Depth of Perception

Christopher J. Baker, 2005 **Eddie Cooper: The Possession** Mariusz Walczak, 2024-10-01 This is a return to darkness cruel crimes and secrets concealed behind a thin veil of reality It will not be a pleasant light story about sentimental heroes It is a heavy demonic vision of a man who driven by his greed found himself in the wrong place at the wrong time Thus a dark intrigue emerges full of brutal scenes intricate plots and multilayered contexts forming a bridge between complex acts for the Chronicle remains unfinished Events are unfolding in Haven City and Eddington that at first glance seem unrelated Yet those who know are preparing for the ultimate hunt to end it all and close the great book But how can you tell this story without showing the path the martyr had to take In the shadow of a horror with a brazen tendency toward gore a monster is born with Sodom and Gomorrah coursing through its veins The turbulent themes of murder and torture will repel viewers with weaker stomachs for here excessive violence repulsive sexuality and unspoken secrets reign supreme In this world there is no room for the weak the innocent or the small Only the most ruthless bastards who abandon their humanity will survive for the only thing that matters here is one's own survival With these grim words dear Reader you have been warned about a title that harbors much darkness This will not be a pleasant story It is not a tale for weak minds with a childlike sensitivity It is an omen filled with venom darkness suffering and blood A lot of blood This is a story of possession bloodthirsty demons fallen angels and bestial murders You have been warned Stay vigilant for you too might be possessed
