Edouard Manet Imprebiions Of The Sea:

Edouard Manet : Impressions of the Sea sir John Leighton,2004 *The Art of Rivalry* Sebastian Smee,2016-08-16

Pulitzer Prize winning art critic Sebastian Smee tells the fascinating story of four pairs of artists Manet and Degas Picasso and Matisse Pollock and de Kooning Freud and Bacon whose fraught competitive friendships spurred them to new creative heights Rivalry is at the heart of some of the most famous and fruitful relationships in history The Art of Rivalry follows eight celebrated artists each linked to a counterpart by friendship admiration envy and ambition All eight are household names today But to achieve what they did each needed the influence of a contemporary one who was equally ambitious but possessed sharply contrasting strengths and weaknesses Edouard Manet and Edgar Degas were close associates whose personal bond frayed after Degas painted a portrait of Manet and his wife Henri Matisse and Pablo Picasso swapped paintings ideas and influences as they jostled for the support of collectors like Leo and Gertrude Stein and vied for the leadership of a new avant garde Jackson Pollock s uninhibited style of action painting triggered a breakthrough in the work of his older rival Willem de Kooning After Pollock s sudden death in a car crash de Kooning assumed Pollock s mantle and became romantically involved with his late friend s mistress Lucian Freud and Francis Bacon met in the early 1950s when Bacon was being hailed as Britain s most exciting new painter and Freud was working in relative obscurity Their intense but asymmetrical friendship came to a head when Freud painted a portrait of Bacon which was later stolen Each of these relationships culminated in an early flashpoint a rupture in a budding intimacy that was both a betrayal and a trigger for great innovation Writing with the same exuberant wit and psychological insight that earned him a Pulitzer Prize for art criticism Sebastian Smee explores here the way that coming into one s own as an artist finding one s voice almost always involves willfully breaking away from some intimate s expectations of who you are or ought to be Praise for The Art of Rivalry Gripping Mr Smee s skills as a critic are evident throughout He is persuasive and vivid You leave this book both nourished and hungry for more about the art its creators and patrons and the relationships that seed the ground for moments spent at the canvas The New York Times With novella like detail and incisiveness Sebastian Smee opens up the worlds of four pairs of renowned artists Each of his portraits is a biographical gem The Art of Rivalry is a pure informative delight written with canny authority The Boston Globe

influence on French painting partly because of the choice he made for his subjects from everyday life the use of pure colours and his fast and free technique He made in his own work the transition between Courbet's Realism and the work of the impressionists Born a high bourgeois he chose to become a painter after failing the entry to the Marine School He studied with Thomas Couture an Academic painter but it was thanks to the numerous travels he made around Europe from 1852 that he started to find out what would become his own style His first paintings were mostly portraits and genre scenes inspired by his love for Spanish masters like Velázquez and Goya In 1863 he presented his masterpiece Luncheon on the Grass at the Salon des Refusés His work started a fight between the defenders of Academic art and the young refusés artists Manet became the leader of this new generation of artists From 1864 the official Salon accepted his paintings still provoking loud protests over works such as Olympia in 1865 In 1866 the writer Zola wrote an article defending Manet's work At that time Manet was friends with all the future great impressionist masters Edgar Degas Claude Monet Auguste Renoir Alfred Sisley Camille Pissarro and Paul Cézanne and he influenced their work even though he cannot strictly be counted as one of them In 1874 indeed he refused to present his paintings in the First Impressionist Exhibition His last appearance in the official Salon was in 1882 with A Bar at the Folies Bergères one of his most famous works Suffering from gangrene during the year 1883 he painted flower still lifes until he became too weak to work He died leaving behind a great number of drawings and paintings
