Enough Karen Citrano,2017-10-27 The aftermath of murder would continue to baffle me at some times and bring me to the depths of pain at other times over the years I had to deal with distance in the family divorce and the loss of friendships where people drifted away due to the inability to cope with the reality of murder Then there were my own physical limitations to consider as I went through it all I found that I had a need to be with other survivors and had a strong connection to other mothers who had lost children All of this made me feel less alone in all that I was going through Recovery does not start at the same place and neither do the stages of grief I have had to speak openly and freely to not feel ignored in coming to grips with myself in being able to understand my own grief I know now that murder does not just happen to other people I had an intense need to talk about it but I found that I could not talk about it to everyone

Earth Spirit Dreaming Elizabeth E. Meacham, 2020-02-04 A guide to co-creating a healing vision for humanity and the Earth through nature-connected shamanic rituals. Explains the Earth Spirit Dreaming process for rebirthing inherent shamanic abilities with dozens of practices in three categories: Earth connecting practices, Spirit connecting practices, and Dream connecting practices. Provides experiential exercises to foster interactions with the intelligences and elemental energies of nature and the Spirit realm, realign you with the rhythms and flow of life, and co-create a healing dream for humanity and all of life on our planet. Contains step-by-step directions for connecting with the light guides of the planet for guidance and healing. Humanity has become profoundly disconnected from the web of life on Earth, as well as from nature as a whole. In this practical guide, Elizabeth E. Meacham details her field-tested method of shamanic ecotherapy practices to resolve this centuries-long trend toward disconnection. Through these practices, you will learn how to reconnect to Earth's systems and help restore health and balance to people and the planet. Translating transformative ideas from visionary environmental thinkers into engaging shamanic rituals for profound spiritual growth, Meacham offers dozens of practices in three categories: Earth connecting practices, Spirit connecting practices, and Dream connecting practices. Building on one another, the exercises open channels to allow you to directly experience the intelligences of the Earth and Spirit realms, rebirth your inherent shamanic abilities, realign you with the rhythms and flow of life, and reclaim your ancestral power for co-creating a healing dream for our species and all of life on our planetary home. Guiding the reader through a progressively deepening journey toward connection with ourselves, each other, and the consciousness of our biosphere, the practices also invite profound mindfulness as we work to hold a vision of connection with the Earth and Spirit realms while choosing consciously to focus on joy, beauty, gratitude, love, and healing. Illuminating a shamanic awakening within Western culture at the dawn of an ecological age, *Earth Spirit Dreaming* reveals how the birth of a global consciousness of healing depends upon our commitment to individual and collective spiritual evolution. Calling us back to our shamanic heritage of a living nature spirituality, this manual offers much-needed guidance on the essential journey back to an intimate love of Earth.
