

A nighttime photograph of a cityscape. In the background, a large, dark cathedral with multiple spires is silhouetted against a dark blue sky. To the left, a multi-story building has several windows glowing with yellow light. In the foreground, a large, brightly lit model of a building, possibly a church or cathedral, sits on a dark surface. A crowd of people is gathered around the model, their figures mostly in silhouette. The scene is illuminated by the warm lights of the buildings and the model, creating a contrast with the cool tones of the night sky.
