events covering everything from the environment to popular culture

The Cause Eric Alterman, 2013-05-28 A major history of American liberalism and the key personalities behind the movement Why is it that nearly every liberal initiative since the end of the New Deal whether busing urban development affirmative action welfare gun control or Roe v Wade has fallen victim to its grand aspirations often exacerbating the very problem it seeks to solve In this groundbreaking work the first full treatment of modern liberalism in the United States bestselling journalist and historian Eric Alterman together with Kevin Mattson present a comprehensive history of this proud yet frequently maligned tradition In *The Cause* we meet the politicians preachers intellectuals artists and activists from Eleanor Roosevelt to Barack Obama Adlai Stevenson to Hubert Humphrey and Billie Holiday to Bruce Springsteen who have battled for the heart and soul of the nation New York Magazine , 1995-10-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Movement Clara Bingham, 2024-07-30 A comprehensive and engaging oral history of the decade that defined the feminist movement including interviews with living icons and unsung heroes from former Newsweek reporter and author of the powerful and moving New York Times Witness to the Revolution For lovers of both Barbie and Gloria Steinem *The Movement* is the first oral history of the decade that built the modern feminist movement Through the captivating individual voices of the people who lived it *The Movement* tells the intimate inside story of what it felt like to be at the forefront of the modern feminist crusade when women rejected thousands of years of custom and demanded the freedom to be who they wanted and needed to be This engaging history traces women s awakening organizing and agitating between the years of 1963 and 1973 when a decentralized collection of people and events coalesced to create a spontaneous combustion From Betty Friedan s *The Feminine Mystique* to the underground abortion network the Janes to Shirley Chisholm s presidential campaign and Billie Jean King s 1973 battle of the sexes Bingham artfully weaves together the fragments of that explosion person by person bringing to life the emotions of this personal cultural and political revolution Artists and politicians athletes and lawyers Black and white *The Movement* brings readers into the rooms where these women insisted on being treated as first class citizens and in the process changed the fabric of American life

Junctures in Women's Leadership: Social Movements Mary K. Trigg, Alison R. Bernstein, 2016-05-23 2016 Choice Outstanding Academic Title From Eleanor Roosevelt to feminist icon Gloria Steinem to HIV AIDS activist Dazon Dixon Diallo women have assumed leadership roles in struggles for social justice How did these remarkable women ascend to positions of influence And once in power what leadership strategies did they use to deal with various challenges *Junctures in Women s Leadership Social Movements* explores these questions by introducing twelve women who have spearheaded a wide array of social movements that span the 1940s to the

present working for indigenous peoples rights gender equality reproductive rights labor advocacy environmental justice and other causes The women profiled here work in a variety of arenas across the globe Planned Parenthood CEO Cecile Richards New York City labor organizer Bhairavi Desai women s rights leader Charlotte Bunch feminist poet Audre Lorde civil rights activists Daisy Bates and Aileen Clarke Hernandez Kenyan environmental activist Wangari Maathai Nicaraguan revolutionary Mirna Cunningham and South African public prosecutor Thuli Madonsela What unites them all is the way these women made sacrifices asked critical questions challenged injustice and exhibited the will to act in the face of often harsh criticism and violence The case studies in *Junctures in Women s Leadership Social Movements* demonstrate the diversity of ways that women around the world have practiced leadership in many instances overcoming rigid cultural expectations about gender Moreover the cases provide a unique window into the ways that women leaders make decisions at moments of struggle and historical change

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The *Encyclopedia of Women in World History* captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The *Oxford Encyclopedia of Women in World History* benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The *Encyclopedia* contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising

and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **Carolyn G. Heilbrun, *Feminist in a Tenured Position*** Susan Kress, 1997 Preeminent feminist critic Carolyn G Heilbrun's life experience echoes that of a generation of professional women often isolated and marginalized within inhospitable institutions Incorporating interviews with friends colleagues and Heilbrun herself author Susan Kress illuminates Heilbrun's various public identities and places her in the context of the developing women's movement **A Century of Women** Deborah G. Felder, 2003 Comprehensive and riveting this important volume on women's history surveys the revolutionary changes in the social economic and political status of women during the twentieth century From the battles of suffragists and labor activists such as Carrie Chapman Catt and Rose Schneiderman to the provocative ideas of Betty Friedan here are the women of vision and courage who fought for equality and freedom But here too are the unexpected medical and technological discoveries that removed a woman's destiny from the restrictions of biology the electric washing machine anesthesia for childbirth sulfa drugs to stop post partum deaths the birth control pill and more This lively and provocative history covers groundbreaking legislation and Supreme Court rulings yet it doesn't neglect the often conflicting cultural forces from Emily Post and Barbie to the founding of the La Leche League and Ellen DeGeneres's sitcom that have shaped women's lives in today's world Book jacket *Handbook of American Women's History* Angela M. Howard, Frances M. Kavenik, 2000-07-22 This exceptional reference presents short articles on key people events and ideas that have shaped the history of women in the United States Thoroughly revised and updated the second edition features more than 100 new entries as well as for the first time photographs and artwork illustrating key concepts Aimed at librarians students and teachers the Handbook of American Women's History provides a comprehensive interdisciplinary view of a fascinating field of study Arranged alphabetically each entry is accompanied by a bibliography of primary and secondary sources to which interested readers can turn for more information Editors Angela M Howard and Frances M Kavenik also provide an extensive subject name index and end of entry cross referencing to make the book an invaluable resource **American Voices** Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America's most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator's major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and

archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes
