Matas, Dr. Lutz D. Schmadel, G. Zech, 2013-12-11 Astronomy and Astrophysics Abstracts aims to present a comprehensive  
documentation of the literature concerning all aspects of astronomy astrophysics and their border fields It is devoted to the  
recording summarizing and indexing of the relevant publications throughout the world Astronomy and Astrophysics Abstracts  
is prepared by a special department of the Astronomisches Rechen Institut under the auspices of the International  
Astronomical Union Volume 39 records literature published in 1985 and received before August 15 1985 Some older  
documents which we received late and which are not surveyed in earlier volumes are included too We acknowledge with  
thanks contributions of our colleagues all over the world We also express our gratitude to all organizations observatories  
and publishers which provide us with complimentary copies of their publications On account of the introduction of an object  
index the scope of index information will be considerably enlarged beginning with this volume In connection with the subject  
index an additional source to satisfy the needs of retrieval is opened up Starting with Volume 33 all the recording correction  
and data processing work was done by means of computers The recording was done by our technical staff members Ms  
Helga Ballmann Ms Mona El Choura Ms Monika Kohl Ms Sylvia Matyssek Ms Karin Burkhardt Ms Susanne Schlotelburg and

, 1991 **Poverty in American Popular Culture** Wylie Lenz, 2020-08-05 In 1964 President Lyndon Johnson declared an unconditional war on poverty in the form of sweeping federal programs to assist millions of Americans. Two decades later President Reagan drastically cut such programs, claiming that welfare encouraged dependency and famously quipping, "Some years ago the federal government declared war on poverty and poverty won." These opposing policy positions and the ideologies informing them have been well studied. Here the focus turns to the influence of popular art and entertainment on beliefs about poverty's causes and potential cures. These new essays interrogate the representation of poverty in film, television, music, photography, painting, illustration, and other art forms from the late 19th century to the present. They map when, how, and why producers of popular culture represent or ignore poverty and what assumptions their works make and encourage.

*Housing the Homeless* Jon Erickson, Charles Wilhelm, 2017-07-12 Homelessness has become a lasting issue of vital social concern. As the number of the homeless has grown, the complexity of the issue has become increasingly clear to researchers and private and public service providers. The plight of the homeless raises many ethical, anthropological, political, sociological, and public health questions. The most serious and perplexing of these questions is what steps private, charitable, and public organizations can take to alleviate and eventually solve the problem. The concept of homelessness is difficult to define and measure. Generally, persons are thought to be homeless if they have no permanent residence and seek security, rest, and protection from the elements. The homeless typically live in areas that are not designed to be shelters, e.g., parks, bus terminals, under bridges, in cars, occupy structures without permission, e.g., squatters, or are provided emergency shelter by a public or private agency. Some definitions of homelessness include persons living on a short-term basis in single-room occupancy hotels or motels or temporarily residing in social or health service facilities without a permanent address. *Housing the Homeless* is a collection of case studies that bring together a variety of perspectives to help develop a clear understanding of the homelessness problem. The editors include information on the background and politics of the problem and descriptions of the current homeless population. The book concludes with a resource section which highlights governmental policies and programs established to deal with the problem of homelessness.
