studies in general

The Routledge Handbook of Women and Ancient Greek Philosophy Sara Brill, Catherine McKeen, 2024-03-29 The Routledge Handbook of Women and Ancient Greek Philosophy is an essential reference source for cutting edge scholarship on women gender and philosophy in Greek antiquity The volume features original research that crosses disciplines offering readers an accessible guide to new methods new sources and new questions in the study of ancient Greek philosophy and its multiple afterlives Comprising 40 chapters from a diverse international group of experts the Handbook considers questions about women and gender in sources from Greek antiquity spanning the period from 7th c BCE to 2nd c BCE and in receptions of Greek antiquity from the Roman Imperial period through the European Renaissance to the current day

Chapters are organized into five major sections I Early Greek antiquity including Sappho Presocratic philosophy Sophists and Greek tragedy 700s 400s BCE II Classical Greek antiquity including Aeschines Plato and Xenophon 400s 300s BCE III Late Classical Greek to Hellenistic antiquity including Cyrenaics Cynics the Hippocratic corpus and Aristotle 300s 200s BCE IV Late Greek antiquity to Roman Imperial period including Pythagorean women Stoics Pyrrhonian Skeptics and late Platonists 200s BCE to 700s CE V Later receptions including Shakespeare the European Renaissance Anna Julia Cooper W E B DuBois Jane Harrison Sarah Kofman and Toni Morrison The Routledge Handbook of Women and Ancient Greek Philosophy is a vital resource for students and scholars in philosophy Classics and gender studies who want to gain a deeper understanding of philosophy s rich past and explore sources and questions beyond the traditional canon The volume is a valuable resource as well for students and scholars from history humanities literature political science religious studies rhetorical studies theatre and LGBTQ and sexuality studies

Philosophers on Race Julie K. Ward, Tommy L. Lott, 2008-06-09 Philosophers on Race adds a new dimension to current research on race theory by examining the historical roots of the concept in the works of major Western philosophers

Gender and Aesthetics Carolyn Korsmeyer, 2004 Feminist approaches to art are extremely influential and widely studied across a variety of disciplines including art theory cultural and visual studies and philosophy Gender and Aesthetics is an introduction to the major theories and thinkers within art and aesthetics from a philosophical perspective carefully introducing and examining the role that gender plays in forming ideas about art It is ideal for anyone coming to the topic for the first time Organized thematically the book introduces in clear language the most important topics within feminist aesthetics Why were there so few women painters Art pleasure and beauty Music literature and painting The role of gender in taste and food What is art and who is an artist Disgust and the sublime Each chapter discusses important topics and thinkers within art and examines the role gender plays in our understanding of them These topics include creativity genius and the appreciation of art and thinkers from Plato Kant and Hume to Luce Irigaray and Julia Kristeva Also included in the book are illustrations from Gauguin and Hogarth to Cindy Sherman and Nancy Spero to clarify and help introduce often difficult concepts Each chapter concludes with a summary and further reading and there is an extensive annotated bibliography Carolyn Korsmeyer s style is refreshing and accessible making the book suitable for students of philosophy gender studies visual studies and art theory as well as anyone interested in the impact of gender on theories of art

Engendering Origins Critical Feminist Introduction

In the digital age, access to information has become easier than ever before. The ability to download Engendering Origins Critical Feminist has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Engendering Origins Critical Feminist has opened up a world of possibilities. Downloading Engendering Origins Critical Feminist provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Engendering Origins Critical Feminist has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Engendering Origins Critical Feminist. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Engendering Origins Critical Feminist. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Engendering Origins Critical Feminist, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Engendering Origins Critical Feminist has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Engendering Origins Critical Feminist Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Engendering Origins Critical Feminist is one of the best book in our library for free trial. We provide copy of Engendering Origins Critical Feminist in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Engendering Origins Critical Feminist. Where to download Engendering Origins Critical Feminist online for free? Are you looking for Engendering Origins Critical Feminist PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Engendering Origins Critical Feminist. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Engendering Origins Critical Feminist are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Engendering Origins Critical Feminist. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Engendering Origins Critical Feminist

To get started finding Engendering Origins Critical Feminist, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Engendering Origins Critical Feminist So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Engendering Origins Critical Feminist. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Engendering Origins Critical Feminist, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Engendering Origins Critical Feminist is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Engendering Origins Critical Feminist is universally compatible with any devices to read.
