Lesbian, Gay, Bisexual, and Transgender Aging Douglas C. Kimmel, 2006 This volume fills a unique gap Gerontologists seldom focus on special concerns of gay and lesbian older adults lesbian gay bisexual and transgender aging organizations rarely address issues of aging and the mental health field has demonstrated an ability to marginalize both aging and homosexuality This book lays out the state of knowledge with respect to lesbian gay bisexual and transgender aging physical health sexuality family ties victimization and legal and financial concerns The references at the end of individual chapters and the bibliographical material at the end of the book provide an invaluable resource For any gerontologist intrigued by the interplay of historical changes and individual aging it is difficult to imagine a more powerful example than Lesbian Gay Bisexual and Transgender Aging Evolution of attitudes toward homosexuality the emergence of HIV AIDS and legal protections beginning to be afforded to same sex relationships are all part of the changing world that has shaped and been shaped by lesbian gay bisexual and transgender individuals who are now old

Lesbian, Gay, Bisexual and Trans People (LGBT) and the Criminal Justice System Charlotte Knight, Kath Wilson, 2016-05-23 This book explores the experiences of lesbian gay bisexual and trans LGBT communities as victims offenders and staff within the criminal justice system It draws on both emerging and existing LGBT research and campaigns to identify and explore issues relevant to the criminal justice system including agencies of the criminal justice system victimisation domestic violence and abuse transgender experiences LGBT people as offenders international perspectives and the personal experiences of LGBT people Charlotte Knight and Kath Wilson trace the legislative journey toward equal treatment before and after the Wolfenden Report They consider why for example lesbians are over represented on death row in the US how the prosecution characterises them and what part homophobia might play in offending and in sentencing They raise important questions about the causes of and responses to same sex domestic violence and abuse and how the system delivers justice to trans people Sodomy laws and the treatment of LGBT people worldwide are also considered and models of good practice are offered Their insights will be of interest to practitioners policy makers and scholars of the criminal justice system particularly those concerned with the rights of LGBT communities

Psychological Perspectives on Lesbian, Gay, and Bisexual Experiences Linda Garnets, Douglas Kimmel, 2003-05-14 Designed for both the undergraduate and graduate classroom this selection of important articles

provides a comprehensive overview of current thought about the psychological issues affecting lesbians, bisexuals, and gay men. The editors have revised and updated the introduction and included a new set of articles for the second edition, most of which have been published since the release of the first edition of *Psychological Perspectives*. The book is divided into eight sections that deal with the meaning of sexual orientation, the psychological dimensions of prejudice, discrimination, and violence, identity development, diversity, relationships, and families, adolescence, midlife, and aging, mental health, and the status of practice research and public policy bearing on homosexuality and bisexuality in American psychology.

Substance Use Disorders in Lesbian, Gay, Bisexual, and Transgender Clients Sandra C. Anderson, 2009-07-29

Internalized homophobia, alienation, poor support structures, and high levels of depression all contribute to substance abuse among lesbian, gay, bisexual, and transgender individuals with social activity at bars and clubs reinforcing addictive behavior. The threat of bias in treatment programs also prevents many from seeking help. An essential resource for human service professionals searching for the latest research on these unique issues, this volume features both state-of-the-art practice methods for treating substance use disorders and up-to-date analyses of sexual orientation and gender identity issues, heterosexism, and the ethical challenges of working with the LGBT community. Sandra Anderson discusses practice with individuals, couples, families, and small groups, as well as practice at the program level. Drawing on case studies with her own clients and from social service agencies that treat LGBT clients, Anderson emphasizes evidence-based treatment models, including motivational enhancement therapy, contingency management, the matrix model, and community reinforcement. Packed with recommendations for effective practice, this singular volume confronts the obstacles faced not only by clients with addictions but also by the LGBT population as a whole.

Gay, Lesbian, and Transgender Issues in Education James Sears, 2013-01-11

Understand the challenges from the voices involved today's LGBT youth. AND the leading educators and scholars in the field. *Gay, Lesbian, and Transgender Issues in Education* presents LGBT youth issues through the words of the adolescents themselves, along with clear up-to-date essays about LGBT youth programs, policies, and practices around the world. Leading international educators and scholars examine personal experiences of LGBT youth, cutting-edge programs, and research first presented in the *International Journal of Gay, Lesbian Issues in Education*. Dynamic and thought-provoking, this insightful book brings together ideas and a vision vital for the future of today's LGBT youth. Invaluable for educators, counselors, graduate and undergraduate students, and LGBT youth alike, *Gay, Lesbian, and Transgender Issues in Education* is readily accessible and easy to read, yet still provides in-depth, multidimensional examinations of the LGBT youth programs and practices essential for the propagation of social tolerance, acceptance, and safety of our youth. The LGBT youth voices sing clear their views about the urgent need for programs and policies within educational resources to challenge the present dominant intolerant thinking. The editor presents cogent essays that reveal the complex issues of the educational programs and practices while offering strategies and hope for societal change. The book strives for the ultimate goal of reaching LGBT acceptance within society to

move beyond simple toleration toward becoming completely equal regardless of sexual identity
