Previously published as *Ancient Science Secret History* contains 150 pages of new material The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction Laura Knight Jadczyk wife of internationally known theoretical physicist Arkadiusz Jadczyk an expert in hyperdimensional physics draws on science and mysticism to pierce the veil of reality With sparkling humour and wisdom she picks up where Fulcanelli left off sharing over thirty years of research to reveal for the first time The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike Conspiracies have existed since the time of Cain and Abel Facts of history have been altered to support the illusion The question today is whether a sufficient number of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher s Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The Secret History of the World and How to Get Out Alive is it *Edgar Cayce's Story of the Soul* W.H. Church,1991 *Lost Continents Soul History* New age movement **The Story of Jesus**

William H. Kautz, 2012-04 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by his tor ical or literary means Some of them had demonstrated their unusual skill by probing deep ly into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical infor mation which was then verified scien tifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Test ament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illumi nating insights and a deep spiritual under standing of Jesus original and hidden teach ings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history Secrets of the Dead Sea Scrolls Randall Price, 1996 Discover new technology that helps translators with previously unreadable Scroll fragments supposedly secret scrolls in hiding and the furious debate about who rightfully owns the Scrolls Includes never before published photographs

Latter-day Scripture Robert M. Price, 2011-03-18 This book is a series of papers presented mainly at the Book of Mormon Round Table It lays out a case for considering the Mormon scripture as the work of Joseph Smith in the nineteenth century not an ancient document written by various Israelites in ancient America But author Robert M Price argues this is merely another case of pseudepigraphy the genre of fictive as if authorship common to the Bible as well Price urges readers to a new appreciation of the intricate redaction and rewriting of the Bible in the Book of Mormon and to a positive theological estimate of this approach by Latter day Saint Christians Critical studies of several passages in the Book of Mormon are included *American Book Publishing Record* ,2000

The Lost Teachings of Jesus, Book 2 Mark L. Prophet, Elizabeth Clare Prophet, 2020-11-19 In Book 1 of their Lost Teachings of Jesus series Mark L Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church s doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential

Edgar Cayce in Context K. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility
