 by Edgar Degas published in the centennial year of the artist's death Edgar Degas's 1834-1917 relentless experimentation

 study of Degas's debt to the Old Masters and it concludes with a consideration of his artistic legacy and his influence on
 leading artists of the 20th and 21st centuries including Francis Bacon Frank Auerbach Ryan Gander David Hockney Howard

 into their old age never ceased developing He is regarded as one of the founders of Impressionism and is especially identified
 with the subject of dance over half of his works depict dancers such as The Dance Class or the sculpture Little Ballet Dancer
 These display his mastery in the depiction of movement as do his less common themes of horse racing and female nudes After
 the Bath His portraits are considered to be among the finest in the history of art His work was strongly influenced by Ingres
 and Delacroix combining the expressive qualities of Ingres with the colour of Delacroix **Edgar Degas, the Private**

 little known even among devotees of the artist's paintings and pastels are analyzed and reproduced for the first time in this
 volume which accompanies an exhibition at The Metropolitan Museum of Art The J Paul Getty Museum and the Bibliothèque
 Nationale de France Memories of Degas George Moore, Walter Sickert, 2019-04-23 Following a rigorous academic

training as a young man Edgar Degas 1834 1917 brought the traditional methods of a classical history painter to bear on the life and society of his own day in works treating a range of subjects prominently including the world of dance This engaging volume brings together intimate portraits of the artist by two of his earliest and most important champions The Irish writer George Moore 1852 1933 and the German born English painter Walter Sickert 1860 1942 belonged to a network of British and French writers and artists through this circle they became friends with Degas whose Paris haunts and studios they both frequented Long difficult to find in print their groundbreaking accounts represent some of the most vivid responses to Impressionism in English and offer fascinating insight into the life and personality of one of the late nineteenth century s most important painters An introduction by the art historian Anna Gruetzner Robins situates their memoirs which are supplemented here by vivid color illustrations and historical photographs in the context of their time
