Education Of A Princess Marie Grand Duc:

Education of a Princess Marie (Grand Duchess of Russia),1931 *Barnard's American journal of education* ,1869

The American Journal of Education Henry Barnard,1869 Once a Grand Duke Grand Duke Alexander of

Russia,2017-06-28 Alexander lived in Paris when he wrote his memoirs Once a Grand Duke which were first published in 1932 It is a rich source of dynastical and court life in Imperial Russia s last half century and Alexander also describes time spent as guest of the future Abyssinian Emperor Ras Tafari The history of the last fifty turbulent years of the Russian Empire provides only a background but is not the subject of this book In compiling this record of a grand duke s progress I relied on memory only all my letters diaries and other documents having been partly burned by me and partly confiscated by the revolutionaries during the years of 1917 and 1918 in the Crimea Alexander Grand Duke of Russia Foreword **Once A Grand Duke** Alexander Mikhailovich,2020-07-14 Former Grand Duke Alexander Mikhailovic of Russia presents his memoirs and his reflections on the downfall of the Romanov family in this enlightening account of the final fifty years of the Russian Empire The author narrates his childhood experiences growing up in the Caucasus and explains how he turned away from his expected role within the army in favour of serving in the navy He describes his visits to South Africa America and Europe and we see the headstrong Duke s love of the outdoors When his cousin becomes Tsar Nicholas II Alexander Mikhailovic must play a part in the government and the reader is given an inside perspective of the running of the Russian Empire His distorted perspective of autocracy is presented unapologetically and his opinions are often hypocritical His hatred of the liberals who were responsible for the deaths of many of his friends and family members is unsurprising but is contradicted by his own liberal ideas and rebellion against the Orthodox Church This volume s contents include Our Friends of December the Fourteenth A Grand Duke is Born My First War An Emperor in Love A Grand Duke Comes of Age My Relatives Millions That Were Nicholas II Read Co History is proud to have republished this unique account of the last fifty years of the Russian empire and the events leading up to the fated February Revolution Not to be missed by those with an interest in Russian history and the Romanov dynasty *American Journal, and Annals of Education and Instruction* ,1869 , *Killing Rasputin* Margarita Nelipa,2017-05-30 A look into the life of the so called Mad Monk of Imperial Russia his murder and the effects of his death on a dynasty a people and a country Written in three parts *Killing Rasputin* begins with a biography that describes how a simple unkempt holy man from the wilds of Siberia became a friend of Emperor Nicholas II and his empress Alexandra at the most crucial moment in Russian history Part Two examines the infamous murder of Rasputin through the lens of a cold case homicide investigation And lastly the book considers the connection between a cold blooded assassination and the revolution that followed a revolution that led to civil war and the rise of the Soviet Union Unique about this book on Rasputin is that the author combines Russian heritage her parents were forced out of Russia during World War II and arrived as refugees in Australia in 1948 with medical science and legal training Nelipa relied on Russian language sources that she

translated rather than depend on the interpretations of others Her primary sources include police documents and witness testimonies an autopsy report diaries letters and memoirs written in their native language by the participants in these historic events Secondary sources include Russian languages newspapers and other publications from that era The narrative is copiously referenced and augmented with photographs including graphic forensic photographs and other documents some of them published here for the first time Step into the imperial court of a 300 year old dynasty in its final days with one of the most fascinating characters ever to grab our imaginations judge whether Margarita Nelipa makes her case regarding his death and if you agree that it was the murder that ended the Russian empire Praise for Killing Rasputin You can almost hear the whispering conspiracies and intrigues in the court of Nicholas and Alexandra A dramatic history with a touch of true crime Steve Jackson New York Times bestselling author of Bogeyman The Flight Of The Romanovs John Curtis Perry,Constantine V Pleshakov,2008-08-05 A saga of love and lust personal tensions and rivalries antagonisms and hatreds The Flight of the Romanovs describes the last century of the Russian imperial dynasty the Romanovs from the youth of the future tsar Alexander III in the 1860s until the death in 1960 of his daughter Olga Alexandrovna the last grand duchess John Curtis Perry and Constantine V Pleshakov use a wealth of previously untapped sources including unpublished diaries of many of the principal characters interviews with people who knew them well and never before published photographs to create a history of a family and a time Along the way we learn of the relationships between Alexander III and his children the conspiracy against Rasputin Duke Dimitrie s affair with Coco Chanel the hostile behavior of the House of Windsor toward the Romanovs and the war between the Romanovs and the secret police Concluding with a discussion of the imperial restoration movement in Russia today The Flight of the Romanovs is a must read for anyone interested in the Romanov family Russian history and the history of European royalty **American Journal of Education and College Review** ,1869 Vol 25 is the report of the commissioner of education for 1880 v 29 report for 1877 **Imperial Requiem** Justin C.
